CRCNA report May 9, 2015 Chair's report

It is my opinion that the pancake breakfast went really well. I have not heard any complaints. (Which is rare). I was actually given a lot of positive feedback! It was great to see such amazing teamwork from all of the committees. I look forward to hearing all of the final numbers from the event.

Let's all work together to announce and distribute flyers for the coming F&E events.

The revised CRCNA guidelines were approved at the Regional Assembly! We will now be operating under the revised guidelines. There are a few key changes. We will be electing in a Vice Treasurer, which is a new position. The Administrative committee for CRCNA 30 will be elected in at the September Assembly, then the CRCNA 30 subcommittee chairs will be elected in at a CRCNA meeting to be held after the assembly but before CRCNA. These new timelines will ideally provide more hands on deck at the convention and hopefully encourage more subcommittee vice chairs to move into the chair position for the following convention.

This committee has been absolutely amazing! I hope you all know how grateful I am to work with all of you on this committee!!

In loving Service,

Mike P.

Hotel Committee Report – 5/9/15

It has been a quiet month for The Hotel Committee. We met on 5/3/15 were we reviewed our timeline and discussed getting AV bids. As of 5/8/15, we have sold 213 room nights. This leaves us only 49 room nights left in our block. Mike and I will be meeting with our hotel

contact on Sunday afternoon. We will be discussing what options we have to increase our room block.

Our next subcommittee meeting will be Sunday, June 7th at 6:30pm at the Village Inn at Mexico and Colorado in Denver.

CRCNA XXIX Programs Report

May 2015

The Programs Subcommittee met on Sunday, April 25, 2015 at 2:30 in Greeley with 7 addicts present.

We went over the taper bids and made a decision on having Mr. Tape be the official taper for this year's convention. They brought the best bid for the fellowship to the table. The bids were presented to the subcommittee as Bid A, B, and C so only the vice chair and chair knew who the bids belonged to. I have been in contact with Gil and Rosanne and they are very excited about returning to Colorado. They also sent some cd's of main speakers to be considered as main meeting speakers for our convention.

The committee also has begun to assembly a list of topics for workshops and marathon meetings. Each committee member brought 10-15 topics from NA literature which spoke to them, to be considered. We will then look at the lists and move forward to begin to put together the program. We are very open to other ideas as well.

We are concerned that we have received very few Colorado submissions for the Friday night speaker. With the passing of the new CRCNA guidelines the main speakers need to have 10 years of clean time.

Since the committee members are comprised of addicts from OTW we are really looking for some help in getting cds to help make this decision. Again with the new guidelines in place cds are to be received no later than May. The committee has set May 15th as our cut off so

that we can have time to listen to each cd and come to a consensus at our May 31st meeting so we can come to the June CRCNA meeting with names of main speaker meetings as outlined in CRCNA guidelines.

Question: Who will be making hotel reservations for the main speakers? Shouldn't we get those made asap as to not run out of space. Can we make those under CRCNA and direct billed for now. We will need 3 rooms for 2 nights each. Once speakers are chosen and confirmed we can place their names on those reservations as well as get their convention reservations and meal choices taken care of.

F&E REPORT – May 9th, 2015

The pancake breakfast was a huge success. Thank you to everyone for their support.

A/V support: \$30 Church: \$350 Groceries: approximately \$620 (including sugar free syrup purchased the day of the event) Chair/Table rental: \$253.76 Total Expenses: \$1,243.76 (budgeted \$1,500) Total Income: \$1,549.00

I was told that the pancake breakfast last year made \$95.00 and this year we had net income of \$305.24. Please remember that this event also has income from merchandise and registration.

My vice-chair had a stroke of brilliance that I believe should be a guideline, or at the very least something that every F&E chair should do. And that is to send out thank you cards. I sent out thank you cards to the addict that managed our kitchen, the church for use of their facility, and the chair/table rental company which gave us a discount. I believe this is an important part of continuing to establish rapport in our communities and as an ongoing PI/PR effort. I went to the dollar store for these purchases and spent approximately \$4 including stamps. I covered this expense as it was not in our budget but will continue to send these out. Hopefully this subcommittee deems it budget worthy for future purchases.

The next event is the Movie in the Park which is on May 30th at 7:30pm at 3700 Baseline Road in Boulder. We will have 2 speakers, one of which will be Tina. The movies will be Star Wars and Fast Times at Ridgemont High. The facility is \$150 and an additional \$50 refundable deposit. We have been lucky enough to identify an addict with a very large popcorn machine that is going to donate its use (along with popcorn kernels and butter) so that we may sell popcorn. We will be purchasing additional theater-style snackage to sell. I am bringing my projector to show one of the movies and we will rent an additional projector for the 2nd movie. I believe that our subcommittee can continue to creatively stay under budget and hope this serves as evidence to our region in order to get a larger budget passed. Please remind addicts to bring their own chairs. I talked to the Boulder activities chair and was delighted to hear that the event was announced at their area along with flyers and Lakeside tickets.

We will be selling S'mores at the campout event June 19 – June 21. I have a campout flyer that I can forward via email if anyone is interested.

Lakeside is happening June 26th, 2015. Tickets are out. We sent tickets to the regional assembly and to the pancake breakfast. I plan on giving tickets out for distribution here and another round at region next week. Please continue to remind people that they need to get their tickets beforehand and if they don't plan on using their ticket, to pass it on to another addict.

We have had an addict graciously step forward to make the CRCNA quilt. Ally has done some sewing and has some relatives who are seamstresses. She has implored their help and they have obliged. She also sent me some pictures of other quilts that she has done. I am giving the shirts to Adam today to take back to her. I warned her that her willingness will mean that she will receive this request in subsequent years and she is still willing.

We need "artsy addicts" for the CRCNA event (art and talent show, DJs). We are working on generating a flyer and will send out once it's complete. I have set up an email (crcnaparty@gmail.com) that people can send submissions too and let us know that they are interested. I have had a couple of addicts (Bob D and Leah H) step up to help coordinate.

One thing that we still need to do is get the silent disco registration on the website. I need to talk to Autumn about this. The headphone fee will be \$2. Once we have that complete we will probably also start pushing flyers that have the CRCNA events outlined (art show, prom, poker, silent disco, talent show, game room)

I have seen flyers/tickets and heard announcements for events everywhere I go. GOOD JOB TO EVERYONE FOR GETTING THE WORD OUT. I really appreciate all of the help, please keep it up!

The next F&E meeting is scheduled for May 18th, 2015 at 7:30pm at IHOP on 1595 S Colorado Blvd, Denver CO.

Merchandise Darrin M

Merchandise Report

Merchandise has been going very well. At our last meeting we came up with the ideas for the pre-convention shirts, and got them made. We had a couple of bumps in the road getting the shirts finished, but everything came through and worked out.

At the pancake breakfast we took in a total of 800\$ 350\$ cash and we rang up 450\$ on the square. I feel like that is a pretty good start for pre-convention merchandise. We still have a fair amount of both men's and women's shirts left to sell at the remainder of fundraising events. We have worked really hard to also get rid of as much old merchandise as possible.

The next merchandise meeting is 5-9-15 at the Village Inn on Hampden and Yosemite and we are going to start thinking of new and exciting merchandise to bring to the convention.

I spoke with Marlon at J&R when I picked up the shirts about some different options for merchandise this year, different material we can use, different printing options, layering, and ways to bring the most to the merchandise table at CRCNA this year.

Thanks Darrin M
