HOTEL LOCATION

WHY REGISTER?

The money collected from registration is used to pay for hotel and convention facilities, associated services, equipment rental, registration packets, printing of programs, brochures, and other related expenses. Administrative expenses include rent for committee meetings, bank charges, and general expenses prior to the convention.

We believe that once participants understand that it is the fee from registration that makes this event possible, and the planning and implementation of present and future conventions, the reason for registering becomes clear.

Registration includes workshops, dances, hospitality rooms and convention activities.

NEWCOMER POLICY

If you are new to our fellowship and cannot afford the registration fee, CRCNA invites you to come regardless! See the registration table at the conference for more information.

In recovery, our ideas of fun change. We are now free to enjoy the simple things in life, like fellowship and living in harmony with nature. We now have become free to develop a new understanding of life. As we look back, we are grateful for our new life. It is so unlike the events that brought us here.
