SOUTHERN -

Hello to all the members of the regional service committee, RCM's, GSR's, and any member of the fellowship reading this report.

I'm Dan B and I'm very grateful to humbly be of service

April Assembly and Celebration of Service Weekend

The April 2013 assembly was a great success. I would like to thank everyone involved with planning and participation in this event. Catering cost \$427.00. Literature donated to hope for children for use of the facility cost \$53.15. Also donuts cost \$22.00. The total cost being \$502.15

The Potluck dinner, speaker meeting (Thank you Alan H.) and dance were a great time. I for one really enjoyed the entire evening.

Training events the following Sunday although not well attended were very informative. Thank you Tawni, Chuck, and Don.

PR Committee Report

Outreach efforts to the outlying groups are being planned. Several members from the Southside Survivors groups have expressed a desire to travel to groups and support their meetings. Literature has been ordered to be given to Pueblo High Schools. Packets to state fair contacts were mailed in April.

H&I Committee Report

Women's meeting at the Crossroads facility is going well.

Group Reports

South Side Survivors reports a drop in meeting attendance. This trend happens in the spring when the weather gets warm. South Side Survivors is planning a picnic in the park for the Saturday of June 15. I have brought flyers for this event.

The La Junta group "Primary Purpose" is hosting a picnic "Recovery in the Park" on Saturday June 8 2013. I have brought flyers for this event as well. Please try to make plans to support them by attending.

Area Priorities

Encouraging more groups to become involved in our efforts seems to be the most important area of concern at this time. In a effort to make group support more feasible and less costly the next SCANA meeting will be available to attend at anymeeting.com. If you would like more info please feel free to contact me @(719)994-4361.

Treasury Report

Today's Regional donation: \$20.00

Funds at this stage in our growth are limited. I am happy to report that we do have some funds to work with and that we have put aside funds for our prudent reserve. It has been my sincere pleasure to be of service to the Southern Area and NA as a whole.

Thank you all

Dan B., Southern Area RCM

IV CHAIR REPORT

Hello Everyone,

I don't have a lot to report. It has only been a month since we last met. I am very excited to have new faces mixed in. It will be great to get fresh perspectives. I am excited for the coming year and will enjoy seeing how the new mix of servants will affect the region. Congratulations to everyone who was elected last month and thanks for helping me serve NA.

Thank you for letting me be of service,
Shawn H.

V VICE-CHAIR REPORT

Welcome to all,

I again apologize for not updating the guidelines this last month I have a copy of everything that needs to be added and Shawn and I will be meeting today for training on how to update them on the website.

Our budget adhoc met on March 2nd, 4 people attended the meeting including 1 through go to meeting.com. We have taken the requests that were made to the adhoc by the region over two years ago and have created a comprehensive budget to propose to this body. We hope that you will take this back to your areas and home groups for discussion and bring your respective groups/areas conscience so that we can vote on this at the regional assembly in April. As a point of clarification other than grammatical changes, we are not going through additional revisions with the current adhoc

committee. We have done our best to include all interested parties and take into consideration all ideas. We hope that this plan will lay the framework for a successful CRSNA.

Thank you for letting me be of service,
Kyle A.

IX CNAC REPORT

The IRS still has more clarifying questions on our paperwork to register the Colorado Narcotics Anonymous Convention Inc. as a non-profit (form 501 3c). We received another letter asking more questions about our application. We also have several positions open on the board. Anyone willing to get involved let me know.

X CRCNA XXVII UPDATE

Chair Report:

Good morning everyone.

1st let me thank you who attended and support our kickoff event. Indications are that it was very successful on a number of levels. One of the things I personally noticed was the level of support from friends i.e. committee members who showed up to facilitate the goals of our committee. Please extend our sincere appreciation to all who helped.

We only have 5 meetings left before we will find ourselves in Keystone putting on the convention. I've spent the last month in communication with many of the committee on a regular basis regarding specific goals. One theme I find consistently amongst all is

a desire to have thoughtful open-minded discussion about the task at hand. The spirit of unity as it relates to putting on the best possible function is at the core of what our convention is all about. Consistently striving to achieve our goals through this modus operandi will I believe, ensure that the convention will exude this same spirit.

Please join us at our upcoming events: Lakeside, Frisbee Golf, Barn Dance for fun and etc...

In grateful and loving service,
Alan H

CRCNA XXVII

Good Morning! I am happy to report that people are getting very excited about CRCNA. I gave Dawn H the letter format for facilities and am hoping to meet with her this month. I am so excited to have her on board. Also, I have had people asking me how they can be of service to CRCNA so I am of course telling them to show up to this meeting. However, if there are any of you struggling for committee members, I would be happy to try to coordinate some support directly. Thank you for my recovery.

ILS, Brandi J

Treasurers Report:

CRCNA 27 is coming together rather nicely. Financially speaking, we have had two above average F&E events. The bank account is currently at \$8247.90. I have the most recent statement and bank reconciliation available upon request.

We have prepared a very detailed budget to present to the CRSC today.

In Loving Service,
Mike P.

XI COLORADO REGIONAL CAMP OUT COMMITTEE

Chair's Report:

No report

Treasurer's Report:

No changes have been made to our account - \$1,000 remains in our account.

We received the letter from Chuck which allows us to remove the old signors on the account and add Anna. We have scheduled a tentative time to meet at the bank to update our account.

Mike H. has been an integral part of helping us with bringing our treasury functions into the 21st century. He set us up on the regional website so registrations can now occur online. I have since updated our PayPal account so that it is linked with the CRRMCO bank account.

Mike H. has also helped us with getting a Square (it's a device which allows us to run credit cards using a smart phone). He is going to let me know once the registration is complete and I will also link our account to the Square. Our registration chair now has a Square so we will be able to do pre-registrations at Unity day, the upcoming Assembly, and subsequent events.

Thanks. In loving and cautious service, Vale

Discussion Points:

- The CRRMCO Secretary noted that we only have one entry for the logo contest; April 12 is the end date for submissions

XII H&I REPORT

Not much for me to report. I did get all the H and I stuff from our previous regional chair. There is a small amount of literature, a few books. However, I am not ordering anything. I would rather not stock-pile and order when needed.

I will send out emails to see when a good meeting time is for all the H and I chairs. There is no set time for the next Regional H and I meeting.

Thanks,

Regional H and I Chair

XIII PI REPORT

I am honored to be given this opportunity to serve as your Regional PI Chair. This month I have gone to the Mile High area PI meeting to support them and ask for their support at the Regional PI committee meeting. I have also been in contact with the Boulder area PI Chair. I found a place to meet and with some discussion with Tawni will hold it in conjunction with the PR committee meeting it will be at the Arvada Library on June 8th at 7525 W 57th Ave. at 10:00 am. I've also been in contact with a representative from the State Fair. I am requesting a disbursement for \$25.00 for rent of the library and \$950.00 for booth at the State Fair also a separate check to the State Fair for \$55.00 for tickets to get in for our volunteers. There are flyers here for the PI/PR meeting and the State Fair please take them back to your areas.

In loving service
Debi R.
Regional PI Chair

XV CRCNA GUIDELINES AD-HOC

Anna H. and several interested members are working on the review and will bring suggested updates to the Region section by section.

Discussion Points:

- How will this meeting be publicized? Anna noted that it's shown on the first page of the Minutes, and will also be on the CRCNA website.
- One attendee asked whether this meeting could be made available through GoToMeeting so people outside Denver could attend. Anna will look into that.

XVI CAMPOUT GUIDELINES AD-HOC

Coy P. and a group of interested members are working on the campout guidelines, and identifying areas in which the CRCNA guidelines (which formed the original basis for the campout guidelines) are not relevant. She will bring suggested changes to the Region as they are agreed on by the group.
