TO: COLORADO REGIONAL SERVICE COMMITTEE

DATE: March 10, 2002

SUBJECT: DENVER ASC REPORT - LINDA L., RCM

Administrative Committee:

We still need a Secretary, CRCNA Liaison and a 2nd RCM. DASC is still looking for a larger, more central location for its monthly meetings. We are in the formal process of learning and truly instituting the process of consensus for all motions at the DASC wherever possible...

DASC also passed a motion to open the possibility of a July, 2003 WSUC to co-inside with world's event for the colorado addicts who cannot make San Diego.

Subcommittees:

Electronic Communications - Elected a new Chair: Karen. Help/Infoline doing well. Volunteer training popluck was a success.

GSR Training - looking for a new chair.

H & I - doing well. Sent lit to Colorado Territorial Prison in Canyon City. They are looking for men to help run this meeting, perhaps PPASC being the closest can help....

Literature - is currently working on the Sponsorship Project as directed by the World Board - Publications Committee

PI - looking for a new chair.

Activities - Elected a new Chair: Mary. DASC is having a Pancake Breakfast and Speaker's meeting Saturday, March 16, 2002 - info is on 303-832-DRUG. We are also planning a BBQ/picnic on May 4, 2002...Info to come

Groups:

Generally doing well. Like always, there are some who need support and/or trusted servants..Several new groups (2) have started so please check out the meeting list for Denver/Foothills Areas on the web. Please check out the Denver Area web pages on www.nacolorado.org.

Votes:

DASC is anxiously awaiting the CRSC Guidelines vote at the Regional Assembly!!

Donations:

\$ 200 of DASC donations to CRSC.

Submitted lovin' service,

Foothills: John gave his report. See report below
Foothills report to CRSC

Foothills Area is doing well. The February meeting was attended by all of the area's GSRs.

All of the subcommittees meet at the same time an same place the second Sunday of every month at 6750 Carr st. in Arvada. There is a potluck dinner at that time and the Clean and Serene group meets immediately following.

The Clean and Serene group has changed their Saturday speaker meeting to Friday nights at 7:00 pm.

They are looking for speakers for that meeting. If you are interested there is a flyer available with contact numbers. Chuck P. is coordinating speakers.

Our H&I subcommittee is doing very well. We currently are servicing 13 meetings with 38 regular volunteers and many other volunteer speakers. The Chair position for subcommittee opening this month.

PI is looking for experienced speakers/representatives to go into facilities that have requested presentations regarding NA. The phonenumber also needs volunteers to be trained to answer the phone on four-hour shifts per week.

Activities has been doing well. We are currently planning a Sponsor appreciation pancake breakfast in conjunction with our service learning day. The event will be held March 23 at 10:00 am at 20th and Simms Street at the large church on the corner. There are flyers available today for the event. Please take some and make the announcement at your groups and areas. The Anonymous Group in Broomfield is coordinating with the area activities committee to secure a venue and plan the New Years Eve event.

The Foothills Area and Denver Area have been pooling our resources in the subcommittees and working with unity to serve the entire metro area as efficiently as

possible.

Our area is not donating this month. A concern of some of the groups is that our subcommittees and area needs are not being fully met before we send our funds to Region or World. We will be discussing our guidelines and Guide to Local Service and deciding what changes we might make. We also voted to stick with the voting process rather than change to a consensus based form of voting.

Thank you for allowing us to be of service
John M. and Jeannie R.

Mountain West: Gave their report. [Click for report](#)

Off the Wall: Larry gave his report. [Click for report](#)

Pikes Peak: Gave their report.

Serenity Unlimited: Not present, no report.

Southern: Not present, no report.

Resource position reports and discussion:

Website has been paid through the end of the year. Jay has agreed to look further into the regional 1-800 phonenumber issue.

Old Business:

Proposed Regional Guidelines have been posted on the website.

Differences in the guidelines have been made - consensus based voting, clean time requirements and terms.

Voting on regional guidelines will be the first agenda item at the Regional Assembly. They will then take precedence then and there. *Guidelines will be amended to say that the RDA is a voting member.

New Business:

MSC: that the \$517.00 left over from last years CRCNA goes to literature for newcomers. With the amendment that newcomers are identified as 30 days or less and the literature consists of Basic texts, It Works How and Why and Step Working Guides. To be distributed at the registration desk at CRCNA XVI.

MST: to place one Basic Text book at every state and federal correctional institute.

MSC: to donate \$200.00 to the Rocky Mountain Forum.

Address the letter from a woman incarcerated in Montrose. Says there is a need for NA at the facility. The appropriate people were appointed to look further

into this issue.

Sharing Forum:

Discussion ensued. There has evidently been talk of the Colorado Region being a "Circus" and that it is a "sreaming match" when serving on the regional level. The end conclusion was that the CRSC gets things done and is productive and has fun doing it. If someone has something to say about the Colorado Regional Service Committee and their method of operating, please come and express your opinions to the Colorado Regional Service Committee of Narcotics Anonymous as a whole.

Ending Treasurer's Report: Joann gave the Closing Treasury report.

MSC: Meeting was adjourned at 1:05 p.m.
