** There was discussion regarding allowing one person to carry the conscience of many groups. Judy G. cited that there is a precedent for allowing this in previous years. Since the guidelines do not state specifically that a GSR only may represent a group at the assembly, roll call or ballot votes may be allowed for motions from WSC that have been formulated from group conscience. This precedent cited that this would be in the spirit of unity and truly achieve the most complete group conscience by votes from as many addicts in our region as possible, however, only present GSRs or GSRAs may vote in elections as this would not constitute a group conscience .

** There was an issue of a revote for a tie on motion #20. The motion to revote passed, and the motion was defeated on revote.

ELECTIONS:

CHAIR: CHUCK C. NOMINATED AND ELECTED

ADJOURNMENT

NEXT CRSC MEETING – MAY 21, 2000, VILLA DEL SOL, 10:00 A.M.

AD-HOC COMMITTEE RECOMMENDED CHANGES TO CRSC GUIDELINES.

In attendance: Mike M., Judy G., Chuck C.

RECOMMENDATIONS:

1. To change the election of officers (page 3, Article IV), to the July Regional Assembly. Terms will be one year except for the RD and RDA, which will both be two year terms. This will take place in July of 2001.

Intent: To coincide with the two-year conference cycle and possibly increase participation at the July Assembly.

2. To change Section D, General: (page 4) to read "All members of the CRSC will provide one copy to the CRSC Secretary and will forward electronically formatted reports to the secretary if possible for attachment to the minutes.

Intent: Ease and accuracy of minutes.

3. To change Section I: Regional Delegate. To add this is a two-year term. In addition, to add - is responsible for organizing and promoting regional assemblies. (Please note, resource personnel may maintain committees to help fulfill their assignments).

Intent: To ensure regional assemblies will be scheduled and announced as early as possible even if other regional positions are vacant. To clearly define the responsible committee member for organizing such events.

4. To change Section J; RD-Alternate, to include two year term. Acts as Outreach Resource Contact for the CRSC to the areas.

Intent: To ensure our outreach resource position is filled and to help increase unity and recognition of the CRSC in outlying areas. (Please note, resource personnel may maintain committees to help fulfill their assignments).

5. To change Section C, Voting of CAR Motions/CRSC Executive Officers to add "groups recognized by one ASC. (Page 9)

Intent: The line currently states that GSRs can vote for meetings on the meeting list or recognized with WSO; if there are any problems with the meeting list this would not allow new groups, or groups left off the meeting list in error, to vote.
