AREA REPORTS:

CRSC - 7/11/04 - Boulder Area RCM Report – Rob L

The Boulder Area would like to thank the CRSC for helping support our new H&I projects. We have purchased literature with these funds and have started to distribute this literature among the institutions. Thank you for helping us carry the message.

Also thanks to Mile High Service Committee for helping us with our projects also!

Meetings in the area are going well. We now have 16 regular meetings on our schedule and overall attendance has been strong.

H&I has 2 meetings in Boulder and Adams County jails which are being regularly attended, and 2 new meetings in these facilities still pending clearances, hopefully to start soon. H&I have also just started bringing a meeting to Centennial Peaks Hospital in Louisville.

PI is in the process of producing 2 - 30 second radio spots and hopes to have them on the air in 4 – 6 weeks. We intend to start with 3 radio stations and go from there.

This past month we held a campout complete with a Thunder and Lightning show, and we will be having a BBQ Aug 7th at IBM Park, a flyer will be on our website soon.

In loving service, Rob

Mile High Area Service Committee Report

Area is going pretty good. Subcommittees are really busy.

H&I: Currently going into 21 facilities. 3 more facilities wanting a meeting. Basic Text handout is still going on.

PI: Doing around 55 mailings to professionals. Letting them know what N.A. is about.

Outreach: Writing about 20 or so letters to addicts inside the walls.

Activities: Elected a new chair so activities are kind of just getting started.

Adhoc: Reviewing guidelines for our subcommittees for Area approval.

Phoneline: Going good!

All other subcommittees are doing good.

In Service,
Jason H.

Off The Wall Report – 7-11-04

Off The Wall Area met July 3 @ 1:00 in Loveland at the Safeway. Our next meeting will be held in September, we are taking August off.

We have 15 groups in our area. The Mon.-Fri. Taken @ the end of the Road @ 12:00 is going strong.

The women's meeting in the facility LCDC (Larimer County Detention Center) has not started yet, but they have attended the training.

Our 8th annual "Just For Today" picnic was a huge success and celebrated a lot of birthdays.

Our campout was very poorly attended. There is a motion to cancel our annual campout in the future. The CRCNA fundraiser was cancelled.

The spaghetti/speaker dinner held July 10th was hosted by "Dead w/out it" & TTLC groups was a huge success.

As far as the Regional Assembly hosted here in Fort Collins, our activities chair quoted \$100.00 deposit which we received from the Region. \$200.00 was the final bill after Christopher, RCM2, confirmed the hall.

We have implemented subcommittees for all of our chair positions due to our areas unaccountability. Therefore, our groups and other addicts are suffering and we do not have a prudent reserve.

Grateful to serve,
Karen C., RCM1
Christopher M., RCM2

Mountain West Area 7/11/04

Area is still not holding regular meetings. Research was done to contact other groups within the area. Little to no response from anyone other the Steamboat Springs, Craig, and Meeker. It is looking as if we may be starting a new area as long as a responsible, committed service body is available. This is still a work in process.

Meetings in Craig are still going well. Attendance is still good. We are looking to start a new meeting soon.

We are going to ask our area's only standing committee member, treasurer, to help with the purchase of some large print line numbered Basic Texts. If they do not feel comfortable or are unable to help with this purchase, we will be asking for help from this region.

In loving service,
Vicky
