Vice Chair-

Welcome to the July meeting of the Colorado Regional Service Committee and GSR Assembly. Since our last meeting, I went to the bank with Steve K. to have my name added as a signer on the Regional Checking account, in keeping with our guidelines. The bank requires a document showing who the signatories are, so as a matter of formality for them, I will be presenting a proposal under New Business to recognize Torri F, Steve K, Chuck C and myself as authorized signers for the next year.

I will ask you all to respect this body and the order of the day's business, taking all side conversations outside the main room. We have a lot to get through and our time is limited.

Thanks for allowing me to be of service.

Earl H.

GSR Training Packet and discussion. Document is on the website:

http://www.nacolorado.org/region/GSR_packet_07_24_05.pdf

Morning all,

Once again, my reports are all included in a single document.

I have been busy since our last RSC meeting. I attended the Worldwide Workshop in Nashville and had a very interesting experience. Although I did not come away with a whole lot of 'new' information, I did learn about how to do facilitate 'brain-storming' sessions. I also got the chance to interact one on one with members of the World Board and some special workers from the World Service Office. My unpaid expenses for that trip are \$249.06 for the room which I shared with the RD.

I spent some created a handout for the GSR orientation this morning and brought thirty copies with me as well as posting it on the CRSC website

http://www.nacolorado.org/region/GSR_packet_07_24_05.pdf.

The printing costs were \$62.04 for which I have brought a receipt. I have attempted to write the packet in such a manner that it can be updated and reused fore future assemblies

Part of my desire to facilitate a Group Service Representative orientation this morning came from my conversations with other members in attendance at the workshop. It seems that many of the problems we find here in our region are echoed throughout the country. Over and over again, I heard the GSR's from the Midwest saying that when they went to assemblies, that they felt 'left out' and confused by all the terms we use so off-hand. My hope is that as a region we decide to continue to allow time for GSR orientation before all of our assemblies, to allow those who are new to this level of the service structure the chance to breathe and ask questions in a non-threatening environment. But that is out of my hands.

I also was in Boulder, MT representing the Rocky Mountain Forum, June 10-12, 2005. As part of the Forum's commitment to the regions we serve, we agreed to present at each of the regional conventions this year only. I took this opportunity to enjoy some time away from work and home with my significant other. Our presentation was about what the Forum is and how we can support the addicts in the Montana Region to fulfill our primary purpose. I joined the RMF Chair, the RMF Secretary and the Regional Delegate from the Upper Rocky Mountain Region in presenting and I believe the trip was worth it, both personally (a nice long weekend) and for the fellowship in general.

The trusted servants of the Rocky Mountain Forum will also have presentations at the Colorado Regional Convention in Pueblo and the Utah Indoor Convention in Park City.

The next RMF meeting will be Missoula, MT September 30 – October 1 2005. The Saturday afternoon workshops will have two representatives of the World Service Office presenting on contract negotiations and the full, expanded agenda can be found on the Rocky Mountain Forum website at:

<http://www.rmfn.org>.

The Rocky Mountain Forum will be having a second meeting for the Conference Agenda Report in Salt Lake City December 9 -10 2005 with World Board participation. I will be assisting Chuck in setting-up Conference Agenda Report workshops for interested Areas in January – April 2006.

I have been asked how I come up with the web site numbers by the Boulder Area. These numbers are generated from the raw web logs on our server. Every time you visit a web site the pages you view as well as the IP address of your computer are written to a server log as well as some other information. The concern of the Boulder Area was that I was using little text files called cookies to track visitors to our web site. Many web masters use 'cookies' to personalize a website to each unique visitor. 'Cookies can also be used to track a computer user's history through the web or display paid advertising. I have never used 'cookies' nor do I intend to in the future, so a visitor to the Colorado Region's website is assured of some level of anonymity.

I have done a little bit of a facelift to the website creating a separate page for our visitors who are new to NA. The new page can be found at: <http://www.nacolorado.org/welcome.php>. It includes links to all the Narcotics Anonymous Literature that is available on-line, a link to the meeting search page and a list of all the help lines currently active in the Colorado Region. I would appreciate any feedback and suggestions about what else to include on this page. Also included in the facelift is a meeting count and links to see new and updated meetings in the past thirty days.

One issue that has surfaced over the past 2 months is the use of the e-mail web page to send anonymous announcements from outside enterprises. When I designed that page, I decided to allow anonymous e-mails to be sent, so that addicts within our region could provide feedback etc, without revealing who they were, hoping that outside enterprises would not abuse this trust. Earl has graciously included this topic as part of the open forum discussion, so I hope to hear what this body's conscience is on the matter.

A second issue I am working to resolve is that AOL has labeled e-mails sent from nacolorado.org as SPAM. I am working with them to get this problem resolved, so any trusted servants with AOL e-mail addresses have not been getting any e-mail from nacolorado.org for the past two weeks. I will keep this body updated as to my progress in getting this resolved. My suggestion is those of you with AOL addresses may want to consider another e-mail provider while I work with AOL to get this fixed.

CRSC Outreach-

I also had some outreach activities over the past couple of months, but first some concerns. I have still been unable to contact anyone in the Mountains West Area and the contacts I had in the Southern Area have not responded to phone calls and the e-mail I had is now bouncing. Hopefully a representative of the Southern Area will be here today.

I attended the Area Service Committee meeting of our newest area, Mountain High, Sunday June 5, 2005. They have a few issues but are working on getting services set-up in the new area.

They should have a PO BOX and a checking account set-up before the end of July. There have been a few issues with the meetings in the area and after adding two new meetings in Granby, four of the meetings in Craig have had to fold. I have been in contact with the Area Chair and have been assured that this little setback has in no way lessened their resolve to carry the message to the addict who still suffers and the services needed on the Area level to allow that to happen.

Once again, any area can request to have me visit their Area Service Committee meeting with 30 days advance notice.

CRSC Literature- Appointed a new resource person. Thanks Rob L.!

Chair's Report

7/24/05

I apologize for not being able to make the Regional Assembly today; I got a fever/cough/headache combination like I haven't had in quite a while.

CRCNA XIX

You'll find attached to my report the Marathon Meeting topics that require CRSC approval and the Email Guidelines the Regional Assembly needs to vote on as an addendum to the CRCNA Guidelines. The Saturday evening main speaker and Sunday morning spiritual speaker have been chosen. However, the Friday night speaker(s) have not yet been chosen. The Program Subcommittee is looking for people who live in the Colorado Region to fill that slot. GSRs, please ask your groups to submit tapes to the Program Subcommittee at our PO Box. The address is PO Box 1437, Denver, CO 80201.

We also have fliers for the Sundae Sunday event occurring after this meeting and the Poker Run event occurring on July 30th in Conifer. The final flier we have to distribute this weekend is for the Hotel & Hospitality Subcommittee, requesting that home groups sign up for Hospitality Room time slots. Please take some fliers to distribute to your groups.

Thanks for letting me serve,

Neal H.

AREA RCM Reports:

Boulder-

Boulder RCM Report to Regional Assembly - Rob L - 7/26/05

The Boulder Area and our meetings have grown quite a bit this past year. We currently have 18 meetings in Boulder, Brighton, Longmont, Louisville and Golden.

H&I has 2 meetings in Boulder and Adams County Jails. We are still trying to get 2 more meetings into these facilities. Getting people who are both interested in his service work and are off paper continues to be our biggest obstacle. We have 2 meetings at Centennial Peaks Hospital in Louisville and have just started a meeting at the Longmont Community Treatment Center.

We have filled the activities Chair after having been vacant for 2 years. We look forward to more activities in the Boulder Area. Some activities coming up are:

- Night Hikes, Saturdays at 7:15 at Eben G Fine Park (4th & Arapahoe). Approx 1 hr hike and meeting under the stars
- Recovery Rides (Motorcycles...) Every 2nd & 4th Saturday meeting at Boulder One 5375 Western Ave , Boulder.
- The Boulder Area is going camping in Nebraska! Aug 5-7 at lake McConoughy
- Picnic in Eldorado Canyon Aug 21.

We Currently have no CRCNA Liaison or Webmaster, and have just lost our Secretary. Other than that, all is well in Boulder.

Thank you for letting me be of service, Rob L

Serenity Unlimited –

Hello Family:

I first would to say that I had a fantastic time serving as RCM! Thank you all for all your support! I am now Chair of the Serenity Unlimited Area.

Serenity Unlimited has a new RCM and RCMA! Dulcie N. is our new RCMA and Mike H. is the RCM. We have a new PI Chair person, Carla G. who has really stepped up to the plate. The meetings in the area have been updated and are current. She has put on a 12-Step phone line workshop and has also been getting our pager/phone line working or should I say, functioning! NEW HOTLINE NUMBER IS: 970-201-1133.

Our new Activity Chair is Joe V. Polly stepped down after serving one year and did a great job! Thanks Polly! Joe has been busy putting together a logo contest, picnics, swim days and he and the committee are working on a fundraiser for CRCNA. Go Joe! Merchandise to be sold to help raise funds was discussed.

Activity is a "Standing on Higher Ground" event and flyers are here.

We, as, an area, have voted in a disclaimer to be printed on our meeting lists. Due to the area's differences with an outside facility we had put together an ad-hoc convention to put this disclaimer together. With the help and guidance of WSO, Ron and committee did a fabulous job at putting this together. Our new meeting list with our new logo should be out by mid to late August.

That's all for now, next report will be given by our new RCM, thanks Mike for stepping up, you are in good hands.

In Loving Service,
Sanna M.

H&I has initiated weekly N.A. meetings at the G.J. work release facility. These meetings have been very well received with 16-20 participants including 3-4 attending their first 12 Step meeting. Thank you goes out to Mike H. and Ron T. for their commitment.

The meeting at the ARU in G.J. is going great. 30-35 in attendance every Thursday night. Thank you to Joe V., Carla G., and Ebony L. for their commitment.

Serenity Unlimited Area has 19 meetings between GJ, Delta, Montrose, Hotchkiss, and Telluride. This is including our H&I activities.

PI and H&I combo meeting is August 4, 2005 @ 6:30 pm.

Our next Area meeting is August 20, 2005. The Area is looking for a treasurer and no liaison for Serenity Unlimited as of now.
