Regional Delegate Report
Colorado Regional Service Committee of NA
July 19, 2009

Hello Regional Members,

Thank you for attending the Regional Assembly. I hope you and your GSRs had a good time, learning a lot. I know it was fun for me to try new things and learn from all of you.

On Saturday, July 11, 2009, members from PR adhoc, addicts from Mile High Area, Pikes Peak Area, and I went to Pueblo to discuss possibilities of reforming their Area or working as a Co-Op in a rural area. Addicts from other meetings outside of Pueblo were invited but only the one meeting in Pueblo had attendees. We went to support them and offer any help with any issues they may come across. These addicts are going to look towards the Co-Op model, from the Guide to Local Service, and will continue to function as they have been, attending Pikes Peak Area. They

Colorado Regional Service Committee of Narcotics Anonymous
Minutes Denver, CO
July 19, 2009

will continue to work to build their meetings. We let them know the region is there to support their causes and help with resources if they need or ask. Ideas were tossed out which gave these addicts some suggestions that may help benefit their meetings. Their next group conscience is sure to be a lively discussion!

Happenings from NAWS:

August 1, 2009: Last date to submit any regional motions for the CAR. I need to submit by August 28th.

August 20-23, 2009: WCNA in Barcelona.

August 22, 2009: World Unity Day

August 31, 2009: Deadline to fill out World Pool Information Form (WPII) to be considered for nomination to the HRP for WSC 2010.

September 15, 2009: Deadline for input and review for Chapters 1 and 2 of the *Living Clean* outline.

October 31, 2009: Deadline for region, zone, and World Board candidate submission to the HRP. Forms located at <http://www.naws.org/hrp/rbz1.htm>

November 20-22, 2009: World Wide Workshop in Boston, Massachusetts.

April 25-May 1, 2010: World Service Conference

Recovery literature sales reached a record total of over \$1,000,000. Many addicts all over the world are now reading our literature. Member contributions have increased since last fiscal year. NAWS is grateful for the slight raise in contributions, but the economy has hit hard everywhere. Next weekend, Chuck and I will be in Idaho Falls, Idaho at the Rocky Mountain Zonal Forum meeting. If you have questions or comments you would like us ask the forum or NAWS participants, please let us know today. We will be discussing the *Living Clean* piece currently being written with a Phoneline and website discussion. There will also be a PowerPoint presentation on our "Worldwide Fellowship". I'm sure we will have some great information to bring back and share with you.

Question and discussion:

- Discussed the value gained from the assembly presentation. Feedback was positive.

REPORT FROM RD2: by Chuck, read by Tawni

I will be attending the Rocky Mountain Zonal forum in Idaho Falls next weekend. A proposal for the funds will be submitted today.

News from NAWS (I'm sure Brenda covered these in her report):

World Convention:

The world convention is only a few weeks away (8/20-8/23). Hotels have cut rates and there are some good deals to be had.

Membership Survey:

We welcome you to the 2009 Membership Survey! For those who receive the NA Way you will find the survey in that magazine; for those who will be attending WCNA33, there will be an opportunity to complete the survey onsite; and for those who have access to a computer, please join us and complete online. With the 2007 survey, we had over 13,000 members respond; with more than five months to complete the survey in 2009, we hope 25,000 members will participate. This is an anonymous survey. We are asking that you help us actively encourage members in areas and regions to participate. You can do this by emailing this link, <http://questionnaire.disc.na.org/> to the online version or by distributing paper copies of the survey yourselves, http://www.na.org/admin/include/spaw2/uploads/pdf/Fellowship_Survey_2009.pdf, collecting the responses, and either mailing them to us, faxing them to us or ideally by inputting the information. If you choose to input yourself, please contact stephan@na.org for instructions. The deadline for survey completion is 31 December 2009

REPORT FROM CRCNA XXII CHAIR REPORT: by Tina

Colorado Regional Service Committee of Narcotics Anonymous
Minutes Denver, CO
July 19, 2009

To CRSC:

The CRCNA committee has several proposals on the table today for you to review. We have 95 days to CRCNA XXIII and the excitement continues to grow.

- Next event August 8 Pikes Peak Area flyers are available today map on the back. Poker run with BBQ is being planned for September in Denver and we plan to have an event at the regional assembly in September also at BFE.
 - Program has many outstanding ideas this year like meditation room, game room, and the hottest new thing is UNPLUGED CAFÉ beginning NOON on Friday so be there early.
 - Registration is on track with timeline and purchasing swag. Swag stuffing party with pizza will Oct 7 in Colorado Springs at Maggie's home.
 - H & I has sent out first contact letter to facilities inviting them to attend.
 - H & H has weekly contact with hotel and things are on track. The walk through will be August 8 from 11:30 at the hotel. Kevin needs to know if anyone from the CRCS is going to attend the walk through. Kevin is also looking for volunteers to help out in the Hospitality room.
 - Merchandise is picking items for the bid process. Anna has been at most events she can handle to sell preconvention t-shirts.
 - The website has been updated Red is working hard to get this completed.
 - F & E is looking at DJ's for the music at the convention. Comedian show will be Saturday night. Dave W has been looking for places to hold events we were unable to secure a date in Boulder
- CRCNA F & E are looking for donations for the silent auction
 - The signup sheets for Hospitality room, marathon meetings and possible game room time slots will be available after the topics are approved.

Early bird registration was 246 and a few that were in the PO BOX. Breakfast and dinner tickets are almost sold out maybe around 25 each left. The preregistration mugs are still available online until Sept 21 at \$15, buy them while you can.

I have a question about the basic texts we give at the clean time count down at the convention. Does CRCNA purchase them and where does that fall under the budget?????? What do we give H & I clients at the convention?

The committee is careful making each other accountable and the work is getting done.

Thanks for the opportunity to be of service I'm grateful to serve Love Tina W 719-205-2258

Question and discussion:

Colorado Regional Service Committee of Narcotics Anonymous
Minutes Denver, CO
July 19, 2009

- Linda L has stuff for the silent action
- Revisited the newcomer fund as described in Addendum D of the CRCNA guidelines
- Last year there was \$1200 left over which was spent on T-shirts and books. This has been occurring for at least 3 years
- This creates a disparity between how the H&I newcomer is treated versus the newcomer who just comes on their own.
- The cost of the newcomer tablecloth and the books given out at the countdown should be listed in the Administration budget.
- The tablecloth used to be under H&I budget.
- CRCNA committee had decided not to give books out through H&I, but to give them out at the countdown.
- The discussion about newcomer books belongs at CRCNA meetings, it is their decision.
- Often the newcomer who is not in H&I has less support.
- The H&I T-shirts sets them apart when they should be made to feel like a part of.
- Decided: H&I should get the registration packets only. They can get a countdown book like all other newcomers. There should be something on the nametag so people know they are from H&I
- All newcomers, including H&I, should get the registration packet thereby treating all newcomers equally.

Question and discussion:

REPORT FROM BUDGET: by Carlos

The recent budgetary guideline changes were put into place with two intentions. First was to establish a standing committee. Second was to establish a budget schedule.

The guideline process has not been followed to date because of the effect that several unresolved issues would have on that process. Those issues being the long standing incorporation motion, the establishment of a PR subcommittee and the timing of regional assemblies.

Now that those have been resolved, the new assembly schedule has enabled a reasonable flow for the budget process. The proposed budget flow:

Use the September assembly, where GSRs are present, as the primary budget review meeting for the proposed annual budget. Proposed budgets will submitted in a three tier priority system. This is driven by

Colorado Regional Service Committee of Narcotics Anonymous
Minutes Denver, CO
July 19, 2009

the reality that CRSC funding comes from 7th Tradition donations and CRCNA. CRCNA proceeds have varied widely from \$10,000 to a negative fund flow.

Tier 1 proposals will be funded if CRSC must rely on 7th tradition only for the year. For example years when CRCNA did not make money, we could fund only critical need items.

Tier 2 proposals will be funded if the CRSC income is tight. Years when CRCNA makes a modest profit. These are items the RSC has given moderate priority.

Tier 3 proposals will be funded by the CRSC in years when CRCNA was financially successful. These would be the fully funded budget for the CRSC

How it would look:

CRSC Admin and PR Subcommittee (combining H&I, PI and Outreach) will prepare the tier 1, 2, & 3 proposals for the September Assembly. Anyone (ASCs and GSRs) can bring a budget recommendation to the September assembly.

An agenda item for budget input and discussion will be added to the September assembly. After discussion the assembly members will accept/modify the budget proposals. The funded tier will be determined by the income of CRCNA, this information will be made available by the November RSC.

The annual budget will be finalized at the November CRSC meeting making budget available for activities beginning in January.

The vision is an annual budget based on the priorities set by the GSR's, then funded to the extent of available revenues.

This proposal would eliminate the need for a Budget Subcommittee.

This is based on two assumptions:

The incorporation is strictly for CRCNA not CRSC

The PR sub committee is agreeable to the process

I request we implement this at the September 2009 assembly

Guidelines have not been develop, and should not be, until we have tried this a while and have worked out details.

Question and discussion:

- This process looks great, but it does not fit with the guideline that we send any funds above \$5000.00 to NWAS. A proposal will be made in new business to address this.
- We need to look at our definition of "earmarked funds". The suggestion not to earmark funds applies to the collection of funds. It was not indented to prevent budgeting and saving.

Colorado Regional Service Committee of Narcotics Anonymous
Minutes Denver, CO
July 19, 2009

- How do we address the budget structure we recently added to the guidelines as this process is in direct conflict with that.
- It is critical that the RCMS inform their Areas so that the whole fellowship is aware of their opportunities and avenue of input into the CRSC budget before the September assembly
- RCMs should find out their Area's financial expectations and direction for the CRSC budget.
- Should put the budget input and discussion at the beginning of the Assembly.

July 18, 2009

Our work on the Professional Symposium is moving along slow but sure. We are looking at dates from October 28th thru November 19th to hold this. We have decided to hold this on a Tuesday, Wednesday, or Thursday so as to get as much participation as possible. We are currently in the process of the hotel decision based on the information that we have gathered from the hotels. That decision should be complete within a week and then we can book the hotel and request NA World participation. I was able to speak with someone from World PR and she was able to give me a lot of useful information on different agenda's for this type of a symposium. I am planning on attending some PR workshops at the world convention as well as touching base with this woman there so as to gain as much insight as possible on this type of event.

I would like to request that all RCM's please let your Area PI chairs know that we do have a regional PI Meeting which is listed on the website that is here for all Area PI chairs to discuss issues or share successes so that no one has to reinvent the wheel. I would love to have them participate in our meetings as well as support us in this symposium because it will include professionals from the entire state of Colorado. Our next meeting dates are as follows:

August 1, 2009 1:00-3:00 pm
September 12, 2009 1:00- 3:00pm

Both of these will be held at:

Englewood Library
1000 Englewood Pkwy
Englewood, CO 80110

REPORT FROM H&I: by Terry C

CRSCNA H&I SUBCOMMITTEE REPORT REGIONAL ASSEMBLY July 19, 2009

The H&I Subcommittee met on June 27th with the attendance of the following H&I chairs- Dawn from Off The Wall, Jerri Ann from Pikes Peak along with their Vice Chair Veta F., and Michelle W. represented Mile High Area. Todd T. the Boulder H&I Chair was moving so he could not be in attendance but gave a verbal report. I want to thank all the area H&I Chairs for participating on a Regional level to carry our message to those incarcerated you guys ROCK! We had a very productive meeting and I am so grateful once again to Dawn for stepping up as our new secretary- as we now officially have minutes!!!!

We are focusing on carrying our message into LaVista Women's Correctional Facility and San Carlos Men's Correctional Facility both located in Pueblo. So if you are here today and can help with that, which includes obtaining DOC clearance, please see me after the meeting. Since the facilities are located in the Southern Area, we really need the RCM's for Pikes Peak to announce this at their area. Pikes Peak is the closest fully functioning area to the facilities. I participated with the PR Regional Subcommittee in the NA Learning Days on July 11th in Pueblo. We had 2 men and one woman from Pueblo volunteer to get DOC clearance and help. It is really a necessity at this point, to get clearance, as there is a current "NA" meeting going in with volunteers from AA. So please Pikes Peak Area we need your help ASAP! I was able to drop off 2 of the H&I Literature/Meeting Books that we have developed to both of the prisons in Pueblo while I was there. I am also going to obtain clearance myself by attending a 4 hour facility training so I can attend one of the current "NA" meetings. We also have a need for women in the Boulder area to go into Boulder and Adams County jails.

In the Off the Wall Area they are putting together a Unity Learning Days on Saturday August 22nd and they will be having an H&I training. So anyone interested is invited to attend.

We also talked about forming H&I Regional Guidelines which will consist of drawing from all the current H&I Area Guidelines. This will be a lengthy process with hope of completion by Regional Assembly in April 2010.

We announced in May that H&I have been contacted to set up contacts between NA and newcomers from treatment facilities. We have decided to create a 12th Step List of volunteers who would be willing to take a newcomer to a meeting throughout our region. Since this involves giving out your personal phone number and either meeting a newcomer at the meeting or taking another addict to pick them up and drive them, we are asking for a year clean time requirement of at least one of the addicts. I know that Pikes Peak Area has the same idea and they are currently starting a 12 Step Contact List since there is such a need to carry the message of Narcotics Anonymous. The newcomer is the most important person at any meeting so please let's all step up to this way of introducing our message. Again I am honored to be apart of the solution through the efforts of PR and the H&I Subcommittee.

REPORT OF THE INCORPORATION AD HOC: by Chuck, read by Tawni

Incorp Adhoc Report

Sorry for not being able to be there in person. I had to travel out of state for work this weekend.

Next meeting is 8/1 after the PI meeting at the Englewood Library. Will discuss setting up the corporation, reviewing the SOP's and reviewing the changes needed to the CRCNA and CRSC guidelines. Can someone send me word copies of the CRCNA and CRSC guidelines for editing purposes?

REPORT OF THE PR AD HOC: by Linda

TO: COLORADO REGIONAL SERVICE COMMITTEE

FROM: LINDA L., CHAIR OF PR ADHOC COMMITTEE

DATE: July 19, 2009

SUBJECT: REPORT OF ACTIVITIES

Before I begin my report I would like to thank Don T. for his invaluable work with PR, me and the CRSC Regional meeting list. I would also like to thank Brenda, Don, Terry, Bob, Joann, Mac, and Kurt (from PPASC) for their incredible work with the addicts from Southern on 7/11/09. These addicts picked up the ball I had to drop due to a family funeral and did a splendid job helping Pueblo look at possible futures for their Area. Great Job all of you!!!

Since the last formal report to the CRSC (3/22/08) this adhoc has done the following:

- ~ Our proposal (**attached**)- The Proposal attached to these minutes needs to be taken back to your Areas/Groups since it has been added to the agenda for the September Regional Assembly. There is an Additional Information Sheet that clarifies this Proposal. This additional info is located in the minutes for the CRSC of 3/22/09.
- ~ PR Questionnaire: Has been removed from the CRSC website and is no longer being distributed during road trips as it is no longer relevant.
- ~ Road trips: (See CRSC PR Road Trips Contact Log – **attached**)
- ~ Budget for Adhoc: none developed, as this is an adhoc. However, I am asking for \$150.00 needed by Don T (made out to Don T.) for his costs in developing and utilization of the Virtual Meetings for PR (GoToMyMeetings.com).

OTHER:

Colorado Regional Service Committee of Narcotics Anonymous
Minutes Denver, CO
July 19, 2009

~ We have been fascinated with the results of Don's work and the PR Virtual meetings. We are in total support of his proposal concerning Virtual Meetings.

~ We are beginning work on the vision of OutReach and Fellowship Development under the umbrella of PR.....

NEXT MEETING is **SUNDAY, August 16, 2009 @ noon – 2p @ the P S Miller Library in Castle Rock**

Thank you for letting me be of service.

Hugs,

Linda L., Chair - CRSC PR Adhoc Committee

Question and discussion:

- Please be sure the GSR have discussed and are ready to vote on the PR subcommittee proposal listed below.
- Road log was amended as discussed, removed all "(with area)" and last sentence clause, second sentence of the Results section for the Primary Purpose group.

CRSC PROPOSAL FORM

PROPOSAL:

The PR Adhoc Committee proposes that a PR (Public Relations) Committee be formed in the CRSC as a sub-body.

Administration and coordination of the functions of this Committee will be through a Coordinator elected by the CRSC.

Subcommittees to PR - including but not limited to existing (Web, H&I and PI) and others as needed and/or as requested by the CRSC. These subcommittees shall continue to function with Chairs elected by the CRSC and perform according to any NAWS Handbooks/Guidelines as pertinent along with CRSC approved Guidelines.

INTENT:

The intent of the Proposal is to umbrella existing, needed and possible future subcommittees into one sub-body of the CRSC for the purposes of coordination, facilitation of budgeting, and ease of archives: reports/records/tracking activities.

Colorado Regional Service Committee of Narcotics Anonymous
Minutes Denver, CO
July 19, 2009

WE (the PR Adhoc Committee) also believe that a PR Committee of the CRSC will create the interrelated and interconnected responses to better serve the Colorado NA Fellowship, the general public and professionals within the Colorado Region. Financial impact of this proposal would increase only by the needs of the PR Coordinator for copies, meeting space, etc. The majority of the PR budget would occur, as now, through existing or possible CRSC subcommittees included under this flexible service structure. We will be using the 3rd, flexible model explained on page 25 of the PR Handbook.

RCM BOULDER REPORT: by August

We have a lot of vacant position right now; Activities, PI, Web, and Vice Treasurer. Gigi is the new Treasure. We do not have a donation because we want to verify the treasury with the new treasurer first.

We have sent some literature to the ADAMS County Jail. Does that Jail belong to Denver or Boulder Area?

We have some questions about CBDM.

We were uncertain so we budgeted \$65.00 for H&I for one facility. Is that enough?

Question and discussion:

- CBDM information can be found in the CRSC guideline and on NAWS web pages.

Colorado Regional Service Committee of Narcotics Anonymous
Minutes Denver, CO
July 19, 2009

- The Adams County Jail is located in Brighton and the Brighton NA meeting belongs to Boulder Area, so it makes the most sense to have the jail as part of the Boulder H&I
- \$65.00 for one H&I meeting is in line with what MHASC budgets per facility.

RCM REPORT BFE: by Rich and Jarred

The Sterling meeting formats have changed and we would like those changes on the web.

We will be having a picnic on August 15th, the flyer is on the web.

Thursday night's DOA group has a potluck at 6:30

We are still going into the Sterling facility as often as possible. We are working on qualifying more people. They have a strong, independent NA meeting. There is another non-profit group helping the meeting continue until we can get enough people to cover every week.

We skipped the July ASC due to the holiday

Question and discussion:

- The meeting attendance in the area is stable
- Asked if the CRSC could be of any help, just getting plugged into the service structure has been helpful. It just takes time
- They will work with Don to get onto the Zonal Forum web page
- Reminded from the last assembly that the fellowship needs more upfront time as far as location and lodging. We need to get the information out.
- They were given the usual amount to cover Assembly expenses.

RCM REPORT MHA: by Brain

We had our elections in July. Vacant positions are PI, Phone line and GSR Trainer.

Phone line chair will continue until we finalize the switch to a live phone line.

Activities have developed an online listing of all activities in the area. It has been well received.

Franktown is having a learning Days, Aug 1st, 10:00 to 6:00. We have a guest speaker from NAWS, lots of presentations, lunch, dinner and speaker meeting

RCM REPORT MOUNTAIN HIGH: by Reece.

We still do not have an ASC community. We are looking into a Co-op and attaching to an Area with a service community

Groups within the area are growing.

Steamboat has 3 meetings a week

Hayden has 1 meeting a week and going strong

Craig has one meeting a week and going strong

We are hungry for recovery.

Report to region from the Mountains West Area from RCM 1/RCM 2

Well let's get right to it shall we, the Mountains West Area has reformed its Area Service structure effective July 11, 2009. Chair, vice chair, secretary, treasurer, RCM 1, and RCM 2 positions have been filled. This administrative committee was formed in order to facilitate the flow of information through our membership and to develop a mechanism by which we can encourage our membership to get involved.

The service body was formed as a temporary server structure and will take direction from our membership as to the length of our terms and electing a more "permanent" service body. More will be revealed.

On behalf of myself and the rest of our administrative committee, would like to thank Denise and Jerri ann, for their support, dedication, and assistance in facilitating our "learning day". Additionally, the rest of this body, for your financial and spiritual support over the last number of months while we undertook this endeavor.

Our Area will be meeting again in September. Pulmonary discussion about that meeting and a goal for that meeting pertains to groups electing GSR's, and their presence at that meeting. It's been suggested by more than one of our members that another visit from a Regional Service body member, to do some sort of GSR orientation would be greatly appreciated. Again, more will be revealed.

Some meetings continue to struggle, while others flourish and thrive. For instance, on Tuesday, July the 28th, The Vail Valley Candlelight Meeting will be celebrating its second anniversary. They have a speaker from Denver, potluck dinner and celebration planned. A third meeting is now being held in the Vail Valley. That meeting meets on Wednesdays at noon in Nottingham Park, Avon. Additionally, a Sunday night online meeting has been started, and it also is going well. It can be accessed at WWW.NAMWEST.ORG. that's 6:30 PM on Sunday nights. Registering with the website only takes a few moments so come early.

On the note of our website. One of our members took the initiative of developing a website for our area. At our meeting last Saturday we voted to have that be our "official website". There are some exciting and groundbreaking elements to our website, i.e. social networking, online meeting, chat rooms etc. that are being developed. Our local Web servant is working closely with the world service office to develop this website. The response has been quite favorable. They have expressed interest to be "in the loop" regarding its success and development. As they put it "you are paving your own road in rural recovery". We will of course keep the region up to date on the development of that website and its effectiveness. (Marion, to add additional comment)

Question and discussion:

- Marion and Don will work together to merge the two website
- Many thanks to SU Area for their support of the Rifle meeting. They have been traveling in a group to visit this meeting.

RCM REPORT OTW: by Shawn

Meeting Changes

There were meeting address changes on our online meeting schedule. Other than that there were no significant changes in our meetings since the last area

Activities-

Clean Serene Freaks is hosting its annual Poker Run, July 25th at 10am. It is at 102 E. 3rd Street, Loveland.

Suggested donation is \$10.00 or \$16.00 for a couple

Area is hosting flag football on July 19th at 10am

Area is also hosting a bike ride July 26th at 3:00pm. Starting at Gibs Bagels on Shield and Drake in Fort Collins.

This is a free event

Unity Day , Aug 22 in Greeley is a picnic and learning days. \$5.00 pre purchase tickets, \$7.00 at the event

Open positions-

We currently have the Literature position open, Mike M is still fulfilling the duties as needed until a Chair or Vice Chair is found

We also currently have the position of Vice Chair open. Karen left office at the end of her term

Other News-

We currently have our newsletter available on the area web site

It was brought up at area that the meeting list on Region's web site was not up to date. I did check it out this morning and everything looks updated using links to our area meeting list. So thanks for doing that

We did not have an area meeting in July so there is not a whole lot to report.

Thanks for letting me be of service

RCM REPORT PPASC 1: report by Steven

Pikes Peak Area RCM report

July 19, 2009

Hi everyone, great to be here today, for some reason it seems like a long time since I have given a report for you. The Pikes Peak area has met twice since the regional assembly held in May, and other than preparing for the convention in October, it has been pretty much business as usual for our area. Let me begin my report with saying that I am happy to announce the addition of our new RCM-2 for the Pikes Peak Area, Kathleen A. I believe Kathleen will be a great addition to the regional meetings, and I look forward to working with her throughout the rest of my term as RCM.

Colorado Regional Service Committee of Narcotics Anonymous
Minutes Denver, CO
July 19, 2009

The Pikes Peak area Public Relations and H&I subcommittees have been working closely over the last several months toward the planning of a Learning days event to be held on September 19th somewhere in the Springs Area but the location of the learning day event has yet to be determined. I will make sure, when the location is determined, to add the information to the regional calendar. The annual Pikes Peak H&I / PR learning day event always includes some kind of fun activity, and this year the subcommittee is planning a family feud style game, mock panel presentation, and Potluck to keep everyone entertained.

The Pikes Peak H&I subcommittee is also in the process of putting together a current list of addicts from around our area who are willing to participate in 12 step calls. This action sprang from a recognized need for this service through our phonline volunteers. Since the "12 step call" is almost a lost art, the volunteers will be given a 12 step orientation and the list of volunteers will be available for phonline volunteers that may need assistance with getting addicts to a meeting.

H&I has also brought to my attention, and I don't think this has even been announced at the area yet, the opening of a new DETOX facility in the Pikes Peak area. The city's old DETOX facility lost funding in January and had to close. From the information I have received, this new forty bed facility is scheduled to open around October 26th. The subcommittee at this point sees no difficulty in getting NA meetings in to the patients in this new facility, but I will keep everyone posted if I hear anything new and different.

Currently the Pikes peak area is still looking to fill our Activities chair position, but even without that area position being filled, we have still been able to have a couple of fun activities for our local fellowship this summer and we hope to have this area position filled soon. We have also been informed that our area Vice-Chair, Mark M. and his family, are moving out of state, so we will be looking for a new Vice-Chair soon.

Our Area did recently experience some miscommunication with our associated Pueblo meeting, Clean and Serene, which led to its inadvertent removal from our area quorum. The meeting has since explained their desire to remain a part of the Pikes Peak area. At this time, honoring the autonomy of individual meetings, the Pikes Peak Area will continue to do what we can to support this meeting until they choose otherwise. It is our great hope that in the future the Southern Area of Narcotics Anonymous will be able to coalesce into a functioning area in its own right, but until that time occurs, as an area many of us feel a duty to the addicts of Clean and Serene to provide them the representation they have requested.

Thanks everyone. I look forward to seeing you all again soon.

In Gratitude

Steven R. Pikes Peak Area RCM

Question and discussion:

- The meeting in Trinidad and Raton have contacted the Region. They may be interested in support from the region until their region can reform.

RCM FROM SERENITY UNLIMITED: report by Michael

RCM SUANA (Serenity Unlimited)

Greetings from Grand Junction. My report will be brief because I was away in Europe this past month (returned yesterday). I was able to attend English-speaking meetings in Paris & I was warmly welcomed. (Invited to lead a discussion meeting at a convention there.) Also found a number of meetings in England. These were spirited & upbeat.

Back home, there is a new open H & I Discussion Meeting in the VAMC in Grand Junction, Mondays, 5:30-6:30 pm. (Bldg 351)

We are looking to start a new H & I Meeting at the Mesa County Jail. Rick R. is setting this up.

Bill A is our new Activities Chair. Bill & his wife Nora are great cooks, hosts, & party planners.

Our most recent ASC Meeting was to have taken place in Delta last Saturday. Further details forthcoming.

Our Area Treasurer's balance is under \$100. We have no funds to contribute here today.

In loving service,

Michael H

Proposal #1: Passed

To disburse to Don T the amount of \$150.00 for the costs he incurred in running the trial of Virtual Meetings for PR Adhoc

Intent: To repay Don's actual costs – does not include his time and efforts. These are costs already paid by don T

Maker: Linda L Chair PR Adhoc

Proposal #2: Passed

Colorado Regional Service Committee of Narcotics Anonymous
Minutes Denver, CO
July 19, 2009

That the CRSC purchase "GoToMyMeeting" application for the use of the Colorado Region, the subcommittees, Area's and Regional Ad-Hoc committees. This purchase would cost no more than \$600.00 and will be purchased on a prepaid credit card

Intent: This software has been in use by the PR ad-hoc subcommittee over the past 3 months. By purchasing this software the Region will enable a more efficient use of our member's resources by allowing meetings over great distances without driving to a "physical location"

Maker: don T Web servant

Question and discussion:

- Any Regional or Area service body could use it
- Individuals need a phone (headset recommended) and computer to join in.
- It will work on dialup, but broadband is better
- There is no limit to the number of meeting we can have
- There is a limit of 15 lines per meeting
- Don is uncertain if we could have more than one meeting at a time
- Web servant would need to coordinate the meetings
- This could open up participation to outlying areas
- Can use PowerPoint or other software on the mediators computer for training and presentations
- There are no guidelines for CRSC use at this time, it would be best to try it for awhile and then develop guidelines
- There is no real need to worry about misuse at this point, all meetings have to be set up by a coordinator
- It is best at this point to call Don for individual training if you want to have a virtual meeting
- The PR adhoc meeting on Sept 13th 11:00 – 12:00 will be using it if you want to try it
- We could have an orientation at an Assembly
- Don looked at freeware and after research determined this will meet our needs best.
- This is not intended to get rid of physical meetings, just supplement them by allowing in those who otherwise could not attend.
- Alaska Region has virtual meetings and then a physical meeting every three months

Proposal #3: Passed

CRCNA timeline approved for creating the convention

Proposal #4: Passed

Intent: To create workshops for CRCNA XXIII

Maker: Tina W CRCNA Chair

Proposal #5: Passed

To approve Marathon Meeting topics for CRCNA XXIII

Intent: To have a meeting place at the convention from the beginning to end of convention

Maker: Tina W CRCNA Chair

Question and discussion:

- Amended to add line 44 GBLTT meeting
- **See Addendum A of the minutes for the 2009 CRCNA timeline**

Colorado Regional Service Committee of Narcotics Anonymous
Minutes Denver, CO
July 19, 2009

Proposal #6: Passed. 1 assent with reservation

To approve budget for CRCNA XXIII

Intent: Move forward with RCNA XXIII

Maker: Tina W CRCNA Chair

Question and discussion:

- Wanted the T-shirt issue resolved before voting on budget –Decision, no T-shirts for H&I, all newcomers will be equal
- It's not that H&I should be under supported, only that there should not be a disparity between newcomers, regardless of where they come from
- Rather spend the money on registration packets for H&I, so that everyone is equal
- The cost of a registration is not just the cost of swag, each participant bears a portion of the overall convention cost
- It was pointed out that CRCNA committee should be free to make these decision
- So Region lets CRCNA know we prefer no special H&I treatment and that all newcomers get a registration packet and a book at the countdown.
- And then there was a lengthy discussion about several line items in the budget. To summarize, the discussion was about the best way to itemize the newcomer fund, H&I and newcomer packets while at the same time respecting Addendum D of the CRCNA guidelines. Points made were:
 - Line items 5 and 110 do not add up correctly
 - Registration will ultimately have to track all these people, put it in their budget
 - The cost of a participant is \$15.00, not just the cost of swag
 - line 110 could be taken out and added to registration
 - Can combined items 802 and 803 and call it registration, then use 810 for newcomer fund income
 - line 110 can not be removed because of Addendum D
- Final Decision:
 - Remove line 802 – there are no Tshirts
 - Move H&I 803 to registration line 608 called H&I registration packets
 - Create registration line 609 called newcomer registration packets
 - line 110 will be renamed Count down books

Proposal #7: Passed for ratification at the September Assembly

To change the CRCNA guideline Article 2 Section B5 to read "CRCNA Administrative Committee Officers (Vice Chair, Treasurer)"

Intent: To bring the CRCNA and CRSC guidelines in sync with each other

Maker: Spence S addict at large

Question and discussion:

- There is a discrepancy between the two sets of guidelines with respect to the CRCNA Secretary attendance at CRSC meetings.
- Even though the Secretary is voted in by Region there is no gain in having that person attend the CRSC meeting.

Proposal #8: Passed

CRCNA would like to purchase a laptop computer for CRCNA business at a price not to exceed \$750.00

Intent: Accountability of funds, budgets and all records from previous years. Software we purchased QuickBooks needs to be on a safe place just for CRCNA business

Colorado Regional Service Committee of Narcotics Anonymous
Minutes Denver, CO
July 19, 2009

Maker: Tina W CRCNA Chair

Question and discussion:

- The laptop is for the Treasures, it does not have to be top line
- Don believes \$750.00 would be ample to run the applications and store documents
- This is a decision the CRCNA committee could make, it does not need Regional approval
- It should be an Administration line item in the CRCNA budget
- Donated computers have not worked that well, in fact spent \$250.00 trying to get the donated one working last year

Proposal #9: Passed for ratification at the September Assembly

That the CRSC guidelines be amended to account for approved budget items. Specifically add to Article 9 section B a #2 CRSC approved budgetary expenses will be considered as funds encumbered and not be counted as part of the \$5000.00 treasury ceiling. These funds will be accounted for at each CRSC and disbursed as necessary for CRSC activities. Any excess funds at the end of the annual cycle will be forwarded to NA World Services at the January RSC.

Intent: To ensure funds for budgeted CRSC expenses and activities are available.

Maker: Don T Treasurer

Second: Tawni C PI Chair

Question and discussion:

- It fits better in the budget process discussed earlier
- This does not mean we only send donations once a year. Any unencumbered funds above the ceiling will automatically be sent and a motion to a donation can be made at any time.
- This allows the Treasurer to hold approved funds in the Regional bank account until needed, which is the best practice.
- It allows an activity to be budgeted once and then monies disbursed as needed, not in bulk.

DISBURSEMENTS:

\$140.00 to SUASC for gas and hotel incurred when snow bound while attempting to get to the April assembly

\$456.00 to RDA advance on air fare, hotel and car rental for the RMZF

\$514.08 to RD advance on air fare and hotel for the RMZF

CLOSING TREASURER REPORT:

Start	\$ 5429.37
in	\$ 540.38
out	\$ 2410.08
subtotal	\$ 3559.67
DONATION TO WORLD	\$ 250.00
Ending balance	\$ 3309.67

DECISIONS MADE:

- Approved the CRCNA XXIII timeline. Budget, Program and Marathon meeting Topics
- Agreed to implement a new budget process starting at the September Assembly
- Added encumbered funds to the budget ceiling
- Approved proposal to synchronize the CRSC and CRCNA guidelines with respect to the CRCNA Secretary

Colorado Regional Service Committee of Narcotics Anonymous
Minutes Denver, CO
July 19, 2009

- Agreed to purchase a laptop for CRCNA Treasurer
- Agreed to purchase GoToMyMeeting software to facilitate virtual service meetings

OPEN DISCUSSION:

CRCNA XXIV location was discussed.

Bid packets should have been distributed before the April Assembly

Since there were no bids then, it will default to the rotation putting it in Grand Jct

This was an oversight from the change in Assembly meeting; bids will be accepted at the next Assembly.

Someone will go through the CRCNA guidelines and look at other inconsistency created by the change in

CRSC guidelines

Not clear who is responsible for changing CRCNA guidelines, probably the CRCNA secretary

It takes some up front time to arrange a convention of this size

We can not put money down on the next convention until funds are returned from this cycle

The Incorporation will help with this in the long term.

We should pull together some notes and suggestion for the BOD regarding these types of issues

The Incorporation will probably not be in full force until CRCNA XXV

Connecting to NA without a computer.

On a recent road trip, a member discovered several issues when trying to find meetings without his computer. Lessons to keep in mind for our Region:

Not all addicts have computer

Staying listed in the local phone book will reach addicts without electronic connections

Naming of Areas without geographic content will make it hard for others trying to find meetings

None of this matters if the meetings lists and phone numbers are not kept current

We do have a process for updating this information, it is the responsibility of members to follow the process
