RD AND RDA ATTENDED BOULDER AREA TO PRESENT CONSENSUS BASED DECISION MAKING FOR QUESTION AND ANSWERS, BOULDER WILL BE IMPLEMENTING ON A TRIAL BASIS

**RDA Report**

I attended Boulder area with the RD to present our findings on consensus decision-making. Boulder was very receptive and will try consensus on a trial basis. Ryan and I have a lot of info on CBDM and the guidelines committee should have all they need to proceed. I also attended the guidelines committee meeting yesterday and I will be attending the Rocky Mountain Zonal Forum.

From: CRCNA 17 Chair / Charlie R.  
Re: Final Report

This is my final report as CRCNA17 chair. It has been a privilege to serve our great Fellowship this year. This has been without a doubt the most challenging and most Fulfilling service position I have undertaken in all my years in NA. I want to express My sincere gratitude to the CRSC and MR Jim Hall for the wonderful support you Gave CRCNA 17 I would like to express my Gratitude and thanks to the members Of the CRCNA 17 subcommittees and chairs as well. They were by far the best Group of people I have ever had the honor to work with in all my years of service to NA a special thanks goes out to WSUC Chair Brian S for His behind the scenes Support as well. CRCNA 17 was a smashing success! We all had a great time. The financial No# As far as profit to the Region are almost complete Tiffany S the CRCNA treasure is here today with a full report. That is al I have for now. I will have a FINAL FINAL report to this Body At the January RSC.

CRCNA TREASURER REPORT –

11/19/03

To: Colorado Region Narcotics Anonymous  
From: CRCNA 17 Chair Treasurer's  
Re: Preliminary

Please see attached Report. I am in the process of finishing all final accounting and will be bringing forth all final numbers in Grand Junction at the RSC. I have brought the Final Merchandise & Registration reports. I am working on the final F&E numbers due to the Chair's relocation.

**The final balance at this time is \$8206.30**

There is an expected income from the Tape Vendor that has not yet been received. All Bills are Paid.

A fair warning that I have numerous guideline changes to be voted on in January as far as the treasury Position. I am going to recommend "A" position. The guidelines state that this position attend all CRCNA meetings, all Rsc Meetings and all F&E events. After doing the position, I Feel changes need to be made.

We can also streamline things at the convention with two people, One to assist Registration and Merchandise, One to count Money, get change, etc. There was too much to do at the time to keep the efficiency needed to be fully accountable.

I am also putting together forms, etc.

I am Grateful to have served under the Chair Charlie AR. And Vice Chair Dave R. and will never forget the experience...

Always in Service,  
Tiffany S.

### AREA REPORTS

### BOULDER -

### Greetings and Salutations from the Boulder Area.

- The Boulder Area earns just enough to pay for its basic needs. There will not be a regional donation of any kind this month.
- Currently there are vice chair and H&I chair position open at the area level. We still have an active H & I subcommittee, just no chair.
- Currently H&I is struggling to get a women's meeting into the Adams county jail, and there seems to be an issue with the Boulder County Jail Women's meeting. Both issues are stemming from our point of communication within Boulder County.
- All other subcommittees are fairing well
- Most meetings in the Boulder Area do seem to be growing, but there are always groups that might struggle for a bit or could use trusted servants.
- We have begun to work our Area meetings as a consensus based decision making process and I hope that the highlighted separation between state and district regional meetings. We have spent some time adjusting our guidelines to reflect this change. And also discussed this change at great length before moving. It should be interesting.

In Loving Service

# MILE HIGH –

## REPORT TO THE COLORADO REGION FROM THE MILE HIGH AREA SCNA

We in the Mile High Area is in the middle of formulating guidelines and we are about half way through. The process is not without its difficulties, however, and some of the Articles seem to be painful for some groups to accept but no area of growth is without some difficulties

The WSUC Bill has been paid and the Area did not incur quite the loss that was anticipated. Our thanks to the WSUC Chair and the other members who successfully negotiated the settlement of the debt the Area owed.

The area has ninety-six meetings on the meeting list and these for the most part are doing well. The area sends a donation to the Region of \$600.00.

In Loving Service  
Bob D. RCM, MHASCNA

### **MHASC Report to CR of NA from RCM2 October 5th, 2003**

RE: Report for October

Hello fellow committee members.

The MHASC Meets the first Sunday of the month at 3500 S. Logan, Denver, CO. at 2:PM.

We have regularly in attendance between 25-40 GSR's.

We are presently reviewing the guidelines for our area as presented by the Adhoc committee. There was very little participation by the GSR's of our MHASC in the writing of these guidelines at the Adhoc committee level, but there seems to be a great amount of controversy over how they were written and what they say. We spent three hours of our meeting reviewing Articles I – V. It may take us another 3-4 months to finish, however, we continue to function and provide services and carry the message of NA.

Our basic services and primary purpose continue to be a priority and we are beginning to meet the needs of the addicts in our Area. In the next two months we have a Mile High Area Service extravaganza scheduled for December 6<sup>th</sup>. We also have a GSR Training Workshop scheduled for November 15<sup>th</sup>, at 10AM at 8085 E. Hampden in Denver. There will be two Thanksgiving day celebrations one on Nov. 24<sup>th</sup> and another on November 27<sup>th</sup>. (see MHASC website events.html for additional information.) (see also flyer)

Our H&I committee is doing a fantastic job of organizing more and more meetings in jails and treatment facilities. They are also sponsoring a Traditions Study on Wednesdays at 7PM at the church at 11<sup>th</sup> and Filmore in Denver.

In loving Service  
Brian S. aka Santa

## PIKES PEAK

**TO: COLORADO REGIONAL SERVICE COMMITTEE**  
**DATE: NOVEMBER 9, 2003**  
**SUBJECT: PIKES PEAK ASC REPORT - LINDA L., RCM**

### Administrative Committee:

Pikes Peak Area is deeply saddened to announce that Miriam F. died a week or so ago. She died clean and she was one of our young (20 yrs old), enthusiastic, service lovin' and vibrant members. She even served the Region working registration at the last CRCNA. She will be missed! We are holding a Memorial Service for her today in the Springs after this meeting. See me for details.

All Admin Committee positions are filled. We welcomed Mary Kay back as RCMA. Several Subcommittee Chair positions (H & I, P I, Phoneline) are either open or about to be open. We have a donation of \$ 739.78.

Pikes Peak Area would like the topic of Southern Area to be brought up under Sharing Forum today! We informed the Regional Chair (Jim) and OutReach (Chuck) at CRCNA about issues in our area concerning Southern. We would appreciate time to talk about this.

And, finally, as the RCM from PPANA ASC, I need direction concerning the new CRSC PROPOSED Guidelines. I received them in the minutes, was ready to copy for all our Groups and workshop them when it was announced that the AdHoc on this was holding another meeting. What exactly is it that we RCM's are to be doing to get our GSR's ready for the Regional Assembly Vote in April?? Also, is everyone aware of the fact the in both the minutes from last CRSC and in document of the Proposed Guidelines for CRSC that Article VI on the CAR is missing. And, for CRCNA Guidelines, were the 2 motions approved in July'03 ever incorporated into the body of the CRCNA Guidelines? I could not find that. Plus Addendum B still as of 11/5/03 appears on website in motion form!

Subcommittees: I have brought the list of our Area's Chairs with information as was discussed at the last CRSC. We therefore need to discuss/coordinate this so appropriate Resource people here at CRSC get this info.

H & I - doing super but as we are a smaller area we desperately need more addicts to do all the panels we get requests for!!

P.I. and Newsletter - open

Literature Stockpile - doing well

Policy - working to up-date current guidelines.

Activities - I have brought flyers for the Day After Thanksgiving Potluck (one of our Area's Group function) on (you guessed it) Friday 11/28/03 and Rock into Winter with Recovery Potluck (another Area Group's function) on 12/14/03. Both of these functions are at 7pm. Our Area Activities Subcommittee is planning it's next event for New Year's Eve. See Pikes Peak Area Activities at [www.nacolorado.org](http://www.nacolorado.org) for further info on all these events.

**I AM A GSR, WHY DO I NEED TO ATTEND A REGIONAL ASSEMBLY**

---

I'm a GSR, why should I attend the Region Assembly

Page 1 of 2

I'm a GSR, why should I attend the Regional Assembly?

The short answer is you should attend the assembly because its part of your job as GSR. Its part of the commitment you agreed to when elected GSR. We all know this isn't a good enough answer.

Here is the longer answer. Attending a Regional Assembly allows a Group Service Representative (GSR) to complete a part of the GSR role/commitment to keep the group linked to discussions being carried on within the service structure.

The decisions made at the World Service Conference are voted on by the members of your groups and carried by you. If your home group's GSR does not attend the assembly, the voice of your group is not heard. GSRs attending the Regional Assembly also vote on all the Regional Committee positions at the Assembly. If you do not attend the Assembly your group has no voice on who will be serving at the Regional level.

Our Second Concept states: "The final responsibility and authority for NA services rests with the NA groups."

The service structure is truly upside down. The members of the groups are the decision makers and are at the top of the service structure. The world level of service is at the bottom of the service structure. The world service conference is directed by the votes at your home group.

Every two years NA holds a World Service Conference. Members of all the regions in the world attend and discuss the pros and cons before voting on issues that can affect the fellowship for years to come. For example: when any changes are made to our Basic Text or new literature comes out, it must be approved by the conference. In other words our groups must approve it. A Conference Agenda Report (CAR) is produced and distributed to all the regions. The CAR has the motions that will be voted on at the next World Service Conference.

A Regional Assembly will be held to take the votes of all the groups in the region. The Regional Assembly can be where the region's group conscience

I'm a GSR, why should I attend the Region Assembly

Page 2 of 2

develops but it takes GSRs of all groups to voice the diverse views and opinions on any given issue. The more input received the better prepared a Regional Delegate is to represent the region at the World Service Conference. We are trying to move to consensus based voting. A consensus is an opinion or position reached by a group as a whole. If we can't come to consensus on an issue than we need to discuss it further until we can come to consensus.

At my home group we ask any new perspective GSR, "Will you attend the Regional Assemblies?" If the answer is no then we will elect someone else who is willing. As a member of my home group that is where my vote is carried. If my GSR doesn't attend the assembly than my vote is lost.
