Greetings Colorado! There is a lot going on!

Aaron and I continue to work on the Professional Day attached to the Zonal Forum being held here in Denver. We will be inviting Treatment Facility Professionals as there seems to be a lack of confidence in sending their clients to NA.

When: Friday July 21 and Saturday July 22.

Please keep in mind that the deadline to reserve a room at the group price is 6/22/17.

WSC Participant Webinar- I was able to attend another webinar for conference participants yesterday to continue discussions on some ideas to make the World Service Conference more efficient by using the time in between conferences and technology to get things done and stay connected. More will be revealed!

Participating in the webinars along with lots of info via emails has certainly expanded and added to the RD/RDA commitments.

News News-

The following is from the March News News. And just FYI, anyone can subscribe to get this or read it online at na.org under Periodicals.

Hello-We need your input and efforts.

- If you have any interest in helping put together service materials for either conventions and events (conventions@na.org) or a local service toolbox (toolbox@na.org), email us to be part of those efforts.
- We also have regular web meetings for members to talk about their efforts doing public relations service, H&I, inmate step writing, and service in rural or isolated places. See www.na.org/webinar for more information.

A special edition of *Guiding Principles* limited to 7,000 hand-numbered copies is now available for \$30 from World Services. The standard paper and hardback versions are still for sale at \$11. The 2017 *JFT* Calendar is now available at a reduced price of \$7. For more info, visit http://www.na.org/admin/include/spaw2/uploads/pdf/catalogs/ProductNewsFlash_Feb17.pdf

Service Materials Project

Service Materials is one of the projects passed at the last World Service Conference. The delegates approved two main focuses for this cycle — a local service toolbox and a set of conventions and events tools. Both of these were highly rated in the *Conference Agenda Report* survey.

We have posted webpages and surveys for both focuses. Please check them out and take a few minutes to complete the surveys if you can. Also please send us any locally developed materials you have and sign up for project updates, including notification of upcoming web meetings.

Convention and Events: Webpage: www.na.org/conventions

Sign up for project updates and send us local materials: conventions@na.org

Local Service Toolbox: Webpage: www.na.org/toolbox

Sign up for project updates and send us local materials: toolbox@na.org

As those of you who were at the Conference or read the 2016 Conference Approval Track material know, we are trying to do more with less money this cycle. A reduced budget for projects may have seemed like a disadvantage at first, but as we have started planning these projects, we have become increasingly excited about the possibilities. We are trying ways to draw in as many interested people as possible from the earliest stages of tool creation—from brainstorming to sending in ideas and tools to reviewing drafts. Please sign up if you are interested.

CRCNA Chair Report May 2017

I am excited to say that we finally have a full CRCNA team. Ian D has stepped up to be the Print and Display Chair. Nellie H had to step down from Hotels Chair for personal reasons. John B from Greeley has filled that position.

We'd like to take the time to thank everyone who supported the 15th Annual CRCNA kickoff Sponsor/Sponsee pancake breakfast. Despite the early time and the snowy weather we had a successful event. Attendance we good and we came in under budget and made a profit.

F&E has been hard at work coming up with events for the remainder of the year. Lakeside will take place June 30. As always we will have tickets to pass out. The addict will pay park admission of \$15.00 and we will receive a portion of the each ticket taken in. We will also be selling food for the evening meal as we have done in the past. We again are asking for people to bring a pot luck dish to share at Lakeside. The cost of the meal will be a \$10.00 donation, as it has been in the past.

On July 29th we will have a day of fun in the sun. We will be going to Pirates Cove Water Park in Englewood. Like Lakeside, we will have tickets to get in, which we will receive a portion from. We will be selling food for the lunch meal along with potluck dishes to share. The cost to get in will be \$15.00 per person. Lunch will be above this price.

F&E also came up with a chance to win opportunity. This includes buying a ticket for \$10.00 to win two free nights at the hotel for the convention. We sold tickets at the breakfast and pulled one ticket at the speaker meeting. In all we sold 46 tickets so we were able to cover the cost of the room and tax and take in a profit. We will be selling a change to win tickets at Lakeside as well. We will pull the winning ticket at Lakeside.

Registration is up and running. Online registration is open and working well. Early bird registration is \$25.00 and will run until June 30, 2017. Please help us push banquet ticket and breakfast tickets. We are contracted for \$9000.00 in food and beverage and the only way we meet this number is in meals. Meals are \$35.00 and \$25.00. If we do not make this amount this is money that we have to take out of profits and the Region receives less money in the end. So your help is greatly appreciated!

Rooms are still available as well. They are \$99.00 plus taxes per night. I know there are people who like to get suites for the weekend. We have not negotiated any suites in the room block. So these rooms do not count in our inventory. As of two weeks ago we only have 85 room nights reserved and we are contracted for 250 room nights.

Convention merchandise is also included with online registration. There are pictures of the merchandise and color options on the CRCNAINFO Facebook page. I would like to reinforce that we will have very limited quantities and choices at the convention. If you were at the breakfast you got a firsthand look at the merchandise and I believe most people were pleased with the prices and quality of what is being offered. I believe we will have these on display again at Lakeside. Convention merchandise will be available for online ordering until the end of September.

We will be presenting this year's CRCNA budget today for your approval during new business. In the spirit of transparency I just want to inform you that there will be a couple of new items we have not seen in the past. There will be a new line item for administrative meeting space as we now have to pay the Englewood Public Library for their meeting space. The second line item that should be a one year only item will be the cost to rent two extra meeting rooms for the convention. Our RFP only stated that we would need 3 workshop rooms and we traditionally always have 4. So therefore we are having to pay a very small room rental and taxes. This has been rectified for the next two years. Therefore this should only be a one year line item.

Our next meeting will be June 17, 2017 which is the 3rd Saturday of the month rather than the 2nd Saturday of the month. We moved our meeting so that we did not conflict with the Regional Campout.

CRRMCO Chair report to CRSCNA

Hi Everybody! Sincerest apologies for the mass absence from the meeting today. Leonard and I had a previous commitment participating in a model train show in Cheyenne this weekend, and Alan remains snowbound in the hills above Central City. Many thanks to Carl for delivering this report today.

The CRRMCO Committee met at the start of the month, and things are coming together nicely for this year's event. We have a logo chosen, and are making t-shirts and a metal camping mug. On the programs end, Jenee T has speakers selected, and some fun activities planned. We are planning to have an open mic at the main campfire following the Friday evening speaker, and are going to reprise last years successful "Dancing in the Dirt" Saturday night. We have purchased a volleyball and net that will be available all weekend, as well as making horse shoes available. There will be a group hike with a meeting on Saturday. We will have a signup board for service opportunities to help with cooking and serving meals, making coffee, and other general campsite needs.

Registration is up and running on the nacolorado website via pay-pal. Early registration through June 1 is \$20 for adults and \$5 for kids. After June 1 onsite registration for adults will be \$25, kids will still be \$5.

We will be having a final pre-campout committee meeting at 1:00 pm Sunday June 4 at 1212 Mariposa.

The current state of the treasury from Alan T:

Starting \$1925 Deposit 160.24 Expenses \$100.66 – tarp and rope \$19.86 – volleyball and net Total 1964.72 In Loving Service

PI COORDINATOR REPORT

Greetings Colorado Region,

I have nothing new to report other than the projects reported at the Assembly and restated in this report are slowly moving forward. I hope to have more to report and show for our next meeting.

Region Public Information (PI) is currently working in conjunction with Regional Public Relations and the Regional Web Servant to bring to fruition the ideas of having PSA's, Audio, Print and Video, available in one place for each of the Areas to access and modify to their own needs via the Colorado Narcotics Anonymous Web Page, Google Drive or One Drive. The vision of sharing Fellowship Developed PSA resources to more readily make available the Who, What & Where of Narcotics Anonymous.

The vision has expanded to encompass the possibilities of having actual PSA's accessible to the public directly from the Colorado Region Web Page. These could include actual PSA audios & videos and/or possible social media options. Pat and Dan might be able to expand on these options.

Currently there are the 4 WSO original video PSA's (We Do Recover, Phone-Booth, Woman Writing & Doorway) uploaded to the Google Colorado Narcotics Anonymous crsnapi@gmail.com Google Drive account. This is a work in process with more input muchly needed and appreciated.

Public Information is considering the possibility and cost of a billboard that could travel around to each of the areas and be edited to provide the areas hotline number considering the costs of Billboards that can be relocated from Area to Area as space comes available. Pricing from Web Page's range from \$75.00 - \$2,500 for a 4-week run. No company has replied to request for quotations of PSA rates.

Best Regards

ILS

Grateful to Serve,

Jerri Ann K., RCM-O

Greetings from Grand Junction and Western Colorado,

Although Jake J. has taken my place as RCM1, he is currently at his grandmother's 90th birthday party, so I am here with our RCM2, Matt, and with Russ, also from our Area. The Serenity Unlimited Area has been experiencing wonderful, inspiring meetings lately, and we have much gratitude for the magic of recovery.

We recently completed a revision of our Area Bylaws so they more accurately guide us in our ASC meetings. We will now have biannual reviews to keep current.

We are currently working on a financial review, using our Area's expenses to create a proactive annual budget. This will mirror the Region's financial management and, indirectly, act as an annual planning tool. The budget will help keep our subcommittees better focused, directed and accountable. Finally, it can reveal weak spots in our service structure, so we can better serve the still suffering addict. Our annual Area campout, Standing on Higher Ground, will take place August 11-13 at the Aspen Trails Campground in Cedaredge.

Our Area makes an effort to regularly attend at least two NA Conventions outside of Colorado. Each year roughly a dozen of us travel together to a beach resort in Florida and to a desert retreat in Palm Springs. Please speak with us if you might want to join in the fun.

In loving service,
Michael and Matt

UPANA

This is Sue. Edgar just got a new job - he started it today - and unfortunately he's scheduled to work all weekend. Therefore, he asked me to email you his regrets that he will be unable to attend Region this Sunday. There currently is no Alternate RCM to attend in his place from our Area.

Hope you have a great weekend and Regional meeting!

Regards,

Sue
