

COLORADO REGIONAL SERVICE
COMMITTEE OF
NARCOTICS ANONYMOUS

GUIDELINES

May 21, 2017

"The boards and committees we do organize, we organize on the basis of need only, using the simplest guidelines possible. We organize them solely to serve us, not to establish a complex governing bureaucracy." (It Works: How and Why, p.193.)

TWELVE CONCEPTS FOR NA SERVICE

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.
2. The final responsibility and authority for NA services rests with NA groups.
3. The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.
10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose, and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

VISION STATEMENT

The Colorado Regional Service Committee of Narcotics Anonymous exists to support our member groups and areas in their effort to carry the message to the addict that still suffers. It is our vision that every addict has the opportunity to find recovery in Narcotics Anonymous regardless of where they live within the Colorado Region. Every member, inspired by the gift of recovery, can experience spiritual growth and fulfillment through service. Honesty, trust, and goodwill are the foundation of our service efforts, all of which rely upon the guidance of a loving Higher Power.

Article 1: Purpose and Objectives

Section A: Purpose

The Colorado Regional Service Committee of Narcotics Anonymous (CRSCNA) was formed simply to pool and develop local service resources that can be used both by groups and areas in better fulfilling their responsibilities. Regional committees support the areas and groups of Colorado in their Public Information, Hospitals and Institutions plus Public Relations efforts. Although CRSCNA members may offer experience, strength, and hope in addition to suggestions, the CRSCNA does not have binding authority over the decisions or activities of any Area or Group within the Region.

Section B: Objectives

This committee is designed to serve by addressing the common needs of its member Areas and Groups.

The objectives of the CRSCNA include, but are not limited to:

- Carry the message of Narcotics Anonymous through the actions of the CRSCNA.
- Help unify and support the Areas and Groups within the Colorado Region through open lines of communication and sharing, thereby assisting them in fulfilling their primary purpose.
- Assist member Areas and Groups with situations and needs outside of the scope of their experience or resources.

- Develops a learning forum for addicts in the Colorado Region. A learning forum will be available to each Area upon request.
- Establish Regional Assemblies to be hosted by the Region.
- Oversees the CRSC standing subcommittees and resource position(s).
- Contribute to the growth of the NA fellowship by participating in the World Service Conference.

Article 2: CRSCNA Meetings

Section A: Schedule and Locations

The CRSC will meet in the Denver Metro area, on the Sunday of the third full weekend of the odd numbered months.

Section B: CRSCNA Members

While any addict is welcome and encouraged to attend and participate in a CRSCNA meeting, the following are considered CRSCNA Members:

1. Up to 2 RCMs per Area.
2. Administrative Committee Officers (Chair, Vice-Chair, Secretary, Treasurer, RD, RDA).
3. Resource Person(s) (Literature)
4. Subcommittee Chairs (PR, H&I, PI, Webservant, and CRCNA)
5. CRCNA Administrative Committee Officers (Vice-Chair and Treasurer)

Section C: General

1. At CRSCNA meetings, the committee will try to get a sense of the needs of the groups and areas within Colorado as well as those of the fellowship worldwide.
2. CRSCNA members will email to the CRSC secretary a copy of their report to be added to the regional minutes.
3. All CRSCNA meetings are non-smoking.
4. CRSCNA and CRCNA guidelines are subject to the approval of the voting members of the Regional Assembly.
5. Amendments can be made to the CRSCNA and CRCNA guidelines as needed at CRSC meetings. Ratification will be required at the next regional assembly.
6. The CRSCNA secretary and sub-committee chairs shall have on hand all current NAWS handbooks as well as current CRSCNA Guidelines.
7. Secretary will provide a copy of the CRSCNA Guidelines to all new members of the CRSC committee as needed. Guidelines can also be found at nacolorado.org.
8. All costs associated with CRSCNA meetings will be the responsibility of the CRSCNA.

9. The agenda for the CRSCNA meeting will be set by the Chairperson and will include an agenda item regarding closing treasurer report and fund flow.
10. CRSCNA will maintain a list on the Colorado Regional Website of all proposals presented at regular CRSCNA meetings and assemblies. The proposals will be posted regardless of the decision of the body. The proposals will be posted as a separate log on the website.

Article 3: Consensus-Based Decision Making

The use of Consensus-Based Decision Making admittedly takes longer to achieve an outcome to an issue (called a proposal). But, the results are understood by all in attendance at a more significant level of comprehension. In addition, any proposal can be easily changed or modified as discussion progresses.

Section A: Consensus-Based Decision Making Process

1. Bring proposals to the CRSC. Formulate clear proposals in advance with as much communication and collaboration as possible to facilitate the consensus-decision process. Facilitator presents the proposal to the CRSC (analogous to the motion in a Robert's Rules process).
2. Maker of the proposal speaks first to the intent.
3. Open up the floor first for clarifying questions about the proposal (not a debate on the merits but a brief session to be sure everyone understands the proposal).
4. Facilitator asks whether anyone has reservations about the proposal. These are heard and they may be answered or the proposal may be tweaked in a manner similar to the "friendly amendment" process in Robert's Rules.
5. Once all reservations have been heard and answered in this way, Facilitator asks, "Do we have consensus?" Participants respond in one of four ways.
 - a. **Assent.** This means that the addict supports the proposal, all things considered. It may not mean that the addict is in agreement with every aspect, that the addict has heard the discussion and has had a chance to participate in the process of finalizing the proposal, and is prepared to support the final proposal. Assent is signified by remaining silent.
 - b. **Assent with Reservations.** This option is not materially different from the Assent option but is included as a way of giving addicts a place to stand when they do not want to object more strongly, but they do want to note that they have reservations. Assent with Reservations is done by the addict raising their hand and simply saying when the facilitator calls on them, "Assent with Reservations." The assumption is that the reservations have been heard already, and the addict is simply noting that they can support the proposal and continue to have these reservations.
 - c. **Stand Aside.** A common misconception about the Stand Aside option is that it is similar to an abstention. It is not. It is more accurate to say it is similar to a "no" vote. It is a statement that the addict does not support the proposal, but the addict's objection is not of the nature or the severity to warrant a block. Should the number of decision making members standing aside reach 10% this

will indicate a proposal too weak to adopt. Discussion should continue to determine if consensus can be reached. A proposal can also be delegated to the Maker of the proposal or an Ad Hoc Committee for reworking.

- d. **Block.** This option is also commonly misunderstood. Given that a proposal can be defeated by a sufficient number of Stand Asides, the Block should be an extremely rare step taken only when a participant honestly believes that one of the Traditions or Concepts is directly violated by this proposal, or some very fundamental moral position of the participant is violated. An addict who blocks must be able to articulate which Tradition or Concept or Spiritual principle fundamental to NA is violated by the proposal.

Section B: World Board Membership Values

The following is reproduced with adaptations and permission was granted to the Colorado Regional Service Committee for its use by NAWS, Fellowship Services, on 5/15/2004. Our primary purposes are those that are embodied in NA's Twelve Steps, Twelve Traditions, and the Twelve Concepts for NA Service.

- We affirm that mutual respect and trust is paramount to the effectiveness of all Colorado Regional Service Committee activities and shall characterize all our interactions and communications.
- We encourage one another to offer our personal views, ideas, dreams, and creativity to all Regional deliberations and projects.
- We are committed to having the courage and vision to take risks by not confining ourselves to preconceived limitations.
- We strive to achieve consensus whenever possible.
- We will not separate ourselves as individuals from the consensus of the Region and will take responsibility for the decisions of the Colorado Regional Service Committee.
- We will focus ourselves upon establishing unity, mutual respect, and trust at the beginning of each meeting.
- We will meet our stated objectives for each meeting.
- Our meetings and breaks will start and stop on time.
- We affirm that Regional issues will be discussed - not personalities.
- We affirm that the Colorado Regional Service Committee discussions and deliberations will be balanced - no one person will dominate our discussions, and everyone will actively participate.
- We agree that only one person will speak at a time, and there will be no side-bar conversations.
- We affirm that action groups (ad hoc committees) will be used at Regional meetings to identify solutions for goals and issues before the Region.

Section C: Colorado Regional Rocky Mountain Camp Out (CRRMCO)

The election for CRRMCO Administrative Committee will take place at the November CRCS meeting.

Section D: Budget

Budget Cycle and Annual Report

- The budget cycle begins and ends at the January CRSC Meeting
- The standing treasurer will give a full verbal and written year-end report.
- All financial transactions at the January CRSC Meeting will be logged under the New Year as not to disrupt the year end report.
- The yearly report will itemize spending for each budgeting body; this includes RD/RDA, PR, CNAC Board and CRSC Administration. It will also include all donations for the year and where they came from.
- There will be a verbal and written report on the current state of funds for the coming year
- Budgeting priority will be given in the following order:
 1. Prudent Reserve
 2. CRSC Administration
 3. CNAC Board
 4. RD/RDA
 5. Public Relations Committee

Budget Presentation and Decision

- Budgets will be prepared and presented at the July CRSC for approval at the September Assembly
- At the September assembly, the proposed subsequent year's budget will be reviewed.
- The proposed budget will be submitted in a three tier priority system. These tiers should be determined based upon figures from the annual trending report.
 - 1 Tier 1 budget proposals will be funded if the CRSC sole source of income is 7th tradition only. This is the base operating level including commitments and Admin contingency.
 - 2 Tier 2 budget proposals will be funded when the CRSC income is 7th tradition funds plus when CRCNA has made a modest profit as agreed upon by the CRSC body at the January CRSC meeting.
 - 3 Tier 3 budget proposals will be funded when the CRSC income is 7th tradition funds plus when CRCNA has been financially successful as agreed upon by the CRSC body at the January CRSC meeting.
- Steps and Schedule:
 - 1 CRSC Admin, RD/RDA, CNAC and PR Subcommittee (combining PI, H&I, etc.) will prepare the tier 1, 2, & 3 proposals for the July

CRSC for decision at the September Assembly. These numbers should be based upon the annual trending report.

- 2 Any NA service body or member may bring a budget recommendation to July CRSC meeting, or the September Assembly.
- 3 An agenda item for budget input and discussion will be added to the September Assembly.
- 4 After discussion, the assembly members will accept/modify the budget proposals.
- 5 The funded tier will be determined by the income of CRCNA. This information will be made available by the January RSC. The annual budget will be finalized at the January CRSC meeting. The CRSC body will determine the Tier for each budgeted body.

Process of accessing, budgeting and reporting of funds

1. Funds will be split into two categories, budgeted and available
 - A. Budgeted funds are the agreed upon expenses based on the Tier set aside for a given budgeted body.
 - These funds are not guaranteed and can be easily put back into the general fund or pulled for another task. The changing of these funds needs approval by CRSC.
 - Encumbered funds are funds set aside for previously agreed obligations (often contracted).
 - a) If there is a fund deficiency in January, then the funds to meet agreed obligations become the first funds set aside.
 - b) Then the term encumbered applies to those funds.
 - c) Funds will be “encumbered” based upon the priority of budgeted body listed in Budget Cycle and Annual Report section of this document.
 - B. Available Funds are funds that are in excess of the CRSC budget and can be used as CRSC deems fit and will be decided at each CRSC meeting.
2. At each CRSC business meeting including assemblies (excluding April) each budgeted body will report on their budget status using the Budget Status Form. Including:
 - What is your budget? (including which items are encumbered) • What funds out of your budget have been spent?
 - What funds remain in your budget?
 - Do you anticipate not using a portion of your budget?
 - Do you need additional funds?
3. Request for additional funds must be presented as a proposal and approved by the CRSC body.
4. Funds will not be reimbursed outside of a service meeting.
5. Receipts for all spent funds must be submitted in a timely fashion to the CRSC or assembly and reported on when reports are given.

Funds available to servants and Areas

1. CRSCNA officers may be reimbursed for expenses for travel on official CRSCNA business. Every effort should be made to carpool with other members whenever possible to avoid the expense to the region. This provision applies to RCM's/GSR's (for regional assemblies only) unless an area is able to pay.
2. Reimbursement of travel is available to RCM's and regional servants that need assistance in attending both CRSC and Assemblies. Prudent use of these funds is always recommended.
 - Reasonable fuel expenses or \$.30 per mile
 - Up to \$90.00 for one night lodging for servants traveling over 100 miles one way.
 - Other requests will be considered on a case by case basis.
3. Areas needing funds to help send GSR's to assemblies should always bring requests to CRSC.
4. Areas needing money for support are always welcome to reach out to the region. An Itemized list with requested amounts and a timeline for use of the funds in a proposal format is best practice.

Donations

- New donations from Areas will be reported in a verbal and written report by the treasurer at
- each CRSC and Assembly.
- Donations from CRCNA will be in a written and verbal report given by the CRCNA treasurer as specified in the CRCNA guidelines.
- 25% of the donation given by CRCNA will be automatically forwarded to World when the funds are formally turned over.
- World donations (apart from the CRCNA donation) from the CRSC will be decided at each service meeting as the body sees fit.

Prudent Reserve

CRSC's will maintain a prudent reserve of \$2000 (to be used for rent, mailbox, storage, insurance, copies, mailing, etc. in the event of an emergency)

Annual Budget Report

- An annual trending report will be provided by the CRSC Treasurer in January.
- Report to include total CRSC income and expenditures for each budgeted body by year for the past 6 years.
- The information is meant to inform the region of spending trends and to help engage the region as a whole on how funds are being used.

Steps and Schedule:

1. CRSC Admin and PR Subcommittee (combining PI, H&I, etc.) will prepare the tier 1, 2, & 3 proposals for the September Assembly. Anyone (ASC's, GSR's, etc.) may bring a budget recommendation to the September assembly.

2. An agenda item for budget input and discussion will be added to the September Assembly.
3. After discussion the assembly members will accept/modify the budget proposals.
4. The funded tier will be determined by the income of CRCNA, this information will be made available by the November RSC. The annual budget will be finalized at the November CRSC meeting making funds available for activities beginning in January.

Article 8: Regional Assemblies

Section A: Time, Date, Location

The Regional Assemblies in April and September will rotate alphabetically to each of the Areas of the Colorado Region. Although Regional Assemblies are sponsored by CRSCNA they are hosted by the areas in which they occur. Regional Assemblies will be open for any addict to attend. The assembly will be held on Saturday 10am to 5pm of the 3rd full weekend of the month. There will be a new GSR/RCM training beginning at 9:30am. Funds for each Regional Assembly shall not exceed \$500. The CRSCNA shall Hold CAR assemblies in Denver (third Saturday of April).

Section B: Collective Conscience of the Colorado Region

One purpose of holding a Regional Assembly (usually in April) shortly before the biennial meeting of the World Service Conference is to bring representatives of NA groups (GSRs) and areas (RCMs) together with the RD and RDA for the purpose of developing a collective conscience concerning issues affecting Narcotics Anonymous worldwide.

We will use Consensus Based Decision Making when making decisions on motions in the Conference Agenda Report (CAR).

The purpose is not merely to tabulate votes on the motions in the Conference Agenda Report (CAR). Open discussion about the CAR motions is more valuable to the RD than a simple "yea" or "nay" vote. It is these discussions which will give the delegate clear indications of the region's collective conscience concerning world issues. And it is these indications that will guide the RD when participating at the World Service Conference.

Section C: Elections

Another purpose of holding a Regional Assembly (usually in April) is to elect members of the CRSCNA administrative committee and standing subcommittee Chairpersons. Only CRSCNA members and GSRs in attendance will cast a vote. Only groups on the most current Regional meeting list or registered with the WSO will be permitted to participate in the voting process, but anyone may participate in the discussion process.

Section D: RD Report from World Service Conference

The main purpose of holding the Regional Assembly in September is to go over the events of the World Service Conference and/or Rocky Mountain Zonal Forum as reported by the RD and RDA.

Article 9: Financial Procedures

The Eleventh Concept states "NA funds are to be used to further our primary purpose, and must be managed responsibly."

Section A: Travel Reimbursements

CRSCNA officers may be reimbursed for expenses for travel on official CRSCNA business. Regular CRSCNA meetings are not included. In the event of a financial hardship, CRSCNA officers may request reimbursement for fuel used to attend the CRSCNA meeting. Every effort should be made to carpool with other members whenever possible to avoid the expense to the region. This provision does not apply to RCM's/GSR's (regional assemblies only) unless an area is unable to pay. The RCM/GSR can submit a proposal to request a reimbursement for fuel expenses incurred while traveling to the CRSCNA/Regional Assembly. It is important that all areas are involved in the regional decision making process. The region will assist any area that is having financial difficulties and is unable to send its representatives to the CRSCNA.

Section B: General Guidelines

1. All monies collected are to be accounted for then deposited in the CRSCNA bank account in two weeks. All automatic disbursements; i.e., Rent, Website, Secretarial, etc. shall be paid one month in advance whenever possible.
2. The PO Box and storage shed will be an automatic disbursement when it occurs. All CRSCNA check disbursements should be made to organizations, businesses, etc. rather than to an individual addict wherever practical and approved by the CRSCNA. No reimbursements will be made without a receipt and/or CRSCNA approval.
3. CRSC approved budgetary expenses will be considered as funds encumbered and not be counted as part of CRSCNA general funds. These funds will be accounted for at each CRSC and disbursed as necessary for CRSC activities.

Section C: The Twelve Steps of Narcotics Anonymous

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.

3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
 4. We made a searching and fearless moral inventory of ourselves.
 5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
 6. We were entirely ready to have God remove all these defects of character.
 7. We humbly asked Him to remove our shortcomings.
 8. We made a list of all persons we had harmed, and became willing to make amends to them all.
 9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
 10. We continued to take personal inventory and when we were wrong promptly admitted it.
 11. We sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
 12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

Section D: The Twelve Traditions of Narcotics Anonymous

1. Our common welfare should come first; personal recovery depends on NA unity.

2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants, they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose—to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.
7. Every NA group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.
