III AREA RCM REPORTS

BOULDER:

Greetings, Salutations and Football on the mind, All is well in the Boulder Area.

There is a Valentines Dance scheduled for the 14th of February. The location has not been determined or announced yet. More will be revealed, check naboulder.org for more information.

A donation of a number of dollars was made to CRSCNA.

In March, all Area Level Service positions will be open for election. The Phone Line is currently open.

This concludes Derek's term as RCM1 for the Boulder Area. He would like to report that, "It's been more fun than shaking a stick at a barrel full of monkeys!" Following a hiatus from service, he will likely return to find some involvement with CRRMCO 2015.

Thank you,

Derek W. BASC RCM I Vanessa R. BASC RCM II

MILE HIGH:

Three of the bigger events that took place in the Mile High Area since region last met were very successful .

The Thanksgiving dinner/speaker meeting that is put on by the Continued Deflation group seems to keep growing. They had to move it to a bigger venue a couple of years ago and seem to fill the bigger venue with no problem. Plenty of food, gratitude and speakers sharing their stories.

On Dec 15th the Three Groups Bringing It/Potluck and Speaker meeting was packed wall to wall. comradery, food and good speakers.

The New Years Eve Bash that was put on by the three areas (Mile High, Off the Wall and Boulder) was also a good time with dinner, speakers, dancing and a celebration of a new year coming in.

Upcoming events for the Mile Area are:

SERENITY UNLIMITED

Greetings from the Western Slope and SUANA,

We are happy to say that Serenity Unlimited is moving smoothly along and our Area meetings reflect the growing strength and harmony we're experiencing.

- Newly elected trusted servants include Matt O. as Area Chair, Jeremy S. as Area Vice Chair, and Jake J. as RCM II.
- Several afternoon meetings were started last fall in Grand Junction, and it looks as if the meetings have taken hold, providing an opportunity for addicts that can't make our evening meetings for one reason or another.
- These meetings are listed on the Regional web page, and we'd like some help from the Web Servant to get our Area page updated as well, as the info on SUANA page is inaccurate.
- H & I:
 - We now have five members cleared for DCC and two for RCC (Delta and Rifle, respectively). We're hoping for help from the Mountains West Area, as two of our five our incapacitated with injury and surgery and won't be able to attend for a while.
 - As Delta is in our Area and we have been committed to that facility for quite a while, that commitment does take precedence fro us.
 - As it stands, the two of us cleared for Rifle can commit to once a month, so we'll be starting the first Friday in February.
- Activities:
 - We had a successful fundraiser for Standing on Higher Ground before Xmas
 - Have another fundraiser for SOHG coming up
 - We also have a Bake Sale coming up to support the Women's Retreat in Buena Vista later this year.
- Our last Area Meeting included the Power Point Presentation of the CAR that Chuck and Jayme put on for us in Denver. We also prepared a large dry erase board for Groups to use in their discussions of the CAR proposals. As our understanding grows, objections to the proposals seem to diminish. We've also had input from long time friends and members on the East Coast that has been helpful.
- We would like the Regions assistance with two issues:

C R S C MEETING MINUTES

January 19, 2014

- We'd like to get a better understanding of how an Area may use the Region's Tax ID number to help defray costs of supplies and materials for fundraisers.
- And, we'd appreciate your experience, strength and hope in addressing a predator problem; specifically, a male with significant clean time hitting on newcomer females and driving them from the rooms. He has been confronted by individuals and the group repeatedly and admonished him, but the behavior continues. We've discussed the options of a restraining order or a call to the police, but these are nuclear options we'd like to avoid unless all else fails. We don't know who his sponsor is, or even if he has one. Currently, women are pairing up, but they can't be there all the time, and the predator is quite cunning. Suggestions would be appreciated.

In Loving Service,
Jake J., RCM II
Michael H., RCM I in absentia

SOUTHERN

Hello to all the members of the regional service committee, RCM's, GSR's, and any member of the fellowship reading this report.

I'm Dan B and I'm very grateful to humbly be of service

Attendance

In the past 3 months we have seen evidence of growth and unity in our ASC meeting! At the November meeting La Junta's Primary Purpose group sent their GSR Dave C. He brought a report that the group is doing well and that he and the addicts in La Junta are excited to be involved. At the December meeting Clean and Serene group sent Dusty. And at the January meeting Canon City's group Common Thread sent Corey S.

Outreach and Unity

Members of the SCANA have been actively making an effort to support other groups in the area. We feel that in order to strengthen unity, relationships must be formed.

Two addicts from our service body took a trip to La Junta to support Primary purpose.

Unity in Pueblo has become a priority to the members of SCANA. We are all currently making it a part of our program to attend Clean and Serene regularly. I've been attending once a week and have showed support at two of their group consciences. In November I attended the GC to invite Clean and Serene to feel free to get involved with the SCANA in the events being planned this year. Some discussion took place about CnS about getting involved in the Southern area. Their group is doing very well and growing strong. I applaud them for the work they are doing.

On January 10th Common Thread group held its first group conscience. Miguel M. and myself got there at 8pm to enjoy the open meeting and then we hung around to sit through their business meeting. It's exciting to experience growth and I say great job to the addicts in Canon City. Currently Common Thread has decided to attend both the Pikes Peak and Southern Area service meetings.

PI

New posters for the NA helpline in the Southern area have been printed and distributed amongst the members of SCANA. We have begun to make an effort to start getting them posted in our communities. Plans are in the works for an actual poster drive event.

CRCNA Fundraiser

We have held two brainstorming sessions looking for ideas about what to plan. Currently it looks like we are shooting for a Frisbee golf/bingo tournament to be held at Pueblo City Park sometime toward the end of July or in the month of August. We wish to avoid planning our event at the same time as an already existing CRCNA fundraiser. Before I leave here today I request any help I can receive in determining openings in the schedule. In the process of brainstorming ideas for an event a few questions came up that I think can be answered by this committee or the CRCNA committee. We were looking at possibly holding an event at the Riverwalk in Pueblo. The

C R S C MEETING MINUTES

January 19, 2014

Riverwalk authority offers a discount to non-profit organizations. If we decided to host an event as a CRCNA fundraiser can we use the non-profit info for CRCNA? The Riverwalk authority also requires event insurance on the event that names the riverwalk as being covered. What experience do we have with these kind of situation? Has anyone purchased insurance for an event? The SCANA has decided that we aren't ready to get involved in all that at this time but would like to become informed for the future.

Today's Regional donation: \$30.00

SCANA is supporting itself financially. We have a prudent reserve set aside and funding available to meet our needs and even a little to put into event planning. This truly is a blessing!

It has been my sincere pleasure to be of service to the Southern Area and NA as a whole.

Thank you all

Dan B., Southern Area RCM

IV CHAIR REPORT

Hello Everyone,

I wanted to let everyone know that I am currently looking at a new job in my personal life. My hope is that this will not have an effect on my ability to remain Chair of the region. There is however the chance that an offer will be coming in from outside the state. This will make it very difficult for me to remain Chair. The good news for the region is that I only have 1 ½ left until my term is up. I will keep everyone up to date as soon as I know more.

I also wanted to say thanks to everyone for getting through last region with a true sense of us. I was very grateful to hear from Kyle that things went smooth and that everyone worked together for the conscience of the region. I apologize for being out of town but the trip I had planned was at the tail end of a work trip.

Thank you for letting me be of service,
Shawn H.

VIII RD REPORT

RDA Regional Report January 19, 2014

Greetings CO Region. Since we last met we have had our Zonal forum where we reviewed the CAR and the information was really helpful from our World Board member, Jim. As it comes time for CAR workshops I will make myself available as much as possible to help the Areas. Simply because I live in Southern Colorado I will be happy to handle the workshops for Pikes Peak and Southern, but can help if Chuck needs help in the other Areas. I would like to view the CAR and the power points they are available at www.na.org/conference

I feel like I have a much better understanding of the Service System Project, and the GSFs (group service forums) seem to be, for this addict anyway, a great opportunity for addicts that are interested most in service directly to the groups. I would like to use mocks of the GSFs to help addicts understand the purpose of the GSF and how Areas will benefit from this service opportunity. Maybe these mocks can be done at CAR workshops. It seems to me that for an addict to truly be able to understand the service system changes there must be a good understanding of the difference between what we do now and how this change will impact us in the future. Change is not easy but sometimes it is beneficial and the fellowship decided a few years ago to move in this direction. The World now needs confirmation that we intend to stay on task and move in the direction of the new Service System.

C R S C MEETING MINUTES

January 19, 2014

The Traditions Book Project is also something that I believe would be of interest to some addicts and should potentially be put out to the greater NA community a little more. The opportunity to have input in this new piece of literature is awesome! And simple. 20 minute workshops can be done and target one Tradition at a time. NAWA really wants our experience and ideas for this literature. So if you are interested in doing this at your home group, your area, your service committee meetings or in small groups just let me know and I can show you the basics of the workshops they have made available to us. You can also simply visit www.na.org/traditions And see all of the materials for use in these simple yet helpful workshops.

I know Chuck has a much more detailed report and so I will not belabor this one...have a great day Region!

XI COLORADO REGIONAL CAMP OUT COMMITTEE REPORT

Greetings from your, CRRMCO III campout committee.

Our meeting was both productive and personally educational as I've not served on this committee before. I would like to thank Mike H. your vice chair for his support and efforts to research the background and history of this event. Stephanie C. your secretary for her support and efforts in executing our administrative responsibilities. And of course Vale L. For her support and willingness. She was last year's campout Treas. and has offered to assist us as we move forward, finding a Treas. for CRRMCO III. Her insight and experience with the past campouts was invaluable.

We elected Dave T from the Mountains West Area as our program/activities chair and are excited about having him on our committee, and some the ideas he brought forth. More will be revealed. We are in need of support. As mentioned were looking for a treasure. Additional immediate needs would be a registration chair and at merchandise chair. Please see the flyer being passed around and take some home with you. If you would please.

Were happy to answer any questions you may have. But for more details, please see the attached meeting minutes, or better yet, come to our next meeting, February 8th 12 noon at the Englewood public library. Please note that all meetings

C R S C MEETING MINUTES

January 19, 2014

will not be held there. Some meetings will be held online and another in the mountains late spring.

In loving service,
Alan H.
CRRMCO III chair.

I have collected documentation, remaining unsold merchandise, and banners from the prior year's CRRMCO committee. These have been distributed to the current CRRMCO committee for reference and fundraising. I have been working to connect the current CRRMCO committee with people who have served on the Campout in previous years to draw on their experience.

Thank you for allowing me to server. Mike H.

Subcommittee Elections

- Description of Election and Voting Procedure
 - Questions
 - Count of voting members, 4 voting members
- Elections

Dave T from Mountain's West volunteered for programs and qualified himself. Question, do you feel confident in being able to find speakers for the event. Stated yes, has a fairly big network and willing to reach out if needed. Was asked if it was going to be easy to find speakers that have a clear NA message. Stated yes, including people from out of state. Was asked if Dave's company he works for is the same one discussed during the admin meeting in November. Was stated no, but his business might be able to have things like 25 mountain bikes available at the campsite and also is able to network with other businesses in the community. Dave's business is not directly involved. Clean-time was discussed. Stated he has 18 mo but has been in the program before. Also stated that he is heavily involved in service in the

C R S C MEETING MINUTES

January 19, 2014

Mountain's West Area. A vote was taken. Dave is the new Program Chair!
Still in need of a Merchandise and Registration Chair

New Business

1. Discussion of Working Meeting (timeline) Schedule-

The meeting place was discussed. Was stated that it would be good to work it out so that those in outlying Area's aren't coming to Denver more than once a month. Was also stated that it might be nice to have one of the meetings in the mountains, maybe to help find a new place to hold the campout in the future. Was also stated the maybe there could be some type of "walk-through" like CRCNA does. Was suggested we could meet here at the library and have the following meeting in an online format. The June meeting date was discussed. It was rescheduled for June 14th up n the mountains.

2. Theme and Logo Contest (on reg web site)-

Has there been a flyer been made and put out yet? Was asked if we wanted to do that. Was suggested that we do. Dave volunteered to make the flyer. Discussed what needed to be placed onto the flyer.

3. NA Way Publication Deadline (Date of Event?)-

Mike stated that he will take care of this.

4. Go to Meetings Technology (on reg web site?)

Was discussed

5. Registration brochure / online?

Was asked if this was a PayPal situation similar to CRCNA. Was stated yes.

Was asked if there was a pre-registration amount vs. day-of registration breakdown? Yes there was. Was stated that the Saturday Night Dinner, Sunday Breakfast, and campsite were included in the amount. Pre-reg was \$17, onsite was \$22, and a \$5 for a child under 12. More to be discussed in February. Was stated that we could go ahead and open up registration now, and refine a newer brochure in the future. Was stated that we need to make sure how much this is going to actually cost? The costs were discussed. Some of the cost needs to go toward the cost of using "squares" and PayPal. Decided to stick with \$17 pre-reg, \$22 onsite.

6. Fundraising events ?

Was stated that there have never been any of these before and should be discussed. Was stated that we could try and sell some of the previous campout merchandise. This merch will be disbursed to those in other Area's. The one event we will be at will be at Unity Days. Was stated that we can be at other NA functions as a point of information rather than fundraising and registration. Was stated that we will pay attention to events that are coming up to attend with information.

Action Items

1. Have online registration flyer and online registration ready to go.

XII H&I REPORT

H and I Regional subcommittee met on January 18, 14. DOC requested 50 basic texts.

In regards to advanced funds for last year that ended up being \$12 more than what was allocated, the committee

C R S C MEETING MINUTES

decided to return the \$12 at the next regional meeting.

The new budget was discussed as well as employing go-to-meetings. We have an account and hope that in Feb people can participate via the web.

The year-end report from last year is attached. We have not heard from Pikes Peak or from Grand Junction, so the numbers are still the same.

H and I chair has very little literature inventory stockpiled (see lit inventory attached).

We have also spent a large portion of our literature budget already (see attached budget report). DOC

Some literature was sent to Steamboat Springs for their jail meeting.
