

COLORADO REGIONAL MEETING MINUTES
November 22, 2015

ITEMS TO TAKE TO YOUR AREA:

- OFF THE WALL: Fun Addicts is hosting their quarterly potluck on Dec 13th starting at 6pm, speakers at 7pm at 220 E Oak Street
- PIKES PEAK: CAR workshop for February 21 at 2 pm
- RD AND RDA: Zonal forum on December 4th & 5th in Utah
- ELECTIONS: CRRMCO has Chair, Secretary and Treasurer positions to be filled.

I OPENING ITEMS

- The meeting started at 10:05 am.
- Birthdays were recognized:
- Roll Call:

RCMs:

- Boulder: Greg G. RCM 1 Present; Olivia S. RCM 2 Absent
- B.F.E.: Both RCM positions OPEN
- Mile High: Brendan C. RCM 1 Absent, Brett RCM 2 Present
- Mountains West: Both RCM positions are OPEN
- Off the Wall: James R. RCM 1 Present; John K. RCM 2 Present
- Pikes Peak: Erin J-E RCM 1 Present; RCM 2 OPEN
- Serenity Unlimited: Michael H. RCM 1 Present; Jake RCM 2 Present
- Southern: Dana W. RCM 1 Present; Karen A. RCM 2 Present

ADMINISTRATIVE COMMITTEE:

- Chair: Kyle A. Present
- Vice Chair: Ray L. Present
- Secretary: Anna H. Present
- Treasurer: Tink, Present
- RD: Jayme S. Present
- RDA: Tawni C. Present
- CNAC Board: Chuck C. Absent

CRCNAXXIX:

- Chair: Mike P. Present
- Vice Chair: Bruce B. Present
- Treasurer: Greg G. Present

CRCNA XXX

- Chair: Bruce B. Present
- Vice Chair: Jim M. Present
- Treasurer: Don O. Absent

SUBCOMMITTEES:

COLORADO REGIONAL MEETING MINUTES

November 22, 2015

PI: Patty A. Absent
 H&I: Gene S. Present
 PR: Dan B. Present
 Web Servant: Pat H. Present

AD-HOC:

Voting Review: Ray L. Present

II AREA RCM REPORTS

BOULDER

NO REPORT SUBMITTED

H&I chair asked about Boulder contact person for H&I. Greg asked about activities chairs for Off the Wall and Mile High for the tri-annual new years event.

MILE HIGH:

NO REPORT SUBMITTED

MOUNTAINS WEST

NO REPORT SUBMITTED

OFF THE WALL:

We have the following events coming up: The area is hosting Thanksgiving Marathon meetings Nov 26th from 10am to 10pm at 1208 W Elizabeth in Fort Collins. Dinner served at 3pm. Fun Addicts is hosting their quarterly potluck on Dec 13th starting at 6pm, speakers at 7pm at 220 E Oak Street. The Area has currently switched its hotline phone provider to google voice, we are working on a spreadsheet to list local crisis numbers to be available if need be. We held phone line training and had 6 show up. We are looking into creating an Off the Wall Area Facebook invite only page for fellowship use. We are currently serving 7 facilities for H&I. We had a large group of about 10 meetings move, the Live Group now meets at 102 E 3rd street. John B is our new H&I chair. We have a \$250 donation.

PIKES PEAK:

Good afternoon. Pikes Peak is doing well. The GSRs are still meeting and having a monthly GSF. Some of our meetings have slowed down; in fact, we have had a couple close. The men's meeting will now meet on Sunday at 6 pm beginning December 6. The Area is financially below our prudent reserve, but our obligations are being met at this time. Elections will be held next month for all positions, except mine, we did not have volunteers or nominations for Treasurer, Secretary, RCM II, Literature, PR Chair, or CRCNA Liaison. Hopefully we will have some members step up for service in our area. We have scheduled our CAR workshop for February 21 at 2 pm.

We have our annual Thank-a-thon happening on Thanksgiving. It will be Thanksgiving Day from 9 am to 9 pm at 1110 E. Fillmore in Colorado Springs. There will be meetings on every odd hour, the Activities subcommittee is providing breakfast, turkey, and ham, and asking for potluck for the rest of the food. There is also a talent show from 4 pm to 7 pm. Activities is also hosting a fundraiser for the Women's Retreat on New Year's Eve at 2221 N. Wahsatch Avenue in Colorado Springs. There will be a ziti dinner and bingo. \$10 will get dinner and bingo. Dinner is at 6:30, a meeting at 7:30, and bingo to follow. WRCNA III is in need of a Work Crew Coordinator, Print & Display Chair, Web Servant and an F&E Chair, all have a clean time requirement of 3 years. Although hosted by Sisters in Recovery of Pikes Peak along with two other groups the committee currently meets in Denver.

SERENITY UNLIMITED :

Neither Michael H. nor Jake J. can be here today because of holiday travel and/or family commitments, but we hope you all are well and looking forward to a Happy Thanksgiving.

COLORADO REGIONAL MEETING MINUTES

November 22, 2015

Serenity Unlimited is doing well as a whole, but there is room for improvement on all fronts. We did have three DOC volunteers recertify and one new volunteer train. We have three more interested and applications are being filed soon. We were able to increase our meetings in Rifle to every other week, and we have permission to include women on our panels.

The Monticello, UT meeting is thriving and their community seems to be happy with the impact NA is making there. The Group is still trying to make inroads to the jail system.

Montrose is still viable but desperately needs support, like all smaller, isolated communities.

Our Delta group's meetings have been small but regular – in fact, they've been in the same place at the same time for more than twenty years.

The Grand Junction groups are doing well with lots of participation and growth – personal and as groups.

I've sent the closing financials from the September Regional Assembly to Tink, but I'll reiterate for you. The cost of the church basement was \$75 and the receipt for that was enclosed, as was a return check of \$83.66 – the amount left over from the \$250 advanced for refreshments. Receipts for \$166.34 also included.

SOUTHERN:

Hello to all the members of the regional service committee, RCM's, GSR's, and any member of the fellowship reading this report.

Groups in our area

Common Thread has meetings Mon – Sun at various times. Some members had an NA booth at a community event with a good turnout. Additionally PI and group events are doing well for common thread and they may host our next area meeting January.

Peace of Freedom has meetings Tue and Sat 7-8pm, average attendance of 7 and reports a little decline in attendance and members.

“Addicts in the Attic” meets Thursday and Sun and has closed its women's meeting.

Southside Survivors has moved meeting locations to 305 Broadway Ave. in Pueblo. They hold meetings every day at various times. Additionally, members have been carrying the message to some facilities and students in Pueblo as well as making contacts for possible future outreach.

Literature

The SCANA has continued the effort to create a library of literature to be available for groups that show up wishing to purchase items to take back to their meetings. Currently, the Area's literature library is ordering 150% of each order placed. After some discussion, we decided that a member would be allowed to organize trends for needs and keep the SCANA literature library in stock according to group needs. So far it has worked well.

Positions

-We still have a couple open positions in the Southern Area. We have a temporary treasurer, a vacancy for PR, and an open H&I Chair. However, we Elected Ken from Common Thread as area Chair.

Treasury Report

The SCANA continues to be fully self-supporting with almost \$400 in both our checking and prudent reserve accounts.

Noteworthy

Our Area has had two separate discussions on the topic of who should get a vote at Region. After bringing this item to the groups and back to the area we realize we may need some more information about how this would benefit or hurt the regional body. However, More than that, several of our groups don't give a shit about who does and who doesn't have a vote here at region. They just don't seem to have any interest in the subject. So if there is any input as to how or why this proposal is important to home group members and how to share that in a loving way please and thank you.

COLORADO REGIONAL MEETING MINUTES
November 22, 2015

III CHAIR REPORT

Welcome to the November regional assembly of narcotics anonymous. I would like to express my gratitude to the CRCNA committee for putting together an incredible convention this year. This convention seemed to have fresh new ideas that didn't impede on nostalgic nature of the convention. Thank you all for your service.

Last month I met with Ray L. and started the process of transferring all of the regional files that he will need to fulfill his position. We realized that the previous vice chair had not updated the regional guidelines while she was in the position. I combed through the minutes over the last year and a half and provided Ray with all of the changes that I was aware of. We would like to have the most recent version of the guidelines to be included in the minutes to make sure that nothing was missed.

request to put newest guidelines in minutes, let us know if any changes missed in guidelines

IV VICE-CHAIR REPORT

NO REPORT SUBMITTED

V SECRETARY REPORT

I APOLOGIZE FOR THE MINUTES BEING LATE LAST MONTH. I HAVE BEEN HAVING ISSUES WITH MY DEPRESSION AND UNFORTUNATELY IT AFFECTS ALL AREAS OF MY LIFE. I AM DOING BETTER AND IT SHOULDN'T BE AFFECTING ME ANYMORE. PLEASE MAKE SURE YOU SUBMIT YOUR REPORTS, I DID NOT RECEIVE VERY MANY IN SEPTEMBER.

VI OPENING CRSC TREASURER REPORT

Table with financial data including Area Donations Total, Group Donations Total, Donations Total, Other Income Total, Administration Total, Regional Delegate Team Total, Other Expenses Total, and Ending Balance - September 19, 2015.

COLORADO REGIONAL MEETING MINUTES

November 22, 2015

VII RD REPORT

There really is not much to report at this time from Tawni and I.

We will be attending the Zonal Forum in Utah the first weekend of December to receive and review the CAR. Conference Agenda Report.

I will be submitting my receipts for reimbursement for the Airfare and Hotel today. Tawni may also. We stayed within our budget for these.

After we return from Utah we will begin preparing for the CAR Workshops in your AREAS. I have already tentatively scheduled Boulder's, Pikes Peak Area's and I think we will likely be invited to Off The Wall the second Saturday of February. Although if they need or want a different time that would be ok too.

I have a request that we please do these workshops on Sundays. That just works best for me because of a regular conflict in my Saturday night schedule. I can make the Saturday in Ft Collins work, and I understand there will likely be a weekend in Serenity Unlimited. No worries on either of these.

So, we need to work on scheduling dates for Off The Wall, Serenity Unlimited, Mile Hi and Southern at this point. Keep in mind that the CAT, Conference Agenda Track will not be out until the end of January so workshops will not happen until February and March.

VIII RDA REPORT

I look forward to the upcoming Zonal forum on December 4th & 5th in Utah in which we will go over the CAR report which is due out this week. I am requesting my flight cost of \$233.20 for this trip today with a receipt. I look forward to doing the CAR workshops with Jayme for all of the areas at the beginning of the year.

CRCNA was a great event and I do appreciate the availability for Jayme to inform our region on what is coming up in this conference cycle.

Thank you for letting me be of service!

IX CNAC REPORT

NO REPORT SUBMITTED

X CRCNA XXIX REPORT

CHAIR

CRCNA 29 is officially in the rear view mirror. I have received a ton of feedback, a vast majority of which has been very positive. Greg will present the numbers as we have them so far but I do know that we will not have finals until the January CRSC. We do still need to pay the taxes, which is historically the last bill we pay.

We went into this convention cycle with some philosophies and visions. This committee did the best we could to address some of the feedback, both positive and negative, that have been expressed about the convention. We made a commitment not to fall into old ideas and patterns that have not worked the past few years while still doing what we could to honor historical considerations.

I was so blessed to have had such an amazing committee to serve with. Our Administrative committee is where it all began. We met prior to the first meeting to talk about our ideas. It was amazing how we all seemed to buy in to the same goals, while each bringing our own individual flare. Bruce may be the hardest working trusted servant I have ever worked with. He drove many miles to go to a ton of subcommittee meeting through the entire cycle. We spent hours on the phone

COLORADO REGIONAL MEETING MINUTES

November 22, 2015

(oftentimes, him talking me away from the edge of the cliff). We could not have been any luckier having a secretary with as much service experience as Ray has. Having chaired multiple convention committees he was such a valuable source of information. I have had the opportunity to serve with Greg on the past 3 CRCNA committees. Between his level head, computer skills and diligence in service, I knew he would be an amazing treasurer and I was not disappointed. I have also had the opportunity to serve on several service committees with Don, our Vice Treasurer and his contributions were amazing. Don stepped up in a big way at the actual convention helping with all of our financial chaos.

We were also very fortunate to have a solid group of liaisons. It makes things so much easier when we have a consistent group of people contributing. Joann, Vanessa, Cathy and Ty were there through the entire process and it helped so much.

Hotel

I have received amazing feedback about the hotel. It was a treat to work with the hotel staff and Coy and her committee did an amazing job putting all of the pieces in place for us to have a quality facility for the convention. I did receive some constructive criticism about running out of food on Sunday morning. It came 3rd person, so I did not talk to the actual addict but I hope they stuck around for 5 to 10 minutes because we did have more food prepared.

P&D

Adam, our print and display chair did a fabulous job with preparing flyers, registration forms, signage and the program. We were very fortunate to have found a vendor that is much cheaper than some of the prices we have paid in the past for printing.

Web and info

There likely is not a more qualified person to have done the web and information than Autumn. She made some changes to the website, making the position much easier moving forward. Changes to the site will not require near the amount of writing code as it has in the past.

H&I

Ryan came in to the position late. H&I was the only position that we had turnover this year. When Ryan took over, we come to realize quickly that we were pretty far behind. In spite of being behind, Ryan and his committee were able to contact all of the facilities and we had 187 H&I registrations! There was also some amazing work done by some amazing people to pull off the miracle of us having 2 inmates from the Denver Women's Correctional Facility attend our convention for a few hours! Terry C. and Gene were very instrumental in helping pull this off and the Sunday morning call in with correctional facilities all across the state.

Registration

Michelle and her amazing committee were on point the entire time. We heard feedback from RCMs last year that CRCNA, at times, felt like it was all about the swag. We made a decision to try for less in the registration bags. There were a few small complaints that we received during the convention, but nothing that seemed to indicate that anyone was too upset about it. The fiscally conservative approach taken by the registration committee is a big reason why we are showing some decent numbers. We had the following number of registrations.

Registrations: 589

Newcomer packages: 70

H&I Registrations: 187

Total Registrations: 846

Programs

I have gotten amazing feedback about the program. I have heard positive comments about the workshops topics and speakers. There was a concern brought to my attention that all 3 of the main speakers were all male. I personally attended the Programs meeting when the main speakers were chosen. When the vote was all male, Jim rose the question of whether it was an issue. There were some very strong women on that committee and the consensus was that they had an obligation to choose the best speakers and they felt they had done that.

Fundraising and entertainment

COLORADO REGIONAL MEETING MINUTES

November 22, 2015

Enough cannot be said for the successes of the CRCNA 29 F&E committee. The entire year, there was only one event that was in the red, which is the lowest I have ever seen. Vale told me from the very beginning that they really wanted to try some new things. This is one of the biggest areas where we were cautious not to repeat some of the same things that cost the convention and ultimately the fellowship money in the past. The F&E committee was committed from the start to try new things. Along with just having the new ideas, they put in the footwork to make these ideas a reality. The entertainment at the convention was a big area where some of those changes came to fruition. It was expressed to me by some that the talent showcase, silent disco, poker tournament and prom offered a variety of different entertainment options and really felt like something new and exciting. We did receive some feedback that people wished those events did not have to overlap one another. We would have loved to have had the time slots available to offer all of these things to everyone. It is impossible to do so with such limited time and working around the program. One of the things that presented issues again this year was co-hosting events with Areas. It has been my experience that it sounds great in theory but application usually presents issues with communication, doubling of our services and establishing a true point of accountability. Our one event that was in the red was forced to move up a month because another event that was co-hosted with an area was moved back because of the facility rental; which was done by the area outside of the F&E committee's control.

There were 1100 chairs in the room Saturday night. When I got up there and saw that all were filled and there were addicts sitting on the floor or standing as well, I was at one of the biggest points of gratitude. I cannot thank this body and the fellowship enough for trusting me to chair CRCNA. 10 years ago, I couldn't get a front on a \$10.00 bag and I got the chance to help organize an event of this nature. This program works! I would be going into my 6th year coming to the CRSC. This has been one of the places that I have grown up in my recovery. I have forged relationships that are some of the strongest in my life here. I will be here in January to close the CRCNA 29 chapter but the focus will have already shifted to CRCNA 30. Thank you all for allowing me to serve!

VICE CHAIR

TREASURER

ATTACHMENT 1 – THIS IS NOT THE FINAL REPORT, THE FINAL WILL BE SUBMITTED IN JANUARY

XI CRCNA XXX REPORT

CHAIR

My name is Bruce and I'm an addict, Before I start reporting on CRCNA 30 I want to just say that CRCNA 29 Rocked!!!

At our October planning committee meeting we filled all of the subcommittee chair positions and as this body knows all of the admin positions were filled at the assembly. So as of today we have a complete committee. I would like to state there is a lot of CRCNA experience and clean time on our committees. We have started some preliminary work and our first planning committee meeting will be held on December 12 at 11 am at the Englewood Public Library in the Perrin Room. We will meet the second Saturday of each month at the Englewood Library, with the exception of August which will be a hotel Walkthrough at the Doubletree in Colorado Springs. These meeting times and dates have already been added to the regional Calendar (Thank You Vanessa). I have also forwarded a copy of these dates with my report.

I would like to announce that with the CRCNA guideline changes there are some critical date changes. One will be the breakfast, it will now be held in March as opposed to April. That will mean we are moving the cutoff date for the Theme & Logo submission up to February 1st. This date is generally April 1st. This is two months earlier than the past. I have brought some flyers for the Theme & Logo submission so please take a few and announce at your areas.

Although I don't think it is a huge deal I feel it would be appropriate to get the revised CRCNA Guidelines Marked

TREASURER
 NO REPORT SUBMITTED

XII H&I REPORT

First of all, I would like to thank the CRCNA committee for putting up a great convention. I am grateful to have been a part of it and I had a lot of fun.

Our H&I Workshop was successful and well attended. We had two inmates from Denver Women’s Correctional Facility share their experiences with recovery inside the walls. The guard also shared his experience with our fellowship. His message was powerful and well received. As a result of these inspirational stories we had 18 new members sign up for H&I service. The list was distributed to area H&I chairs.

In my efforts to update the Colorado Region list of H&I facilities I have the following information:

Off the Wall Area: 8 facilities, 19 meetings a month, 25 service members
 Southern Colorado Area: 1 facility, 2 meetings a month, 2 service members
 Pikes Peak Area: 4 facilities, 8 meetings a month, 25 service members
 Serenity Unlimited Area: 2 facilities, 5 meetings a month, 5 service members
 DOC: 9 facilities, 27 meetings a month, 52 service members
 Still need information from:
 Bring Freedom East Area
 Boulder Area
 Mile High Area
 Mountains West Area

Announcements:

I would like to ask this body for guidance on a project that I have in mind. This project was suggested to me and has been successful in other regions. The project has been named in other areas as “Project Primary Purpose”. In the ballpark, we

COLORADO REGIONAL MEETING MINUTES

November 22, 2015

would sell T-shirts and buy a Basic Text for an inmate with every T-shirt sold. What I have in mind is starting with a prototype of about 10 T-shirts and having these prototypes displayed in different parts of our region. Members would then preorder their T-shirts. I have been in contact with Michael H. who helped me with an idea of the cost. Of course, it will depend on the quantity, but even at a small quantity of 10 T-shirts per order we will come very close to buying a Basic Text with the proceeds. The price of a T-shirt would be \$20. The start up cost of the project would be about \$150. We could ask this body for the start up cost, or we could do an H&I fundraiser to raise \$150. I would like some guidance on how to proceed with this. Questions/concerns are welcome.

Goals:

1. Compile current regional data for all of the facilities we serve and the number of volunteers available
2. Assemble H&I Regional Subcommittee. Anyone with H&I experience who would be willing to step up as vice chair would be more than welcome. I could really use some experience and guidance.
3. Personal commitment to H&I service.
4. This is probably not an immediate goal, but I would like to increase our presence in Colorado hospitals.

How does region feel about selling t-shirts to get money for books for inmates. Jayme has info of someone in Nebraska that Gene could contact about getting started. Where is Gene headed with the discussion today? Probably need a proposal to start setting up. What about marketing? Are area chairs in favor of this? It is significant that we go back to areas to see how the body feels. Would like to see a more cohesive proposal to take to areas.

XIII PI Report

NO REPORT SUBMITTED.

XIV PR REPORT

This last 2 months have been very busy. Here are some of the points of action that have happened recently.

There was a PI booth at a community resource day held at the local Neighbor Works in Pueblo. Volunteers made contact with 21 people and collected contact info from 5 Professionals. There was also a PI booth at a Drug-a-thon held in Penrose. I haven't received any details concerning this event except that it was a success. I Provided these booths with the left over literature from this years State Fair booth. There is still a lot of literature left over and I have brought it with me today to hand over to the PI chair for future use. Also the southern area has been putting a great effort into PR and have delivered current meeting list to many of the institutions dealing with the addict in pueblo.

I had a great time at CRCNA. The PR PI and H&I workshops went really well. I showed up ready and willing with a plan that fell through as soon as I got there. However, as usual, I reached out for support and am very pleased with the way things went. I think the Jeopardy game at the PI workshop was a lot of fun. Between the PR and PI workshops I came home with very valuable info. I see a real need for support to DOC in the Southern Area. I also learned a little about what I think are some key topics for discussion and planning in the near future. It seems like there is a real desire for PSA announcements. It also seems like we need a Regional phone line in order to make PSA's work. I believe that it's in our best interest that we find a viable solution that will make it possible for areas to keep their existing phone lines. I plan on checking into technology that could use GPS location from the incoming phone number to route the call to the appropriate phone line. If this technology doesn't exist yet I feel that it's not far from being a reality. I would like to thank everyone that was involved in the H&I workshop. This year we actually had women brought from a facility to attend and this sparked a beautiful experience. The workshop was standing room only. I really feel the connections I made with other addicts interested and involved in PR at CRCNA will prove to be the most valuable thing I left the Westin with.

I have received all of the Literature and supplies that Tawni had from the F&D efforts. This is a substantial amount of resources and I'm not exactly sure what I can use it for. I spoke with an addict from Sugar City two weeks ago. I encouraged

COLORADO REGIONAL MEETING MINUTES
November 22, 2015

her to try to start that meeting back up and would like to use some of this literature to get her a meeting starter pack. I need to inventory this literature and report exactly what I have the next time we meet. I would really appreciate feedback as to what these resources can be used for.

I have begun following up on the professional contacts that we made at the State Fair this year. I'm far from being done. I've made 3 phone calls. One number was no longer in service. I left a message at another. The third call resulted in a request for southern area meeting schedules to be sent to a case manager at the DSS office in Pueblo Co. She plans on passing these lists out amongst her co-workers to help their clients find NA. I have more work to do and need to verify resources available before I reach out to some of the contacts. I will keep you informed about the outcome of this work.

We held a PR Phone conference yesterday November 21 at 10am. We discussed the needs wants and resources available and are working on figuring out how to get things done. For starters we have a plan for our committee meetings. The next Regional PR meeting will be held prior to the next regional meeting at 9am on January 17th. Hopefully we can just meet here at 1212 Mariposa St but if we need to meet somewhere else we will pass that info on as soon as we have it. We would like to meet face to face like that every 4 months with a phone conference in between. The Phone conferences will be held on the Saturday before the regional meetings at 10am and the physical Meetings would be held just before the regional meetings. According to guidelines all PR sub-committee chairs should attend these meetings. I'm trying to establish communications with any area PR chairs so that I can invite them to attend as well.

I'm really looking forward to the possibilities of this service position. I believe that we are capable of accomplishing great things in the years to come.

XV WEBMASTER REPORT
NO REPORT SUBMITTED

Areas need to have their online meeting lists up to date in order for region to have them up to date. Input on what to do with activities calendar. Can talk to Ray about fixing it. Talk to webservants chairs of each area to get some help. Get webservants on the regional phone list. Have RCMs ask at area for feedback.

XVI AD-HOC REPORT

Should we remove administrative voting rights? We need to be more firm about how we are doing voting. Who are committee chairs representing? We are looking at both of the proposals that had been presented at assembly. Will somebody do an adhoc for Robert's rules and CBDM? We don't have a lot of clarity of what the purpose of this adhoc is, we can either have a proposal or adhoc to split adhoc into CBDM review for guidelines and removing admin voting rights. We will be having 2 adhoc committees. CBDM – Erin J-E appointed as adhoc chair and Remove admin voting rights – Ray L. will remain adhoc chair.

XVII OLD BUSINESS
NO OLD BUSINESS TO REVIEW

XVIII ELECTIONS

- CRRMCO CHAIR – DEREK W. NOMINATED, REFUSED NOMINATION
- CRRMCO VICE CHAIR – DEREK W. NOMINATED, QUALIFIED AND VOTED IN
- CRRMCO SECRETARY – NO NOMINATIONS OR VOLUNTEERS
- CRRMCO TREASURER – NO NOMINATIONS OR VOLUNTEERS

XIX NEW BUSINESS

DOC/CRCNA discussion add report to minutes. RCM need to take back to areas that DOC coordinator needs some assistance in processing background checks. Can people pull their own backgrounds? Can CRCNA H&I help out a little more with DOC items. Terry will call Bruce about next year. Add position to guidelines for DOC Coordinator.

COLORADO REGIONAL MEETING MINUTES

November 22, 2015

Discussion on mileage reimbursement from \$.30 to \$.575 a mile. Suggest change in guidelines to use government amount rather than a designated amount. Do a proposal that our mileage will be in guideline with government. There is a difference between work and volunteer mileage, we need to use volunteer. Decide to put business rate rather than volunteer rate.

Open Discussion

Put approval of minutes back on agenda

We forgot to ratify treasurer at assembly, who is in charge of keeping better track of that?

Request in grievance at assembly that we inventory ourselves, we need to start that process. Tawni looked into some materials to do inventory. Proposal will be submitted.

First campout meeting will be January 9th, I will get the information to everyone when decided.

PR is going to try to meet before Region in January 2016 and then every 4 months.

Is there any way to shorten region. We need to have an end time for assembly. We will now have a listed time of 10-5.

Xx PROPOSALS

#1: We do not have consensus

#2: We do not have consensus

#3: Approved, we have consensus

All proposals are attached

XXI ENDING CRSC TREASURER REPORT

Expenditures

#1: Approved, we have consensus, \$69 to Terry C. for DOC expenses

#2: Approved, we have consensus, \$30 to Ray L. for mileage

Donate \$5,000 to world, approved.

Next meeting will be January 17, 2015 at 10am, 1212 Mariposa, Denver, CO
