Strategic Planning Framework

National Zonal Forum

Draft

Purpose

Contribute to the growth of NA in the United States through information sharing and the coordination and collaboration of services.

Function

We will operate in a manner that compliments the services provided by the US Zones, Regions and NAWS and enhances unity and communications

High Priority / Phase 1

Goal: To increase public awareness of NA, how to contact us, and how to get information about recovery of drug addiction throughout all the Regions in the US

1. US Website with basic common PR information
 - a. Assist with updating national BMLT
 - i. Helps NAWS as well
 - b. Public facing first, NA resource second
 - i. Include a way to connect to local resources
 - c. Minimal financial impact
 - i. Webspace can be donated by a service body
 - ii. Domain name would have cost, but can likewise be donated
 - d. Central shared email for each US (Already in progress)
 - i. Clarify responsibility for connecting incoming communications
 1. Slack
 2. Google Groups
 3. Google Drive
 - e. Who
 - i. US Collaboration Web Task Team
 1. One lead / volunteer
 2. Open participation
 3. Possibly utilize mentorship in this process

Goal: Improved access to workshops and training material

1. Coordinate consistent (bi-monthly?) virtual workshops on prioritized topics such as PR 101 Sessions, FD, H&I, Website basics

1. Possibly coordinate with MZ Video Collab Workgroup + NA Virtual Outreach
 - i. Survey fellowship to prioritize topics / needs
2. Who
 - i. US Collaboration Training Task Team
 1. One lead / volunteer
 2. Open participation
 3. Possibly utilize mentorship in this process

Goal: Foster a common understanding of the purpose of Fellowship Development to strengthen our Groups, build our service structure and grow our local NA communities.

1. Fellowship Development Literature
 - a. Fellowship Development in NA pamphlet or bulletin
 - b. Fellowship Development Basics / Handbook?
 - i. Request this task of NAWS?
 - ii. Coordinate with international zones as a task?
 - c. Presenting as an IDT - Workshop for input – develop a session profile
 - i. Definition from PR Handbook
 - ii. Graphics / I.e. - the interconnection and the distinction between outreach
 - d. Who
 - i. US Collaboration FD Literature Task Team
 1. One lead / volunteer
 2. Open participation
 3. Possibly utilize mentorship in this process
 4. They would prioritize the literature / IDT's / etc internally

Lower Priority / Parking Lot – Reexamine / Reprioritize after 6 months

Issue: PR in the US lacks consistency in understanding, presence, and communications.

Goal: To increase public awareness of NA, how to contact us, and how to get information about recovery of drug addiction throughout all the Regions in the US

Approaches:

1. Public Relation coordinators
 - a. Central resource for internal communications for PR requests which is disseminated efficiently and effectively with good follow up.
2. National PSAs
3. Video of PR presentation
 - a. NA a resource in your community presentation video
 - i. Possibly use one that already exists.
 - b. Presenting to professionals' how-to video
4. National phone-line
 - a. Heavy potential financial impact
 - i. \$500/month with heavy usage (estimated)

- ii. Service bodies adopting the national hotline would increase the value / decrease the financial impact
- 5. System for identifying (grading) “mature” (sustainable) service committees

Issue: There is a lack of a common understanding of fellowship development within the US fellowship that contributes to weak, inconsistent internal development and slow external development/growth

Goal: Foster a common understanding of the purpose of Fellowship Development to strengthen our Groups, build our service structure and grow our local NA communities.

Approaches:

- 1. FD inventory tool to evaluate current FD needs and strengths.
- 2. Use data sets of existing meeting information from BLMT or other resources, overlay on top of population density maps. Prioritize FD based on where NA is not. Highlight prison, jails, treatment centers, etc.

Issue: Lack of consistent communication and information accessibility between service bodies and with groups.

Goal: Improve information accessibility between service bodies and with groups.

- 2. A “place” for members to post simple questions and get solutions to service problems.
 - 1. Low resource need
 - 2. Who
 - i. US Collaboration Resource Coordination Task Team
 - 1. One lead / volunteer
 - 2. Open participation
 - 3. Possibly utilize mentorship in this process
- 3. Service material database that is searchable
 - 1. High resource need
 - 2. Who
 - i. US Collaboration Service Database Task Team
 - 1. One lead / volunteer
 - 2. Open participation
 - 3. Possibly utilize mentorship in this process

- 1. Improve communications between service bodies and with groups.

Approaches

- 1. Creating a forum that encourages conversations with neighboring service bodies
 - i. Medium resource need
- 2. Develop and maintain ongoing relationships with near-by service bodies
 - i. This is a goal, not an approach
- 3. Further develop the BMLT tool “Beam”
 - i. High resource need

Collaboration of US Zones – Vision Statement

Through the collaborative efforts of the US Zones of NA, we are inspired in unity to coordinate services of which this collective is uniquely qualified. This collaboration seeks to provide a source of experience and inspiration to share with NA communities, as requested by the US Zones. This assistance will help communities grow critical services to fulfill our primary purpose that no addict seeking recovery from addiction need ever die.

To accomplish this, a collaboration of US Zones will strive to:

- Raise awareness of the zones in the US as positive, reliable, and valuable assets in achieving our primary purpose.
- Provide a national resource that brings consistency and accessibility to communications within the fellowship and with the public in the US.
- Provide internal services and training to US Zones and local NA communities in public relations, fellowship development, technology, and communications.
- Be strategic in its planning and offer project-based resources when requested.
- Energize and stimulate the growth of NA in the United States by enhancing cooperation, coordination, and information sharing.

A collaboration of US Zones will be directly accountable to the zones of the US. It will include the US Zones in its discussions and projects with both regular reporting and active listening. It will strive to be responsive to requests for help from any service body, and closely coordinate and collaborate with the US Zones. We will always remember who we serve and why.

Collaboration of US Zones – Purpose Statement

Zonal Statement

A collaboration of US Zones will strive to improve awareness of our zones as assets to our local service bodies. Identification and utilization of the untapped resources in our zones will come as we share knowledge and our service experience.

Communications Statement

A collaboration of US Zones will strive to act as a national communications hub to enable simple and accessible communications within NA and with the public. This will enable addicts and the public to connect to the recovery, service, and information source in their local community. Whenever people reach out to NA in the US, this collaboration will strive to connect them to an addict, service body, or NA information source.

Technology Statement

A collaboration of US Zones will strive to improve our service efforts through technology. The goal is to enable NA members to work together to leverage technology in creating systems and processes to enhance our ability to reach the addict that still suffers.

PR Statement

A collaboration of US Zones will strive to improve our PR efforts by galvanizing the unity of NA's message within the US. By supporting efforts to nationally interface with the public, we can have a national presence that will validate NA as a resource.

A national PR effort will strive to: (1) address the issues that only a US body can accomplish (2) provide a centralized point of contact, i.e., a website/phoneline to enable the public to better seek us out, (3) assist our fellowship in providing national PSA's (4) Communicate and coordinate information and attendance at national conferences.

Fellowship Development/Outreach Statement

A collaboration of US Zones will strive to improve our Fellowship Development/Outreach efforts by growing NA's presence in isolated communities. We will strive to offer project-based services and mentorship. We will strive to map where NA is not so we can identify where NA services are most needed across the US. All Fellowship Development/Outreach activities will be in collaboration with the local zone.

Accountability Statement

A collaboration of US Zones will be directly accountable to the zones of the US. It will include the US Zones in its discussions and projects with both regular reporting and active listening. It will strive to be responsive to requests for help from any service body, and closely coordinate and collaborate with the US Zones. We will always remember who we serve and why.

Text-to-Give

We have a new way to contribute to World Services. If you text the word **VISION** to the number **801801**, you will get a link that takes you right to our contribution page www.na.org/give. We're trying this new method because it may be more convenient for members in meetings on mobile devices and it's easy to announce in meetings and events.

We have posted a slide about text-to-give for meetings and events in the on-screen resources section of the virtual meetings page: www.na.org/virtual

We will be emailing again this month when we have posted the Interim *Conference Agenda Report* / Conference Approval Track material.

In service,

Invest in Our Vision

Our Seventh Tradition essay in the Basic Text says, We all have to pull together, and in pulling together we learn that we are really part of something greater than ourselves. We hope you'll consider a monthly financial contribution to World Services if you haven't already set one up: www.na.org/contribute

Note: NA.org is transitioning to a new system, your recurring donations may need to be updated.

[Contribute Now \(na.org\)](#)

From The 2010 CAR:

Our hope is that these new self-support pamphlets, *Funding NA Services* and *Money Matters: Self-Support in NA*, will help to change the way the average member thinks about self-support and individual contributions, and to encourage groups to contribute directly to each level of service for a more stable fund flow that better covers the cost of services.

Our Seventh Tradition essay in the Basic Text says:

“We all have to pull together, and in pulling together we learn that we really are part of something greater than ourselves.”

The NA Principle of Self-Support

Copyright © 1987, 1988

“NA membership gave us back our lives. And though the only requirement for NA membership is a desire to stop using, many privileges come with it. With privileges come responsibilities. One of the greatest of these is the privilege and the responsibility of paying our own way—to help NA be self-supporting. In active addiction we were always dependent on others. In recovery we begin to support ourselves, and we support the group that supports us. In doing that we help maintain our newfound dignity and freedom. We also have the privilege of being able to reach out to others with the same help that was offered us....

By allowing us to support NA groups and services, the basket gives us the chance to reach out further than our own two hands could reach alone. We welcome that opportunity—the chance to give back a little of what was so freely given to us.

The paradox of NA recovery—in giving to others we help ourselves. Putting money in the basket is our privilege and our responsibility....

To truly carry out our primary purpose, our groups must behave in a financially responsible way so that we can contribute to the NA message being carried at every service level, in every country, to every addict seeking recovery”.

[narcoticsanonymous](#)

In 1959, NA briefly died out. When NA restarted, what helped it grow was a new-found emphasis on the Traditions. This format from the Architects of Adversity group in 1960 included a reading of the Traditions. It also included this announcement:

We have no dues or fees, but we are self-supporting. We ask newcomers and visitors, please do not contribute. All others are privileged [sic] to contribute if they are able to do so.

You can still hear some version of that announcement in many NA meetings today. Contributing to NA is a way to show our gratitude for the program that saved our lives.

Questions for region:

What is the plan to get the money back to areas to help with phonelines, websites?

Can they purchase a case of soft cover basic texts?

Are we charging too much of individual addicts at large events?

Why are we sitting on any money at all? Why aren't we sending it all to World.

Lyndsay M.

Pikes Peak Area

Hello Fellow addicts!

I'm Dan B. and I'm very grateful to be here today. It's great to serve with you all in our region.

Our area is doing very well. At our March 5th service committee meeting we had 10 GSR's representing our 12 active groups. Our area also has 12 meetings on our schedule that don't send representation to the area. We maintain this list of meetings thru our PR committee. Our Service committee meetings are hybrid meetings. We no longer have an area service office, so we have been rotating our in-person meeting locations between various local venues. 2 months we meet in Colorado Springs locations and on the third month we meet in Pueblo. The next area service meeting will be meeting April 2nd from 1:30 till 4:30pm. We are still hammering out the details on the location so if you are interested in attending please let me know get you the information.

In an audit of our treasury we found a discrepancy that involved a check to this region. The check was never received by the region. Our chairperson reached out to the regional treasurer and I believe the matter has been addressed.

*Against all odds group has a birthday meeting on the last Friday of each month.

*Sacred Ground group reports that the Fort Lyons facility that they meet in is open back up to the public and that they are still seeking speakers. If you interest let me know.

*Serenity Solutions group is starting a 10 minute meditation class every Wednesday night.

*Clean and Serene group is holding an event May 14th. More details will be revealed.

*I'm hosting a CAR/CAT presentation on March 27th from 3 till 5pm at the Manitou Springs library. The Presentation that was given by Aaron and Russ via Zoom is available at nacolorado.org. I will be playing this recording of the presentation. Thanks to the RD and RDA.

*I'm also hosting an assembly event. I will have a room at the Manitou Springs Library where we will meet in person and log on to the Zoom as a group. I will be serving Snacks and refreshments and I'm very optimistic that this will encourage more attendance.

Our Areas guidelines committee is in the process of updating our guidelines regarding CBDM decision making. We are trying to make them fit the idea of CBDM more accurately and more inclusively. Our area would like to see them be made a little easier to understand. This has led to the idea of using Yes and No for voting. Some discussion has been sparked and we're looking to see if we can reach a consensus at the next meeting in April.

Our donation to the region should have been made using Venmo for the amount of \$195.22. We've also donated the same amount to World this month

Hopefully I've covered everything in this report. Please include me in all future correspondence. My Phone number is (719)994-4361. My email is castlecreel73@gmail.com.

Grateful to Serve

Dan B.

Hello everyone my name is Miggy & I'm an addict,

I apologize for my absence but I hope everyone is doing well!! Here is my report for the Serenity Unlimited area! Last week we held our area meeting in Montrose which was a success! Next two months the meeting will be held in Grand Junction. We are also grateful to announce that we have Craig, CO join our area with their new meeting "Easy Does It". This meeting is held on Sundays from 7:30pm-8:30pm at Providence Recovery: 390 Yampa Ave. Craig, CO 81625

We were able to donate the meeting with some literature to help get them started as which they have already received! 🙏 We will also be making a donation of \$100.00-\$200.00 to region! Grateful for that. We are getting a workshop together as well to be held Saturday, April 30th. Time & place are TBD at the moment. The workshop will consist of the topic "Who is missing from the meeting & why?" Super excited to join that! We also discussed eventually having some fun activities/get togethers this summer, one of which will be our Area Event Saturday, June 25th! Time & place are also TBD but will be a potluck style gig. Other than that, I'm grateful to be of service & if you guys have any questions or suggestions on how I can do a better report please let me know! Phone #: 310-430-0592

Thank you & love you guys! 🙏💜

CRCNA meetings are on the second Saturday of each month at 9am. They alternate in-person and online. The in-person meetings have an online option for any who can not attend. The next meeting April 9th will be online (Zoom). Meeting ID: 290 350 0360 Passcode: CRCNARocks <https://us02web.zoom.us/j/2903500360?pwd=TVBrSlF3TEF4QUZORHhaT0NVYk5FUT09>

At our last meeting we elected Ryan B as the Print and Display subcommittee chairperson. The Fundraising and Entertainment subcommittee chairperson position is still open. Please announce that and speak personally to members who you think would be a good fit for that position.

Our CRCNA XXXVI kickoff event will be on Saturday April 23rd from 9am to noon at 8085 E. Hampden Ave, Denver. This is the Sponsor / Sponsee Pancake Breakfast. You can register for the convention at this event and the online registration will launch later that day. CRCNA registration and pre-convention merchandise will also be present at the Unity Day event on March 26th.

Our Theme and Logo contest is seeking your entries. You have until the end of this month, midnight, Thursday March 31st to submit them to crncaweb@nacolorado.org.

The Programs committee is seeking speaker recordings and suggestions. Send them to crncaprograms@nacolorado.org

I am submitting the budget for CRCNA XXXVI for approval today. The total budget is \$\$62,790.50. It is very similar to last year's budget, with the main addition being to F&E to allow some flexibility.

CRRMCO IX Chair Report

We had our monthly committee meeting on 3/12/22.

Registration is open and is available on the Regional website. It's \$35 for adults, \$10 for kids, 3yrs and under are free.

Looking to get approved to set up a booth, at Unity Days to sell registrations. We have received approval to set up at the Sponsor/Sponsee Breakfast.

At the campout we will have a scavenger hunt, spiritual hike, speakers Friday/Saturday nights and a Sunday spiritual speaker. Also, we are looking for suggestions for an out of town speaker for Saturday night. If found, they will not have to pay for their registration.

The camps website looks like there isn't any closures, so we are confident that it will happen this year!

Jonathan F. has stepped up to to be our secretary, with Regions approval. We are still in need of a treasurer.

Currently doing research on merchandise as we don't merch chair yet either. Ideas and more, will be revealed soon.

We are getting closer to the campout and it is going to be an awesome event.

Attached is the flyer, so please get the word out to your areas/groups.

Thank you for allowing me to be of service,

James H.

CRRMCO IX Vice Chair Report

March 20th, 2022

The Committee met and discussed several points. At this time, we still do not have a Treasurer so I will be assuming those responsibilities until we can get one. I do need to get on the bank account and will be making arrangements this week. We finalized a budget for 2022. The total amount increased by \$150 as a result of higher prices we are experiencing right now. We increased food budget by \$300 due to prices and we expect a good turnout. We did drop Merchandise budget \$200 to help due to uncertainties with spending in general. We all agreed to look for merchandise, and things are progressing well.

Thank you

Kevin

WRCNA IX Chair Report

Good Morning

The WRCNA IX is off and running contract is signed below is the email I have received form the facility. I will keep working on this until it is complete.

Thank you for your deposit payment on 3/7/2022. Attached is the invoice for the event and a copy of the payment receipt. We are still working to get the force majeure statement added to our contract, so once I send this contract with the added language, we can collect a signature from there. This year we will be requesting a COI (Certificate of Liability Insurance) from organizations renting with us, so you can send a copy to me via email at any time.

Thank you, Sarah Wadley

We still have a couple of positions open.

1. Secretary Michelle is present to take this position with a vote of confidence from our WRCNA committee.
2. Print & Display please announce

Our kickoff event was well attended in the Boulder area last night thank you Boulder area of NA we appreciate you.

The F & E chair had a request to get help getting the events on the calendar. She reached out for help with no response from the web chair. Is there something wrong with the system? Who is available to help fix this? We just want plenty of time to get information to the fellowship to promote the events to be successful.

Colorado Regions H&I is primarily engaged with working with the Samaritan House. The woman's shelters are run by Catholic sly we are serving two centers with a possibility of a Third.

The DOC seems to be on a standby yet we believe the ability to serve the prisons is opening up in the near future.

Our Areas seem to be positive about various facilities opening up as well.

We met on a Zoom call and discussed the rebuilding of the various areas H&I committees.

Looking forward to creating new enthusiasm for H&I in the Mile High Area at Unity Day.

With new regional email provider, we need to create position-specific addresses and/or roll existing @nacolorado.org accounts to new provider. I will need to contact all servants that have, or should have, a regional email account so that they can be set up or moved. Guidance needed on who should have an account that does not currently have one.

CRRMCO registrations are available on <https://nacolorado.org/members/regional-campout/>

Looking into how to provide a better webstore for CRRMCO, as current regional e-commerce setup is dedicated to WSLD. Working with Chuck to see if we can come up with something that works for both.
