- Issues with Anonymity/Photos Posted without Permission at Events Media Service Pamphlet
 - use “Recovery” instead of NA
 - use closed groups
 - why anonymity is important
 - post signs for permission/make announcements before meetings
- Groups to use Regional Zoom Account
 - need to go to Area then Region
 - only approved Area to use Regional Zoom accounts not Groups due to licensing
 - Region can’t manage Group Zoom accounts
 - see about sharing their Area’s Zoom account
 - Or a group of Groups sharing one—using an individual name not a Group account could cause issues
