CRSCNA Chair Report

20 November 2022

Welcome Everyone to November 2022 Colorado Regional Service Committee meeting.

Thank you all for joining us today especially anyone new to Colorado Regional Service.

I want to start by thanking the CRCNA committee for a fabulous convention! I

received a ton of feedback, and it was all positive. I especially appreciate the thought

and care that went into the program. It was great to hear from several members at

workshops who don't normally share or haven't previously shared at a CRCNA. All the

time, effort, and prayer that went into this convention was evident by the spirit and

unity that I felt. I look forward to it again next year!

Last month we had a discussion about groups using the Regional Zoom account.

After talking through it, it was tabled for discussion with perspective areas. This was

not reflected in the minutes, and we will do so before posting online.

We have a lot to cover today, but I wanted to remind everyone of some upcoming items of business in January

\*CRCNA to provide final financial report

\*WRCNA to provide annual budget for review and approval

I'm hoping we fill some of the open positions at Region today. Our service structure has a few gaps that prevent providing timely service to our members.

In loving service,

Angie R., CRSCNA Chair.

## **Strategic Planning Framework**

### **National Zonal Forum**

#### **Draft**

#### **Purpose**

*Contribute to the growth of NA in the United States through information sharing and the coordination and collaboration of services.*

### Function

*We will operate in a manner that compliments the services provided by the US Zones, Regions and NAWS and enhances unity and communications*

### High Priority / Phase 1

Goal: To increase public awareness of NA, how to contact us, and how to get information about recovery of drug addiction throughout all the Regions in the US

1. US Website with basic common PR information
  - a. Assist with updating national BMLT
    - i. Helps NAWS as well
  - b. Public facing first, NA resource second
    - i. Include a way to connect to local resources
  - c. Minimal financial impact
    - i. Webspace can be donated by a service body
    - ii. Domain name would have cost, but can likewise be donated
  - d. *Central shared email for each US (Already in progress)*
    - i. *Clarify responsibility for connecting incoming communications*
      1. *Slack*
      2. *Google Groups*
      3. *Google Drive*
  - e. Who
    - i. US Collaboration Web Task Team
      1. One lead / volunteer
      2. Open participation
      3. Possibly utilize mentorship in this process

Goal: Improved access to workshops and training material

1. Coordinate consistent (bi-monthly?) virtual workshops on prioritized topics such as PR 101 Sessions, FD, H&I, Website basics
  1. Possibly coordinate with MZ Video Collab Workgroup + NA Virtual Outreach
    - i. Survey fellowship to prioritize topics / needs
  2. Who
    - i. US Collaboration Training Task Team
      1. One lead / volunteer
      2. Open participation
      3. Possibly utilize mentorship in this process

Goal: Foster a common understanding of the purpose of Fellowship Development to strengthen our Groups, build our service structure and grow our local NA communities.

1. Fellowship Development Literature
  - a. Fellowship Development in NA pamphlet or bulletin

- b. Fellowship Development Basics / Handbook?
  - i. Request this task of NAWS?
  - ii. Coordinate with international zones as a task?
- c. Presenting as an IDT - Workshop for input – develop a session profile
  - i. Definition from PR Handbook
  - ii. Graphics / I.e. - the interconnection and the distinction between outreach
- d. Who
  - i. US Collaboration FD Literature Task Team
    - 1. One lead / volunteer
    - 2. Open participation
    - 3. Possibly utilize mentorship in this process
    - 4. They would prioritize the literature / IDT's / etc internally

Lower Priority / Parking Lot – Reexamine / Reprioritize after 6 months

Issue: PR in the US lacks consistency in understanding, presence, and communications.

Goal: To increase public awareness of NA, how to contact us, and how to get information about recovery of drug addiction throughout all the Regions in the US

Approaches:

1. Public Relation coordinators
  - a. Central resource for internal communications for PR requests which is disseminated efficiently and effectively with good follow up.
2. National PSAs
3. Video of PR presentation
  - a. NA a resource in your community presentation video
    - i. Possibly use one that already exists.
  - b. Presenting to professionals' how-to video
4. National phone-line
  - a. Heavy potential financial impact
    - i. \$500/month with heavy usage (estimated)
    - ii. Service bodies adopting the national hotline would increase the value / decrease the financial impact
5. System for identifying (grading) "mature" (sustainable) service committees

Issue: There is a lack of a common understanding of fellowship development within the US fellowship that contributes to weak, inconsistent internal development and slow external development/growth

Goal: Foster a common understanding of the purpose of Fellowship Development to strengthen our Groups, build our service structure and grow our local NA communities.

Approaches:

1. FD inventory tool to evaluate current FD needs and strengths.

2. Use data sets of existing meeting information from BLMT or other resources, overlay on top of population density maps. Prioritize FD based on where NA is not. Highlight prison, jails, treatment centers, etc.

Issue: Lack of consistent communication and information accessibility between service bodies and with groups.

Goal: Improve information accessibility between service bodies and with groups.

2. A “place” for members to post simple questions and get solutions to service problems.
  1. Low resource need
  2. Who
    - i. US Collaboration Resource Coordination Task Team
      1. One lead / volunteer
      2. Open participation
      3. Possibly utilize mentorship in this process
3. Service material database that is searchable
  1. High resource need
  2. Who
    - i. US Collaboration Service Database Task Team
      1. One lead / volunteer
      2. Open participation
      3. Possibly utilize mentorship in this process
1. Improve communications between service bodies and with groups.
 

Approaches

  1. Creating a forum that encourages conversations with neighboring service bodies
    - i. Medium resource need
  2. Develop and maintain ongoing relationships with near-by service bodies
    - i. This is a goal, not an approach
  3. Further develop the BMLT tool “Beam”
    - i. High resource need

### **Collaboration of US Zones – Vision Statement**

Through the collaborative efforts of the US Zones of NA, we are inspired in unity to coordinate services of which this collective is uniquely qualified. This collaboration seeks to provide a source of experience and inspiration to share with NA communities, as requested by the US Zones. This assistance will help communities grow critical services to fulfill our primary purpose that no addict seeking recovery from addiction need ever die.

To accomplish this, a collaboration of US Zones will strive to:

- Raise awareness of the zones in the US as positive, reliable, and valuable assets in achieving our primary purpose.
- Provide a national resource that brings consistency and accessibility to communications within the fellowship and with the public in the US.
- Provide internal services and training to US Zones and local NA communities in public relations, fellowship development, technology, and communications.
- Be strategic in its planning and offer project-based resources when requested.
- Energize and stimulate the growth of NA in the United States by enhancing cooperation, coordination, and information sharing.

A collaboration of US Zones will be directly accountable to the zones of the US. It will include the US Zones in its discussions and projects with both regular reporting and active listening. It will strive to be responsive to requests for help from any service body, and closely coordinate and collaborate with the US Zones. We will always remember who we serve and why.

## **Collaboration of US Zones – Purpose Statement**

### **Zonal Statement**

A collaboration of US Zones will strive to improve awareness of our zones as assets to our local service bodies. Identification and utilization of the untapped resources in our zones will come as we share knowledge and our service experience.

### **Communications Statement**

A collaboration of US Zones will strive to act as a national communications hub to enable simple and accessible communications within NA and with the public. This will enable addicts and the public to connect to the recovery, service, and information source in their local community. Whenever people reach out to NA in the US, this collaboration will strive to connect them to an addict, service body, or NA information source.

### **Technology Statement**

A collaboration of US Zones will strive to improve our service efforts through technology. The goal is to enable NA members to work together to leverage technology in creating systems and processes to enhance our ability to reach the addict that still suffers.

### **PR Statement**

A collaboration of US Zones will strive to improve our PR efforts by galvanizing the unity of NA's message within the US. By supporting efforts to nationally interface with the public, we can have a national presence that will validate NA as a resource.

A national PR effort will strive to: (1) address the issues that only a US body can accomplish (2) provide a centralized point of contact, i.e., a website/phoneline to enable the public to better seek us out, (3) assist our fellowship in providing national PSA's (4) Communicate and coordinate information and attendance at national conferences.

### **Fellowship Development/Outreach Statement**

A collaboration of US Zones will strive to improve our Fellowship Development/Outreach efforts by growing NA's presence in isolated communities. We will strive to offer project-based services and mentorship. We will strive to map where NA is not so we can identify where NA services are most needed across the US. All Fellowship Development/Outreach activities will be in collaboration with the local zone.

### **Accountability Statement**

A collaboration of US Zones will be directly accountable to the zones of the US. It will include the US Zones in its discussions and projects with both regular reporting and active listening. It will strive to be responsive to requests for help from any service body, and closely coordinate and collaborate with the US Zones. We will always remember who we serve and why.

### **Text-to-Give**

We have a new way to contribute to World Services. If you text the word **VISION** to the number **801801**, you will get a link that takes you right to our contribution page [www.na.org/give](http://www.na.org/give). We're trying this new method because it may be more convenient for members in meetings on mobile devices and it's easy to announce in meetings and events.

We have posted a slide about text-to-give for meetings and events in the on-screen resources section of the virtual meetings page: [www.na.org/virtual](http://www.na.org/virtual)

We will be emailing again this month when we have posted the Interim *Conference Agenda Report /* Conference Approval Track material.

In service,  
World Board

## Invest in Our Vision

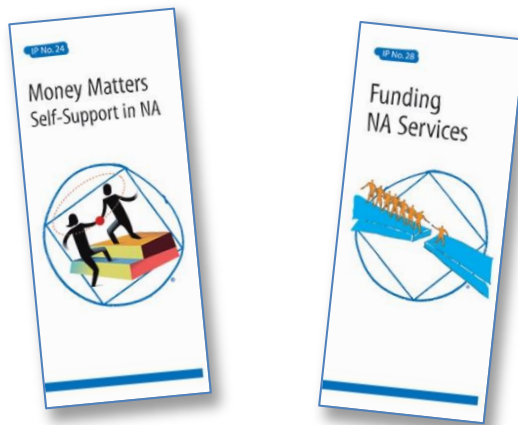

Our Seventh Tradition essay in the Basic Text says, We all have to pull together, and in pulling together we learn that we are really part of something greater than ourselves. We hope you'll consider a monthly financial contribution to World Services if you haven't already set one up: [www.na.org/contribute](http://www.na.org/contribute)

Note: NA.org is transitioning to a new system, your recurring donations may need to be updated.

[Contribute Now \(na.org\)](http://www.na.org/contribute)

### From The 2010 CAR:

Our hope is that these new self-support pamphlets, *Funding NA Services* and *Money Matters: Self-Support in NA*, will help to change the way the average member thinks about self-support and individual contributions, and to encourage groups to contribute directly to each level of service for a more stable fund flow that better covers the cost of services.

### Our Seventh Tradition essay in the Basic Text says:

“We all have to pull together, and in pulling together we learn that we really are part of something greater than ourselves.”

## **The NA Principle of Self-Support**

Copyright © 1987, 1988

“NA membership gave us back our lives. And though the only requirement for NA membership is a desire to stop using, many privileges come with it. With privileges come responsibilities. One of the greatest of these is the privilege and the responsibility of paying our own way—to help NA be self-supporting. In active addiction we were always dependent on others.

In recovery we begin to support ourselves, and we support the group that supports us. In doing that we help maintain our newfound dignity and freedom. We also have the privilege of being able to reach out to others with the same help that was offered us....

By allowing us to support NA groups and services, the basket gives us the chance to reach out further than our own two hands could reach alone. We welcome that opportunity—the chance to give back a little of what was so freely given to us.

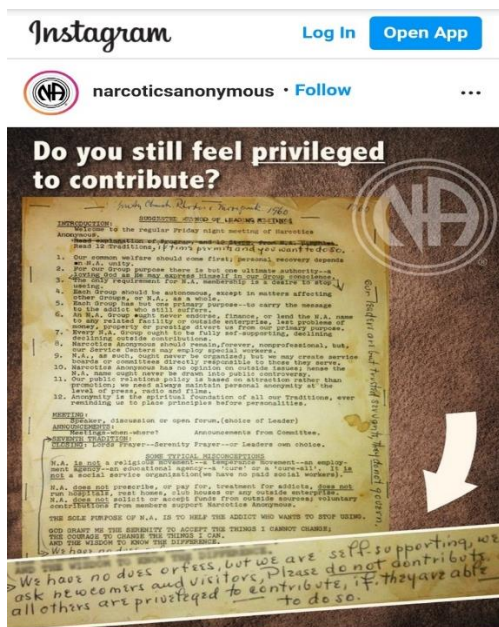

The paradox of NA recovery—in giving to others we help ourselves. Putting money in the basket is our privilege and our responsibility....

To truly carry out our primary purpose, our groups must behave in a financially responsible way so that we can contribute to the NA message being carried at every service level, in every country, to every addict seeking recovery”.

### **Narcotics Anonymous**

In 1959, NA briefly died out. When NA restarted, what helped it grow was a new-found emphasis on the Traditions. This format from the Architects of Adversity group in 1960 included a reading of the Traditions. It also included this announcement:

We have no dues or fees, but we are self-supporting. We ask newcomers and visitors, please do not contribute. All others are privileged [sic] to contribute if they are able to do so. You can still hear some version of that announcement in many NA meetings today. Contributing to NA is a way to show our gratitude for the program that saved our lives.

Hello!

Activities Committee is planning a New Year's Eve event (12/31/22 (7pm-1am).  
Holiday Inn in Lakewood. Tickets will be available by next Area meeting. Celebration,  
dance, and speaker meeting.

PI - New guidelines have been put together. Groups need to review so we can vote on.  
Incorporating PR with PI under that umbrella.

Spiritual Principle A Day books have arrived. We're not able to sell them yet because  
the order forms were not updated but will be available soon.

Area Inventory - looking at an inventory to see what the Area is and isn't doing well  
and how it can serve the groups better. Discussion about what the expectations of the  
RCM's are and what they can do in relation to this inventory.

Meeting lists - We are looking for experience on what other Areas are doing with  
meeting lists. We are hesitant to print lots of meeting lists because details are  
changing so often. Meetings can print their own lists, or they can request them to be  
printed by the web servant (required one week prior to area notification). Some groups  
are requesting that we print meeting lists again, but there is not consensus from the  
groups on what to do. Western Service Learning Day - some discussion of what was  
learned, including:

Ask newcomers to make announcements to keep them engaged

Do not hand out service pamphlets to newcomers

World is working on a service pamphlet on drug replacement therapy

Be of service!

Watch out for talking bad about Area. This perpetuates negative perceptions and  
keeps people away from being of service.

Show up to meetings and carry the message

Co-facilitator and Vice-Treasurer roles are open.

Thanks for letting me be of service.

Hello,

OTW area has decided to change the order of the area agenda in hopes to have GSRs  
attend the entire event. Currently, a lot of GSRs leave at break time and miss the  
majority of voting, old business, and new business.

We also had discussion about meeting lists. PIs idea is to create a generic meeting list  
with area information and a QR code that directs member to the meeting list online.

They PI will still print meeting lists as requested by groups as well as groups being  
able to print their own if they are able.

Hello all,

Good morning and happy Sunday. I hope everyone had a great CRCNA, thank you to  
members who made the convention possible by their hard work. Thank You to all who  
attended our harvest party last month it was a great success with around 100 addicts  
in attendance, thanks to all who worked to make that possible with their service. OTW

area has been meeting in person for the last four months or so and it has been great to see everyone's faces. The area is exploring ways to be of more service to our groups and are looking for member input on ways to improve. Our open positions are Activities Chair and CRCNA Liaison.

Thank You

PPANA RCM-E REPORT to CRSCNA

November 20, 2022

Hello Fellow addicts!

I'm Dan B. and I'm very grateful to be here today. It's great to serve with you all in our region. Our area is carrying on as expected. We are coming up on annual elections and have had some servants step away, but things are moving forward. As happens sometimes we are experiencing some lack of participation in our committees. I've always expressed how service in NA is like herding cats. We currently have 9 groups sending representatives to the area service meetings. We also have 12 meetings listed on our schedule that don't attend our area meetings. Our activities committee has two events scheduled between now and the beginning of 2023. We will be hosting a THANK-A-THON Thanksgiving Day from 11am-7pm. This will be a potluck held at the Biker Church (1318 N Circle Dr. Colorado Springs.). We also will be having our 2nd annual New Year's Eve dance on New Year's Eve. We expect this to happen at the Redeemers Lutheran Church. You can contact me in the future to verify this or check us out on the website. PR is having difficulties getting addicts to attend the committee. On a positive note, we are in the middle of a process of taking meetings into the Federal Prison facility in Florence Co. We had our first orientation, and several addicts are on the way to getting a meeting started. Our next area meeting will take place December 3rd, 2022, at 1:30 pm. It will be Hybrid and if you are interested in attending, please contact me. Our donation to the region should have been made by VENMO. I'm not sure of the amount.

Grateful to Serve

Dan B. RCM (even year)

### **CRCNA XXXVI Chair Report**

CRCNA XXXVI Chair Report 11/20/22

CRCNA XXXVI was a great success. We still have some bookkeeping to do before we submit a final report. Our treasurer should be able to give a hint as to the amount we expect to return to the region. We had a very good turnout and participation from the fellowship. 718 people registered and 153 people participated through H&I. We got a lot of good feedback from the fellowship.

Some of the positive highlights include:

- Grand majority loved ALL speakers
- Loved workshop topics

- Smooth and ease of navigating CRCNA this year
- Lots of Unity and kindness was expressed throughout this year
- Loved interactive workshops - would like to see more
- Loved all the variety in the entertainment
- Lots of folks loved the banquet food

Some of the things people disliked or would like to see change:

- Hospitality room - limited options
- Pizza - folks expressed it wasn't great
- Lack of free coffee (?) the hotel staff was walking around serving free coffee...
- CRCNA at same hotel in same Area
- No drink options - juice, soda etc...
- Folks would like more hoodies and warm weather merch available to purchase As always, I encourage anyone who wants to see a change in the way things happen in NA, that they get involved and be of service. I plan to submit a proposal to update the CRCNA guidelines at the next regional meeting along with my final report. The next CRCNA 36 & 37 Meeting will be on the second Saturday, December 10th, 9am-12pm This will be an in person and zoom meeting held at 1178 Mariposa St, Denver, CO 80204

So far, we have not met as a committee. Some members that want to help got together at CRCNA and we will meet next month. Meeting will be held on the Second Saturday of the month at 10:00am. Meeting will be on zoom unless the committee really wants to meet in person. We will work that out if that becomes true. The campground finally opened for reservations. We have the site reserved for June 9th, 10th, and 11th of JUNE 2023. The price went up a small amount. The total was \$1082. We were holding back our funds to pay for the site and have a final total to turn over to Region. The budget item was for \$900. Next steps are to get meetings going for the committee and get solicitations out for next year's logo. We reused the cancelled campout logo so we

did not have to do that for this year. We still need Vice Chair and secretary for the committee.

Things are going great so far. We have filled all our open service positions. The committee meets the 3<sup>rd</sup> Saturday of every month at 11:30am at the Highlands Ranch Library and on Zoom. We did purchase a zoom account for the committee and subcommittees use. Theme and Logo contest is underway as well as a call for speakers. We are planning on staying at the same location this year so we are expecting a similar contract.

Thanks for letting me be of service!

### **WRCNA X Vice Chair Report**

I don't have much to report. I was able to get all the WRCNA X committee meetings on the regional calendar. It looks like WRCNA IX committee meeting is also on the calendar can we get this removed? The last thing is I did not receive the email with the agenda it looks like my email address is incorrect, who do I reach out to get this corrected?

Final WSLD Report

First, I want to say thank you for allowing me to serve. This was a long commitment and the event finally happened Oct 27-30. Thanks to all who attended. Attendance was not what we hoped. We had some great workshops, and some great things are happening in our efforts to fulfill our primary purpose. Special shout out to Kathleen and all the people that volunteered to shuttle people to and from the airport. Kathleen

managed the team that was handling the rides to/from the airport. Thanks to Zach for all the help with the website. After all the bills have been paid, we have \$2281.06 left in the bank. WSLD guidelines state that the current host of WSLD sends at least \$500 each to the next two WSLD's. I did ask the Colorado Region to hold \$1,000 in case we needed it, but we do not need it. The Alaska Region is next year's host and 2024 has not yet been determined. We would like to propose sending \$1,500 to the Alaska Region and they will handle sending \$500 to the host in 2024. We paid the sales tax of \$150 and will be forwarding the remaining funds of \$568.06 to the Region. Once we complete all of the finance, we will send the completed spreadsheet to CNAC for tax purposes.

DOC coverage is currently in Denver Women's on Saturday afternoon. Certain Men's facilities are opening up in the next few weeks. Will cover in more detail when the prisons when H&I live meetings are taking place. Florence Federal Prison is currently running Background checks on the men and women who participated in the Orientation. Mile High H&I is going strong with coverage in Transitional living facilities, Treatment centers and Detox facilities. The Routt county jail is being covered. Denver jail is still not open. Boulder Area is currently covering the Jail and 2 treatment centers with H&I meetings. I have currently not had a conversation with with the chair of the OTW area, looking forward to talking with the chair soon. Working on some new projects with The Multi Media Regional Chair. Denver Drug Court Zoom meeting is a possibility. Florence is also interested in having a possible exit strategy zoom meeting for Parole. The Veterans hospital and Cedar treatment center are also interested in starting an H&I meeting in both facilities.

CRSCNA Web Chair Report – November 20, 2022

Updated the Colorado BMLT root server to the most current version. The new version adds several new features, please contact me if any questions or for support and best practice guidance. Region gets a lot of requests to add, change or delete meetings. As a reminder, meeting data on the regional site is pulled automatically from BMLT. The

areas are the single point of accountability for adding, changing or removing meetings in the region. When contacted, I will continue to forward meeting change requests to the local area web servants.

### **CNAC Report**

CNAC Report to CRSCNA

November 20, 2022

Colorado Narcotics Anonymous Convention, Inc. (CNAC) held its last Board Meeting on Oct. 15, 2022. We currently have a contract signed for: CRCNA XXXVII November 10-12, 2023. With holiday events coming up (Thanksgiving, New Year's, Valentine's Day), CNAC would be happy to review and/or sign any Contracts or Agreements your Areas or Groups are asked to sign with any facilities or groups. This would take any potential liability away from an individual NA member who would sign the Contract or Agreement. Also, if any of your Groups or Areas are asked for a Certificate of Liability Insurance for any events you are holding, please contact CNAC or the Regional Chair. Just give us the name and address of the facility that is requesting, and we can get a Certificate of Liability Insurance naming the facility in a matter of a few short days. We are currently in the preliminary process of looking at hotels to discuss a three-year contract for CRCNA XXXVIII, CRCNA XXXIX and CRCNA XL (2024-2026). The hotel has to have a Convention Center or ballroom that can seat 1200-1500 people and have reasonable room rates. We already know that there are probably not more than six hotels in the Colorado Region that fit these criteria, but if you have any suggestions, please have your RCM's bring them to the Regional Chair or to CNAC directly so that we could contact and negotiate possible host hotels. CNAC has an open position for a Member at Large and a Vice Chair. For qualifications and nominations, please contact the CNAC Chair directly at [sskatz21@aol.com](mailto:sskatz21@aol.com). The next CNAC Board Meeting will be Saturday January 7th at 9:30 am.

In loving service,

Steve K

CNAC Chair

#### **NA Archives – Teresa K.**

Greetings,

I have not done much on this front. I did talk to Allen and Rosalinda about the archive: They think it would be 2 truckloads to move it (just over 1 truck load) It does not need climate-controlled storage. They would like it moved soon, but can wait until spring if needed. They feel that every five-year display is sufficient, that people get tired of it otherwise. Their concern is that if something happens to them the stuff could get lost in the shuffle, or maybe Rosalinda will sell it on eBay??

On the to do list:

Have a meeting with those who have expressed an interest in this

Secure a storage area. Get a small group of folks, with a truck to get it moved.

Questions I have:

What is the process to arrange for storage? What is the scope of this ad-hoc?

Do we: determine the position that would be responsible for this going forward.

The position responsible for keeping it updated i.e. add stuff from each new year.

Determine the position responsible for setting it up. Determine the cycle of the display

Or not? Something else?

Thanks,

Teresa K.

After some discussion a proposal was passed to move the archives & secure a storage locker in the same location as the Regional storage area. But a separate locker to make sure items don't get damaged and only a limited number of people have access to better preserve the archive items. Nominate a new archivist, develop guidelines, and meet with the CRCNA archives committee to discuss displays in the future. (proposal posted below)
