Regional Chair Report

19 March 2023

Welcome Everyone to March 2023 Colorado Regional Service Committee meeting. Thank you all for joining us today, especially anyone new to Colorado Regional Service.

Thank you to all the groups and committees who've sent event contracts to be signed by CNAC. It is wonderful that we are utilizing our service structure to its fullest and protecting individual NA members from liability. If any of those events need a specific certificate of insurance, please email me at crscnachair@nacolorado.org. It generally takes about a week to obtain.

I'm also happy to report that the bank accounts have been transferred to the correct positions! It has been a journey and CNAC now knows the process to hopefully make this easier in the future.

Additionally, we have a place to host assembly HYBRID! Thank you to Elizabeth and Kathleen for working so diligently to make this happen at the 11th hour. We will be meeting where Mile High has their committee meeting and I've put the flyer on the website and sent to area web servants. Please spread the word that all votes will be required to be placed PRIOR to the meeting using the online form and we will review consensus that our RD's will be taking back to world. There will be quite a few items groups will need to review prior to April Assembly. This includes CRCNA guideline updates, CRMMCO guideline updates, and we will be rotating service positions for all regional subcommittees in April. This includes H&I, PI, PR, and Web. In loving service,

Angie R., CRSCNA Chair

Vice Regional Chair

I have nothing to report since last meeting. Thanks

Matt D

Conference Agenda Report, Survey, and Conference Approval Track

Colorado Region held a CAR/CAT workshop with 2 NA World Board members facilitating on February 18th from 10am to 3:30pm. The WB members were Michael from Tennessee and Hammed from Kuwait. We had members in attendance from Florida, Alabama, Pennsylvania, South Dakota, Arizona, California, along with RCM's, Area Facilitators, and other members from the Colorado Region.

The workshop was very well facilitated and was instrumental in providing the knowledge needed to understand the materials in the report. We extended the workshop time to best cover the CAT and answer questions.

Our member from the Boulder Area compiled a submittable tally sheet for the Region which includes the 25 motions from the CAR along with the CAR Literature Survey. The Literature Survey will be removed the evening of March 31st and submitted to the WSC on April 1st.

The CAT is not attached to the tally sheet. The link to the CAT is the same as the CAR at the top of this report. It includes 6 project plan approval questions, NAWS budget approval, and the 2023 only: terminology for straw poll and vote outcomes for WSC, procedure for CP appeals toward CoFacs, the elimination of abstentions, and how to approach New Idea Discussion.

I have attended 5 CAR workshops, 4 of them included the CAT and have been on several discussion panels where we've gone over the CAT. Russ and I are glad to discuss any questions with your Groups or Areas. There will be a lot of discussion at the WSC about the CAT motions and best practices for Narcotics Anonymous. If you would like, please feel free to email us your input and questions to take to the WSC in regard to the CAT.

- RMZF Future of the WSC recommendation tabled until the conference
- Colorado RMZF July 28-29 2023, location will be announced at the Assembly

MOTIONS				
#	Motion	Yes	No	Abs
#1	<p>To approve adding zonal delegates from seated zones to the Settlor and Trustor of the Fellowship Intellectual Property Trust (FIPT).</p> <p>Maker: World Board</p> <p>Intent: To reflect the decision at WSC 2018 to make delegates from seated zones voting WSC participants and honor the six-month Fellowship review of this proposal that occurred from December 2020 through May 2021.</p> <p>ARTICLE II: PARTIES TO THE TRUST</p> <p>The Fellowship of Narcotics Anonymous, as given voice by its groups through their regional delegates at the World Service Conference (WSC), is the Settlor and the Trustor. The delegates are the representatives elected by the regions and zones seated at the World Service Conference. Narcotics Anonymous World Services, Inc. is the Trustee of the Trust. The Fellowship of Narcotics Anonymous as a whole is the Beneficiary of the Trust.</p> <p>ARTICLE III: IDENTITY OF TRUST PROPERTY</p> <p>The Trust Property includes all recovery literature, trademarks, service marks, copyrights, and all other intellectual property of the Fellowship. From time to time, the Trustor may add to, modify, or delete property from the Trust. All additions made to the Fellowship's recovery literature, trademarks, service marks, copyrights and all other intellectual property by Narcotics Anonymous World Services, Inc. shall additionally be considered property subject to this Trust. However, note that NA service handbooks and other service materials approved by NA's World Service Conference are specifically excluded from the purview of this Trust.</p> <p><i>Recovery literature</i> should be taken to mean any Narcotics Anonymous book, booklet, or pamphlet intended primarily for use by individual NA members or for use or distribution within the context of an NA recovery meeting. Only NA recovery literature is designated as Fellowship Approved. Service materials should be taken to mean those materials intended primarily for use within the context of an NA service board or committee.</p>	Yes	No	Abs
#2	<p>To approve the revisions to the FIPT Operational Rules contained in Addendum B.</p> <p>Maker: World Board</p> <p>Intent: To revise the Operational Rules to reflect discussions at WSC 2018 about the Inspection of Trustee Activities and to reflect current practices, terms, and language.</p> <p>A summary of the proposed changes shown in Addendum B includes:</p> <ul style="list-style-type: none">• A change to the Inspection Clause to reflect discussions at WSC 2018 and clarify that only the WSC can act for the beneficiary—the NA Fellowship as a whole.• Various “housekeeping” edits:<ul style="list-style-type: none">◦ Changes throughout to update the references to WSC Boards and Committees to better reflect our current structure. The FIPT was written before the World Board was created. The suggested language in the proposed revisions describes our current system, not that of 1993.◦ More consistent terminology to refer to the World Service Conference (WSC), Narcotics Anonymous World Services, Inc. (NA World Services).◦ Two edits to Article 4, Section 12: Trustee Reporting Obligation on page 15 to change <i>calendar year</i> to <i>each fiscal year</i> and to add <i>independent</i> to the description of the annual audit.◦ Changing <i>representatives</i>, <i>conference participants</i>, and <i>RDs</i> to <i>delegates</i> throughout. While all of these terms are widely understood in NA, this is a legal document and consistency in terminology is important, and <i>conference participants</i> has no clear legal definition.◦ Correcting errors by adding the word <i>the</i> on page 24 and other edits on pages 15 and 31.◦ A change to the way the Inspection Clause is described on page 37 of the Reader's Notes so that the description reflects the changes suggested to the Inspection Clause itself.	Yes	No	Abs

#3	<p>To approve the revisions to <i>NA Intellectual Property Bulletin #1</i> contained in Addendum D.</p> <p>Maker: World Board</p> <p>Intent: To revise this bulletin so that it provides more direct and clear guidance, and so that it reflects current practices, terms, and language.</p> <p>This bulletin has been largely rewritten. A clean copy of the bulletin with proposed revisions is contained in Addendum C. A copy tracking the proposed changes is included in Addendum D.</p> <p>A summary of the proposed changes to <i>Intellectual Property Bulletin #1</i> includes:</p> <ul style="list-style-type: none"> • Permission would be required to reprint book-length pieces. • Current policy that was not clearly expressed in the bulletin has been added to the text. Groups are only allowed to reproduce currently approved versions of recovery literature, as that is all that NAWS is authorized to publish and distribute, and this permission does not include electronic or online formats. • The introduction has been rewritten and the section on copyright has been moved ahead of the section on trademarks. • Some copyediting changes are suggested, such as using the term <i>policy</i> throughout the document, rather than a mix of <i>policy</i> and <i>guidelines</i>. 	Yes	No	Abs
#4	<p>To acknowledge that an NA meeting that meets regularly in person or virtually can choose to be an NA group if they meet the criteria described in <i>The Group Booklet</i>, including the six points for an NA group, and are consistent with NA philosophy as expressed in our Traditions. (Footnotes will be added to <i>The Group Booklet</i> and GLS, reflecting the decision of the WSC, if this motion passes, and referencing <i>Virtual Meeting Basics</i> as a possible resource.)</p> <p>Maker: World Board</p> <p>Intent: To recognize NA groups that meet virtually, including online and by phone.</p>	Yes	No	Abs
#5	<p>To revise <i>A Vision for NA Service</i>, changing the phrase "his or her own language and culture" to the phrase "their own language and culture." #6	<p>To approve a change to World Services Translation Policy in <i>GWSNA</i> to allow the possibility for up to six locally developed personal stories to be included in translated Sixth Edition Basic Texts, if the stories have first been published in the <i>Little White Book</i> of that language. These stories would be placed in their own section in <i>Our Members Share</i> with the following language preceding them:</p> <p><i>A Vision for NA Service looks forward to a day when addicts around the world have the opportunity to experience our message in their own language and culture. In pursuit of that vision, communities or language groups that have published local stories in the Little White Book may include up to six of those stories in the Basic Text if they choose. These [fill in the number] stories were originally published in the [fill in the language] Little White Book in [fill in the year].</i></p> <p>Maker: World Board</p> <p>Intent: To better reflect our Vision that "every addict in the world has the chance to experience our message in [their] own language and culture . . ." in our primary text.</p>	Yes	No	Abs
#7	<p>To extend the six World Board members' terms currently expiring in 2024 through the end of the upcoming World Service Conference cycle.</p> <p>Maker: World Board</p> <p>Intent: To accommodate the change to the WSC cycle that has already occurred and avoid World Board terms ending in the middle of a conference cycle.</p>	Yes	No	Abs

#8	<p>As a result of the COVID pandemic, to suspend the World Convention of NA (WCNA) rotation policy after 2024, to allow the World Board to determine what is possible and practical moving forward and then seek approval from conference participants.</p> <p>Maker: World Board</p> <p>Intent: Given the disruption in the rotation of WSC and WCNA that has already occurred, the increases in event costs, and the other changes brought about by the pandemic, to allow an evaluation by the World Board and approval by conference participants for what is possible and practical in the future.</p>	Yes	No	Abs
#9	<p>To approve a three-year World Service Conference cycle on a trial basis following WSC 2023 through WSC 2029. Following 2029, the WSC cycle would return to two years, unless another decision is made.</p> <p>Maker: World Board</p> <p>Intent: To put into practice some of what we've learned during the pandemic so that we can shift more resources to work that more directly carries the message. This would bring the WSC resource allocation in line with other changes that have been made in World Services—cuts in staff levels and a 50% reduction in in-person board meetings.</p>	Yes	No	Abs
#10	<p>If Motion 9 is adopted, to approve an interim virtual WSC in the middle of the conference cycle for decisions that are legally necessary and those that conference participants choose to address. As was done in the 2020–2023 cycle, material would be posted on na.org under the same deadline policies as the CAT (90 days prior) and all voting conference participants would be polled to choose the items they wish to address.</p> <p>Maker: World Board</p> <p>Intent: To allow conference participants to address some WSC business between in-person conference meetings.</p>	Yes	No	Abs
#11	<p>If Motion 9 is adopted, to approve a change to the release of the <i>Conference Agenda Report (CAR)</i> to be thirty days earlier than the current policy of 150 days prior to the start of the World Service Conference. The new <i>CAR</i> release day would be 180 days prior to the in-person WSC meeting for English, 150 days for translated versions. The deadline for the finalization of regional and zonal motions would be 270 days. Mile High Area

Hello,

Here is the Mile High Area report:

There will be a Silent Disco April 1, 7p-9:30p. There will be a Memorial Day picnic, details to come. (Flyer in Flyers Area) The Area will be having a Service Carnival 6/3/23. Star Wars day at Colorado Rockies will be 7/29.

Unity Day is not going to be happening this year. Please come to the Mile High Area meeting if you are interested in helping put on the event next year.

We discussed at length a situation about a couple of our groups. Blues Breakers meets every day at 9:30p and has bounced back since COVID. There is a 5:30p meeting in the same facility,

No Matter What, that has very little attendance. These groups are having trouble bringing in enough money to make rent. The groups brainstormed some ideas to help these groups including selling t-shirts, fundraising for Blues Breakers, donate keytags, groups can donate rent money, selling drinks/snacks, try to attract more groups to the space. An addict is interested in putting together a logo for the Mile High website, so that may be coming soon.

At some point at area, we decided to have a GSR training before the area meeting and then we forgot. We decided that we needed to follow through on this and the first time will be at our April area and will be completed quarterly.

Do introductions at Area so new people to the area have an idea of who is there.

Also, that groups or individuals can reach out to the chairs or RCMs if they have questions that aren't comfortable asking in the group setting.

CRRMCO X Chair Report

The Committee met as usual, the 2nd Saturday of the month at 10:00am. The link is on the Region website and I finally got access and used the region zoom link so that was all good.

Thanks Angie.

Logo and theme submissions were quite limited. We did agree on a theme and logo to move forward with. The committee decided to use a 3rd party store to order merch from so people can order what they want without us buying inventory. We are still considering swag.

Registration is live and members can purchase on the region website. We have one registration right now. Woo Hoo!!!

The committee is supported well. Zach has been a big help with website. Registration, programs, food & entertainment are all being coordinated by committee members. Some suggestions we are working on is to have an attended info desk to answer question or take on-site registrations. We are also seeing what kind of activities can be provided such as hikes, scavenger hunts, corn hole... if you have any suggestions feel free to send to committee. We are not trying to fill time, but just some fun.

WRCNA X Chair Report

Hello, February 25th was our kickoff event with reveal of theme and logo, Celebrating a Decade of Miracles! Thank you Katheen L. For sharing your experience, strength, and hope! This event was well attended and we are on track for this year. The next event is Bingo night and will be Saturday, April 22 from 5-8 at the ADY location. We will have the flyer available before the next area and plan to send out to the surrounding area's as well. We will also have a registration table set up at the CRCNA Pancake Breakfast. We are still accepting speaker submission for local and out of town speakers. Please spread the word, especially for local speakers. We finally have a signed contract with Rocky Mountain Village and will be doing a facility walkthrough the 25th of this month. Our next committee meeting was schedule for the same day as Regional Assemble so we changed our meeting the 29th at 11:30 via zoom. We will be updating the regional calendar to reflect the changes.

Thanks for letting me be of service,
Tuesday V.

When one door closes another opens. Expect that door to reveal even greater wonders and glories and surprises. Feel yourself grow with every experience. And look for the reason for it.”
—Eileen Caddy...

The regional H&I committee met on Monday evening via Zoom. We elected JR G as the Vice Chair. I will be in discussions with JR over the next few weeks getting him up to speed so he can take over as the regional chair. We also voted on various chairs for the DOC prisons. I will always be grateful for the opportunities that being of service for the region has given me. Walking through Covid carrying the message to the homeless shelters, transitional living houses and watching NA H&I grow with our Webinars in treatment centers and prisons was and is MIRACULOUS, for truly we are in "The MIRACLE Making Business."

I want to Thank Chuck, Eric and Angie for leading the region as well as all committee members whom I have had the opportunity to serve with.

Our current H&I status in the Colorado Region is growing with the DOC PRISONS, JAILS and Florence Federal Prison reopening.

OTW: Wings (women and children's facility), every other Friday. Greeley Detox, every Wednesday. TruNorth (rehab center located in Loveland), every Monday. Larimer County Jail is open again on Tuesday. Weld County Jail in Greeley is almost ready.

CNAC Report

CNAC Report to CRSCNA

March 19, 2023

Colorado Narcotics Anonymous Convention, Inc. (CNAC) held its last Board Meeting on January 7, 2023.

We currently have a contract signed for:

CRCNA XXXVII (Loveland November 10-12, 2023)

WRCNA (Empire 8/25-8/27 2023)

Pridefest (Denver 6/24/23)

PR Carnival (Denver 6/3/23)

Boulder Area Activities Event (Kickball at Tom Watson Park 5/13/23)

For events in the Colorado Region, Areas, or Groups, CNAC will review and/or sign any Contracts or Agreements you are asked to sign with any facility. This will take any potential liability away from an individual NA member who would sign the Contract or Agreement. If any of your Groups or Areas are asked for a Certificate of Liability Insurance for events you are holding, please contact CNAC or the Regional Chair. Give us the name and address of the facility that is requesting, and we can get a Certificate of Liability Insurance naming the facility. These are some of the main functions of CNAC. I plan to have myself and other board members provide information about CNAC and its service to the fellowship at future Regional and Area events. We are currently looking at hotels to discuss a three year contract for CRCNA XXXVIII, CRCNA XXXIX and CRCNA XL (2024-2026). Three year contracts provide a financial advantage for our responsible use of fellowship funds. The hotel has to have a Convention Center or ballroom that can seat 1200-1500 people and have reasonable room rates. If you have suggestions, please have your RCM's bring them to the Regional Chair or to CNAC directly so that we can contact the hotels and begin negotiations.

We currently have an opening for a CNAC Member at Large.

The next CNAC Board Meeting will be Saturday April 1st at 9:30 am.

Thank you for allowing me to serve,

Mike H CNAC Chair

Regional Archives

Greetings,

The archive material from Allen and Rosalinda's garage have been moved to a storage unit next to the current CRSC's storage unit with lots of helpers from the Dopeless Hope Queens group. Many thanks to Mike P. for getting the storage unit secured. Allen included instruction for setting up the display's, a video on making new display boards as we add material and an inventory of what we currently have. They wanted to pass along a few things they have learned along the way.

□ They feel like displaying the items every five years is a good interval. I was surprised to learn that people seemed to lose interest when it was displayed yearly. I personally wouldn't mind seeing it every two to three years.

□ They wanted us to remember some of the items are fragile, valuable and irreplaceable, so please let's pass on the need to respect it's legacy.

□ They wanted to remind us that when displayed it should be in a place that can be locked when there is no one to monitor it. It has been co-located with merchandise, which they found a bit chaotic but not impossible.

□ We decided it would be best to roll the archive tasks into existing positions and guidelines rather than create a new position and structure. Primarily because so many positions go unfilled, we would hate to see this get lost in the shuffle. A position with very few tasks on off years seems likely to go unnoticed. It seems like the Vice Chair of CRCNA is the best place to add this task. They are on the committee for 2 years, so their continuity allows them to handle the tasks their first year and mentor the next Vice Chair. Their task list is also more open. The vice Chair is not expected to do the display but be responsible for finding and facilitating a few addicts in the years that the archive is displayed. There are a few changes needed to both the

CRSC and CRCNA guidelines. Green text is the current guideline wording, highlighted texts are the proposed changes.

PROPOSED CRCNA GUIDELINE CHANGES:

1) Add the following task:

Pg 5, heading: JOB DESCRIPTION FOR CRCNA ADMINISTRATIVE VICE CHAIR

TASKS:

- ☐ Hold the keys for the Archive storage shed.
- ☐ Assemble and facilitate a small group of addicts to move, set up, and monitor the Archive display at CRCNA a minimum of every 5 years.
- ☐ Update the Archive instructions as to space requirements, inventory, packing and storage as needed. Ensure the instruction are visible to anyone who enters the storage area.
- ☐ Works with Merchandise chair to ensure at least a T-shirt, cup, and registration packet from this years CRCNA is added to the storage area and inventory.

PROPOSED CRSC GUIDELINE CHANGES

In regards to CRSCNA guidelines, it seems best to assign the Archive storage shed accountability to the Region instead of CRCNA. It is likely the Archive storage will also be the location for all CRSCNA archived paperwork. That would require the following changes:
Pg 15, Article 9, section B, bullet 2 Note this may not be needed but included in case others see it differently. The PO Box and two storage sheds will be an automatic disbursement when it occurs. All CRSCNA check disbursements should be made to organizations, businesses, etc. rather than to an individual addict wherever practical and approved by the CRSCNA. No reimbursements will be made without a receipt and/or CRSCNA approval Pg 24, Article 11, section B, bullets 2 and 3 CRSCNA shall maintain a storage shed for archives and CRSCNA, CRRMCO and WRCNA material. Storage shed keys to be held by Regional Chair. CRSCNA shall maintain a separate storage shed for the Regional archives. Archive storage shed keys to be held by Regional Chair and CRCNA Vice Chair. CRCNA shall maintain a separate storage unit for CRCNA material. Storage shed keys to be held by Regional Chair and CRCNA Chair.

CRSC PROPOSAL FORM

Date: 3/19/2023

Proposal:

To continue the Archive Ad Hoc to explore the possibility of moving to an electronic Archive for the Region and all its sub-committees documents. The task concerns documents going forward and does not address the the historical files currently housed in the storage area.

Intent: To streamline the archive of committee minutes, financial documents and other reports. In recent years most of these documents are already in electronic files and are being printed to meet the current filing requirements.
