Colorado has not responded to the survey about continuing the US Collaboration of Zones, here is the intro:

Collaboration of US Zones (Completed July 15, 2023)

The purpose of the Collaboration of US Zones is to:

- Improve awareness of our zones as assets to local service bodies
- Act as a national communications hub enabling accessible communications within NA

and with the public

- Improve our service efforts through technology
- Improve our Public Relations efforts
- Improve our Fellowship Development and Outreach efforts

This service body would not be a part of the delegation stream between group and world.

Before moving forward with the actions in our Vision and Purpose Statement and in the

Strategic Plan, we are asking each region to respond to the questions in this survey by December 13, 2022. There is 1 vote per region.

We have also included space in the survey for members to share their thoughts, questions, and comments in the survey. The link to the survey is: Collaboration of US Zones Survey (surveymonkey.com) Conference Participant Webinar (CP Webinar) Orientation CP Webinar Schedule for 10 days

Discourse - An avenue for Delegates and World Board (WB) Members to converse

Portal - includes all material for the WSC, no printed binders

Voting tool - Regional Delegates (RD) use this electronic device to vote on CAR/CAT motions. If RD is unavailable, pass device to Alternate Delegate (AD)

World Service Office (WSO) and Warehouse - Lunch and tour

World Market - Vending tables on the patio for members from around the world to sell merchandise

NAWS Literature Store - Onsite store at the hotel during the WSC

SPAD - Gift edition SPAD was presented 2023 WSC was 28 April 2023 thru 06 May 2023

Some of the results from the Conference Agenda Report (CAR) and Conference Approval Track (CAT) included:

Moving the WSC to a 3yr cycle through 2029 with a virtual interim WSC mid-cycle.

Also providing the CAR 30 days earlier giving 180 days for review.

Fellowship Intellectual Property Trust (FIPT) - Adding the Zonal Delegates as the Settlers and Trustors of the FIPT

Initiate gender-neutral language: Direct the World Board to create a project plan for the next WSC to initiate the process for the Fellowship to approve adding “gender” to “What is the NA Program?” to read: “Anyone may join us regardless of age, race, gender, sexual identity, creed, religion or lack of religion.”

To direct the World Board to create a project plan for consideration at the next WSC to investigate changes and/or additional wording to NA literature from gender specific language to gender neutral and inclusive language. Intent: This motion will give the conference and the Fellowship the ability to meaningfully discuss changes to our literature to be more inclusive of all our members. Carries with Strong Support  
Revise A Vision for NA Service, changing the phrase “his or her own language and culture” to the phrase “their own language and culture.” A Vision for NA Service will be revised in future printings, including in Fellowship-approved recovery literature.

Create a project plan to update the Hospitals and Institutions Handbook and remove outdated terms and references. Acknowledge that an NA meeting that meets regularly in person or virtually can choose to be an NA group if they meet the criteria described in The Group Booklet, including the six points for an NA group, and are consistent with NA philosophy as expressed in our Traditions.

As a result of the COVID pandemic, to suspend the World Convention of NA (WCNA) rotation policy after 2024, to allow the World Board to determine what is possible and practical moving forward and then seek approval from conference participants. Given the disruption in the rotation of WSC and WCNA that has already occurred, the increases in event costs, and the other changes brought about by the pandemic, to allow an evaluation by the World Board and approval by conference participants for what is possible and practical in the future.

Motion to approve 5 new Regions:

- ☐ Iran Region #1
- ☐ Brazil Central Region
- ☐ Nordeste Brazil Region
- ☐ Rio Grande do Sul Region

OTW RCM Report

Good Morning Colorado! Things are well in Off the Wall area but quiet as this is our off month. We did have a great event over the fourth of July weekend in Loveland. There were around 50 addicts in attendance for the BBQ and Cornhole Tournament. Thank you to everyone from OTW and other areas who came to support NA unity and fellowship! Our new activities comity is busy planning four more activities for this service cycle. They have reached out to the owner of the BARN in Wellington for our annual autumn celebration but unfortunately the property is unavailable this year due to construction. We are partnering with the Boulder area to co-facilitate the Halloween party and are currently searching for a venue. If anyone has suggestions, please reach out to me at [rcm2otw@gmail.com](mailto:rcm2otw@gmail.com) and I will pass any information on to help. CRCNA XXXVI Chair Report to CRSCNA 07/17/ 23

I am traveling via airplane back to Colorado during our meeting tomorrow so I will be unable to attend.

I wanted to give an update on our CRCNA XXXVII progress:

- Casa del Nerimack will DJ both Friday and Saturday night
- Saturday night entertainment will include an illusionist followed by a masquerade ball (with DJs listed above) - this will be a ticketed event
- Early Bird registration ends at the end of July (see attached registration flyer, preorder merchandise is also live)
- Hotel rooms at the Embassy Suites are still available for Saturday night
- SpringHill Suites by Marriott just east of the Embassy Suites would be a good overflow option for Friday night
- We are working on finalizing hotel needs for each subcommittee
- We discussed at our last meeting that it would be great to have the CNAC Chair and Vice Chair do the state roll call during the Saturday night main speaker meeting to help make the fellowship aware of this committee

Something additional to note is that our secretary, Matt D.'s mailbox key stopped working so we will need to figure out a solutions for this. Ian D., out regional treasurer mentioned he has an extra key (that does work) so maybe CRCNA can have this extra key. Admin Elections for CRCNA XXXVIII will be held at the regional assembly in September and Subcommittee elections will be held in October during the CRCNA committee meeting (see attached flyer under flyers)

Grateful to serve,

Lindsey B. CRCNA XXXVII Chair

### **CRRMCO IX Chair Report**

July 16th, 2023

The Committee met for our wrap up meeting, which is on the 2 nd Saturday of the month at 10:00am. The link was not on the Regional website, so we met by phone. The campout was pulled off without any issues. HUGE thanks to everyone involved either holding a position or helping with service. We put a big effort into having everyone register or at least check in, so we know how many attended. Those not able to pay happily pitched in with service. We do not charge day passes like CRCNA, but even those who attended were happy to donate something. Overall, we had 125 in attendance!!! The weather was beautiful, and the rain was not much of an issue. If the threat of rain affected attendance as was a concern, we could not tell. The campground was packed. I will let the Treasurer report the final number, but the event was a financial success as well. The committee did very well in purchasing. We spend less than budgeted even with higher consumer prices. We saved a lot on ice. We also used the soda that was in storage so all that is gone. All that contributed to a being well in the black and turning over a good donation to region. At this time, all costs are completed, and the campground is already reserved for next year... yes, they changed reservations yet again. Big shout out to Theresa who is an awesome treasurer and HUGE asset to the committee. Again, many thanks to all those involved. The committee worked well together. Several members were on the committee without an actual position. Zach the Web Servant was a BIG help to the committee... and thanks Angie for always giving me the login authentication code for zoom meetings! Everything was done on time. A LOT of members pitched in at the event as usual. Moving forward we have a Suggestions/Lessons for Learned list established to help the next committee. We have a much more accurate number to budget for Saturday Dinner and Sunday Breakfast. The committee still does not think a large merchandise effort is a good fit for this event. We are looking for a better special items auction to do that was tried small scale this year which was a success. Also, while this event is not a

heavily activity event, we received suggestions, and the committee agrees we need more regular meetings. So, we will likely have scheduled meetings like Friday and Saturday late night, and Saturday morning and afternoon. That's all folks. I'm so happy I get to serve on the Campout, it is a great event to be a part of.

WRCNA Chair Report 7/16/2023

Hi Family,

We had our second to the last committee meeting yesterday (time has flown by) and things are progressing well. We have speakers selected, travel arrangements made, program schedule is done, food is planned, and merchandise is ordered and on the way. However, we have encountered a concern about low registration numbers. So far, less than half of the expected attendees have registered for the event. This of course can have significant impacts on the execution of the event. Please pass the word to encourage people to register ASAP so we can plan accordingly. Registration will close on August 12th. In more positive news, we have selected the 10 scholarship recipients and we will be notifying them all this week. We had a total of 32 people apply for scholarships. Members can donate newcomer registrations via the website if they would like to help those who were not selected attend. We were made aware last week that there has been a change in staff at Rocky Mountain Village. Fortunately, all our discussions and arrangements have been documented, so this change should not cause any significant issues. We do have one more WRCNA event. Saturday August 12th we are having a Poker Night at 8085 E Hampden Ave. \$20 dollar buy in with prizes.

Thanks for letting me be of service,

Tuesday V. WRCNA IX Chair

Colorado Regional H&I Report July 16, 2023

The Colorado Regional H&I Committee has started meeting quarterly. We met via Zoom on Monday, June 26, 2023, at 5:00 pm. We will be meeting again on Monday, September 25, 2023, at 5:00 pm. Terry C has been working on training the elected panel coordinators for each of the facilities in the Department of Corrections that H&I enters. We currently enter 9 Department of Corrections prisons, mostly in Canyon City, Colorado. The committee has also started updating the Regional H&I guidelines to reflect the work post-pandemic and update any new procedures and operations that best fit the needs of those behind the walls. Per Regional guidelines, the H&I guideline changes will need to be voted on at the Regional Assembly in the Spring of 2024. Our hope is that through consistent committee meetings, we can meet more regularly than quarterly, in the future. OPEN POSITIONS- H&I Vice Chair, H&I Secretary, DOC Assistant Coordinator, Panel Coordinator

Thank you for letting me be of service,

CRSCNA Web Chair Report – July 2023

Due to a previous commitment, I am unable to attend the July CRSCNA meeting. All is going well. Another member has expressed interest in learning how regional web works, so I will be working with them in the coming months. It will be good to have a backup webservant, as well as a potential vice chair in this committee. NAWS occasionally sends World Committee Code updates for various meetings in all Regions hosted on the Colorado BMLT root server. When these come in, we have been importing them. We get several requests per month to change, add or delete meetings. These requests get forwarded to the webservant for the area that the meeting is in. Sometimes, this causes confusion because it appears that region maintains its own meeting lists. What actually happens is that all meeting info is pulled automatically from what the areas enter into the root server. Hopefully, this clears up some confusion around this, and we will continue to answer all questions and forward meeting change requests on to areas.

In grateful service,

Zach V. Colorado Regional Web Chair

CNAC Report to CRSCNA

July 16, 2023

Colorado Narcotics Anonymous Convention, Inc. (CNAC) held its last Board Meeting on July 1st, 2023. For events in the Colorado Region, Areas, or Groups, CNAC will review and/or sign any Contracts or Agreements you are asked to sign with any facility. We currently have a contracts signed for: CRCNA XXXVII (Loveland November 10-12, 2023) WRCNA (Empire 8/25-8/27 2023) A generic event use contract form is on the regional website at <https://nacolorado.org/cnac/> We are also working to produce a generic event liability waiver form. Board members attended the Service Carnival in Denver last month and provided information about CNAC and its service to the fellowship. We have done a thorough search of hotels with convention centers throughout Colorado and are almost done with the final review and selection to determine the next few upcoming CRCNAs will be held. We are seeking a three year contract for CRCNA XXXVIII, CRCNA XXXIX and CRCNA XL (2024-2026). As our fellowship has grown, many previous CRCNA locations no longer meet our space and financial requirements. The candidates in our final review are in the Mile High Area and we expect to present the final selection at the regional assembly in September. The next CNAC Board Meeting will be Saturday October 7th, 2023 @ 09:30 AM MDT Zoom Virtual Meeting:

**\*Amendment of Proposals**

There was a proposal for \$5,000 donation of unincumbered funds to World which was approved, however; there was a miscalculation on the treasurer's report that was amended. The previous total was incorrect so no funds have been donated to World at this time.

**Closing Treasurer Report**

Opening balance \$45,921.59 (\$0.00 unencumbered funds donated to World Services)\*

Closing balance \$ 25,404.07
