CRSCNA Chair Report

19 November 2023

Welcome to the November regional meeting. Thank you all for being of service!

I want to start by thanking the CRCNA committee for such a spiritual and engaging convention. I spoke to several new comers and all provided positive feedback.

Please make sure to announce open positions for regional committees. I have been announcing that all our committees could use support and would love to talk to members after the meeting with an abbreviated list of opportunities.

Let's talk about the assembly. I appreciate all who participated. I do want to open discussion later in the day about attendance, need, and format. I believe we need to inventory these items to make sure we are creating unity but also using NA funds responsibly.

Lastly, I'd like all subcommittees to review their guidelines as posted on the regional website. I have found a few things out of date and we need to make some updates.

Please email myself, Matt D (our vice chair), and Zach V. (our webservant) so we can track and make sure items get updated. Our emails are below.

In loving service,

Angie R., CRSCNA Chair

Chair crscnachair@nacolorado.org

NA World Services Meeting Finder

Attached is the description of the new meeting finder which will be on the na.org website and the necessity of finding a new way to provide a more accurate way to find meetings in our Fellowship.

Also attached is the spreadsheet sent from the World Board member, Lori, who is heading up the meeting finder. If you watch the video of the meeting finder workshop, this gives a very good description of what they are looking for and why.

RCM's please reply back to me (not the NA World Board) with the center point, city or zip code, of your Area along with and corrected phone line and website information. The deadline to send this back is 20 December 2023. **Please only reply to me and not to this entire email blast.**

Notes for working with Phoneline – Website File

Below is a description of each column in the spreadsheet and the data needed.

Committee: This is the way your service body is listed in our database. (an asterisk after the name notes the region is not seated at the WSC)

Type: This simply indicates area, region or zone.

Current Description: This description includes the name of your service body and can have an indication in parentheses that highlights the geographic location. For example, "West End Area (West San Fernando Valley)". If this is blank, we do not have a listing for that committee.

City: This is the one we need to have added for all the Area listings in our database and is the driving factor for tagging your service body for the result listing. Please add one city that is in a central portion of your service body. We understand that many service bodies encompass multiple cities and broad distances, but the search result radius will use the pinpoint that you specify to help in identifying your service body to that area. If your area encompasses two states, there will be two listings even though the phone number or website is the same.

State: Please specify the state in which your service body resides. Again, if your service body resides in more than one state, please include a separate row for each additional state. In this case, choose a pinpointed city for an area listing.

Country: We should already have accurate information in this column, but please verify.

Website: This should be your current service body's website. A full web address is desired, not shortened pages. For example, "https://www.na.org" rather than "na.org".

Phoneline: This should be your information or helpline including the necessary country code for dialing the phone number. Please do not use an individual's phone number.

Phoneline 2: This field would specify a second phoneline number. In some instances, you may have a toll-free number and a local number. Please do not use an individual's phone number

Office: This would be a phone number associated with a service office, if applicable.

WhatsApp: Many of you have started using WhatsApp for an information or helpline number and you would put that information in this field.

Encompassing Committee: This column has the information for the service body within which your area or region resides. For instance, for an area, this would be the region the area is a member of. Or for your region, this would be the associated zonal body.

Note: A comment for you to read (if applicable).

We thank you in advance for taking the time to complete this information. Please let us know if you have difficulty opening the spreadsheet with your data or if you have questions.

ILS,
Kathleen L. RD Colorado

Regional Delegate Alternate Report 11/17/23

Since being elected at the September Regional Assembly I have had a brief introductory conversation with the Colorado Region's World Board Liaison, Michael B from Tennessee. Kathleen helped me get on the list as the official RDA and have been reviewing the online materials from the 2023 World Service Conference (WSC). I attended the Rocky Mountain Zonal Forum (RMZF) meeting on Sept 23rd where I met many of the other trusted servants in the zone and we discussed possible services the Zonal Forum could provide. I also attended the WSC Conference Participant (CP) Webinar the same day. We reviewed the Environmental Scan Survey and the changes to the meeting finder.

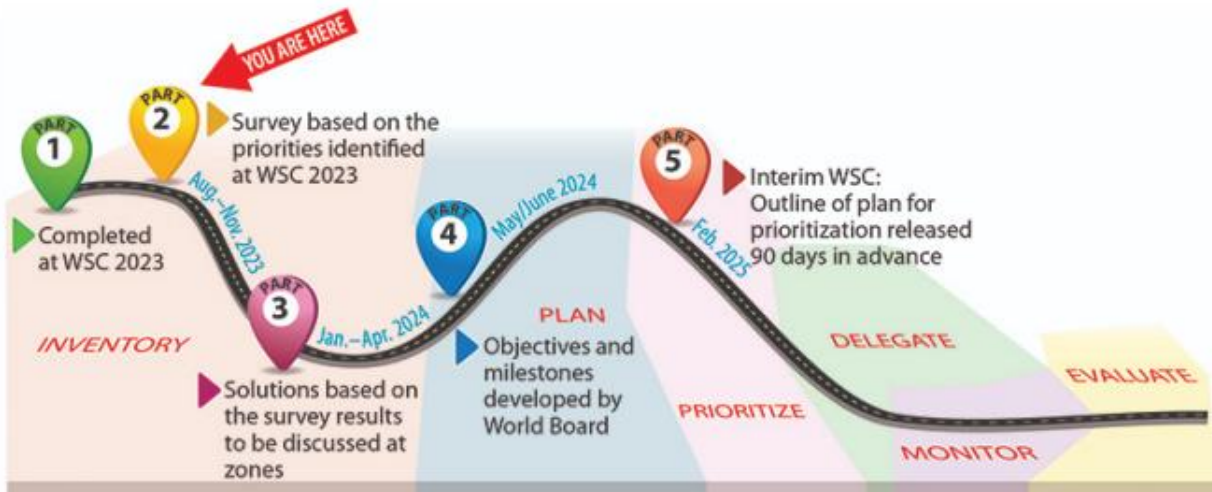

I notified the RMZF about the video recordings that Colorado Regional H&I created. There are currently over 30 video recordings of speakers available online at <https://nacolorado.org/hi-speaker-videos/>. These were created to be used in place of in person H&I meetings and are now available to the entire fellowship. The Southern Idaho region is interested in using them. RCM's please make sure your local area H&I knows about these.

I completed the Environmental Scan Survey for the Colorado Region. I provided forms for individuals to fill out at CRCNA and compiled the results which are attached at the end of my report. We had about 15 people provide feedback. I also provided printouts and QR codes to direct members of the fellowship to some of the projects and issue discussion topics (IDT) for the coming WSC cycle.

I have reviewed the upcoming surveys and IDTs, H&I Basics Survey, Gender-Neutral and Inclusive Language in NA Literature, Dealing with Disruptive and Predatory Behavior, and the Focus Group Volunteer Form. I plan to fill the volunteer form out myself after the next CP Webinar. I will work with our RD to get all this information out to the Colorado fellowship. I also attended the RMZF and WSC CP webinar on Saturday Nov 18th. At RMZF we decided to support the US Collaboration of Zones moving forward and planned upcoming meetings for the coming WSC cycle. At the WSC CP Webinar we discussed the Reimagining and Revitalizing Service Committees IDT and the 2024 World Convention. Registration and hotel rooms will go on sale before the end of the year.

Links to the Issue Discussion Topics can be found at <https://www.na.org/?ID=IDT-IDT>
CRNCA XXXVIII will be at the Marriott Denver Tech Center Nov 15-17, 2024

2023-2024 Environmental Scan Survey for Delegates

Deadline: 15 November 2023

Background

The World Board has worked this past year to begin to redesign strategic planning into a much more collaborative process. Conference participants began at WSC 2023 by identifying the factors within NA and in the external environment that could most impact our ability to achieve our Vision. That was the first part of the “inventory” phase for this new planning cycle.

Part One: Completed at WSC 2023

Conference Participants at WSC 2023 began this process with Part One: identifying and then prioritizing the factors within NA and in the external environment that might affect our ability to achieve our Vision. This survey is focused on those results and is the next part in this process. We hope to gain greater insight into the external and internal trends/issues identified at WSC 2023 with your help.

Part Two: Survey based on the priorities identified at WSC 2023

More background information and details called out by conference participants at the WSC for each factor are included

in the PDF posted on www.na.org/survey as a reference for discussion.

Rate each lettered factor based on what is happening in your service body:

1. **External factors** (outside of NA) prioritized at WSC 2023 that are shaping the environment in which NA strives to achieve its vision.
-

	Little to No Impact	Some Impact	High Impact
a. Evolution of technology (pros and cons)	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
b. Geo-political dynamics	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

g. Alternative programs for addicts	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>
h. Recovery for profit	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

2. Are there any other factors not on the list that are prevalent in your service body?

1) Jails; 2) Long term DRT & MAT with no plan to quit; 3) Recovery (

3) Recovery Community Organizations bring in new members in a positive way

3. **Internal factors** (within NA) prioritized at WSC 2023 that are impacting the ability to achieve our vision.

	Little to No Impact	Some Impact	High Impact
a. Generational preferences for engagement,	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>

Mile High Area

Hello,

- Unity Day is happening this year
 - o 3/23/24 - 8085 E Hampden
 - o Registration is open. With registration you get a t-shirt and a couple of meals. The committee is looking for people to be of service.
- Activities - New Year's Eve Event, details on the website
- New Ad Hoc Committees
 - o Predatory and Harassing Behavior
 - Elected positions
 - Partnering with Area Inventory Ad Hoc to get questions on the survey
 - Looking at solutions that other places have put into place
 - Focusing on what can be done within the boundaries of the Traditions
 - o Area Inventory
 - Went through the survey from last year. A few takeaways: There seems to be some confusion about what the responsibility of the Area service body is and what the responsibilities of GSR's are. The ad hoc is planning to put together a presentation for next month's Area to clarify some of these issues. The survey ratings were largely inconclusive. There were a few things rated that we do well and poorly, but most things were given an "okay" rating. We are planning to put together a new survey that is more specific to our Area.

- Treasurer information has been sent directly to the Regional Treasurer

Thanks for letting me be of service,

RCM REPORT TO CRSC - 11/19/2023

Hello Colorado, Regional Trusted Servants! Here is my report.

The minutes from this month's meeting for Pikes Peak Area have not come out yet, but there have been reports emailed, and I've included some of that information here. At last month's meeting, both the Chair and Secretary had excused absences, which meant I got to chair the meeting. These absences have created some delay in our service structure. With less than a month and a half left in the year, we are preparing for a rotation of service. Currently, ALL positions are opening up and in need of servants, so please let anybody who might be interested know! We have overcome some difficulties with our prudent reserve and budget, but are getting back on track and remain fully self-supporting. I believe we have a donation, but it's being done via Venmo, and I'm not sure what the amount is at this time. As for upcoming events, we are throwing a Thank-a-thon for Thanksgiving on Thursday, November 23, from 1:30

to 7pm. It will be at the Redeemer Lutheran Church, 2221 Wahsatch Ave. in Colorado Springs. We'll have a meeting at 3:30pm. It's a potluck, we're asking for donations, and have not suggested a donation amount. In December we're working on a Christmas Day full of marathon meetings. We feel that it's important to provide a place for addicts to spend the holiday, as this time of year can be a challenge and a struggle for many of us. Currently we don't have any details set and are asking groups who are willing to help to contact Shannon P. at freesince97@gmail.com This will be my last meeting as RCM for the Pikes Peak Area, and I want to thank you all for this opportunity to serve in this position!

Gratefully,

CRCNA 37 VICE CHAIR REPORT TO CRSC – 11/19/2023

Hello Colorado Regional Trusted Servants! I'd like to start out by saying thanks to everyone for such a wonderful CRCNA this weekend. Thank you for this opportunity! Even though I was a bit reluctant to take on this position, it has been wonderful. I have been at all the subcommittee meetings that I could in the last 2 months. Because I got started into this commitment so late, the event was planned pretty much without me involved, so when CRCNA came around I just took on the role of being there to help wherever I was needed. I spent most of the time wandering around, helping out here and there, and chatting with lots of other addicts. And let me tell you, this has been my favorite CRCNA ever! There was such a vibe of love this year that you could almost taste it.

Of course, there were a couple of hiccups, but what a wonderful committee we have! Everybody showed up when needed, kept their cool, worked together and pulled off a great event.

I'm really looking forward to the committee's meeting in December, when we go over suggestions that were given in the suggestion box. I'm not sure how previous CRCNAs have performed but the info I've seen so far from our Registration Chair and Treasurer have indicated a successful event this year.

Matt gave me keys to the storage room for CRCNA items, and I put them away.

I'm looking forward to the next cycle. Thank you for letting me be of service!

CRCNA XXXVIII Chair Report

CRCNA 38 CHAIR REPORT TO CRSC – 11/19/2023

Hello again! CRCNA 38 planning is already off to a great start! At the last 2 CRCNA 37 committee meetings we have held elections for subcommittees for CRCNA 38. I'm pleased to say that we do have some people rolling over from this year into next year. Top of the list, Matt D has volunteered and been elected as Hotels and Hospitality Chair. To add to that, members of CNAC have committed to be on board in helping him out, so that subcommittee should be well staffed. Convention Info and Website Chair, Grant K, has expressed a willingness to continue serving, and unless someone else wants the position, we will allow him to do so. Erica H has volunteered to do H&I Chair again next year, and we have agreed to do the same for her. Beth R is currently Fundraising and Entertainment Chair, has declared her willingness to stick around, but isn't quite sure what position she'll be filling yet, so we'll see what happens there. We have one addict from this year's Print & Display committee who is willing to serve as Chair next year, but doesn't have quite the clean time suggested for this position, so we are going to allow him to serve and hold this election later on to see if there is willingness. Sarah J who had initially said she was done after this year, has expressed a desire to stick around, so we'll see what happens there. We'll be really glad to have her if she decides to stay involved! We have a new addition to the committee, Gari G, who was elected as Fundraising and Entertainment Chair. I have one addict interested in Programs, another interested in Vice Chair but doesn't have any experience yet and doesn't have quite the clean time suggested, so we may shoot for getting him involved in another capacity. And I have a handful of people from this year's CRCNA who have expressed a desire to be on next year's committee. I'm very grateful to see so many addicts willing and ready to put together a wonderful CRCNA 38! On another note, I still have the keys for the CRCNA storage room, and I'm curious to know if I should hang on to these for the year or if I should turn them in and get them at a later date when needed. Our final meeting with the CRCNA 37 committee and kick-off for the CRCNA 38 committee is happening December 9, 2023 from 9am – 12pm. This meeting will be hybrid. The physical location will be at a place called Tribe, 1178 Mariposa St. in Denver (We're having a breakfast potluck before the meeting, starting at 8am). The Zoom Meeting ID is 290 350 0360, password CRCNARocks. Open positions include Vice Chair, Secretary, Treasurer, and Vice Treasurer. If you're interested in helping, please join us!

CRRMCO XI Chair Report

November 20, 2022

So far, we have not met as a committee. Some members that want to help got together at CRCNA and we will meet next month. Meeting will be held on the Second Saturday of the month at 10:00am. Meeting will be on zoom unless the committee really wants to meet in person. We will work that out if that becomes true.

The campground finally opened for reservations. We have the site reserved for June 9th , 10th ,and 11th of JUNE. The price went up a small amount. The total was \$1082. We were holding back our funds to pay for the site and have a final total to turn over to Region. The budget item was for \$900.

Next steps are to get meetings going for the committee and get solicitations out for next year's logo. We reused the cancelled campout logo so we did not have to do that for this year. We still need Vice Chair and secretary for the committee.

WRCNA XI Chair Report

11/19/23

Good morning, Regional Committee,

WRNCA XI has submitted our signed contract to the facility. Our dates for the retreat are August 23-25,2024. We still have the following services positions available, Vice Chair, Registration Chair, and Vice Treasurer. We are in search of our theme and logo as well as looking for speakers. I was wondering how we get the WRCNA section on the regional website updated. Who do we contact?

Thank you for letting me be of service.

WRCNA XI Treasurer Report

Here is the WRCNA XI November 2023 Treasurer's Report:

Bank Account - I still do not have access to the bank account or the power to sign checks. The person who has to get me access has been waiting for some other people to get back to him. I followed up again and asked if we could go ahead and get me on the account since it's been two months since I got elected and we're to the point where I need to be able to start writing checks (the facility downpayment).

Bank Balance - I was able to verify the balance in the account as \$12,168.82

Last year's finances - I have reviewed the spreadsheet I was given as well as the physical materials I was given. I will be doing some updating to the spreadsheet to try to make it a little more user friendly for future treasurers. The biggest issue I've

noticed is that I don't see any evidence that a final check was written to Region to deposit everything other than our see money (\$6,000). I will write that check once I have signatory abilities on the account.

Thank you for allowing me to be of service,
Elizabeth H. WRCNA XI Treasurer

Regional Subcommittee Reports

PR Chair

Our Regional Public Relations committee focused on CRCNA. We were very successful in creating an awareness with Treatment Centers, Transitional Recovery Houses and Los Lunas Prison in New Mexico to attend our Zoom Presentations of meetings throughout CRCNA.

We are planning on a Grassroots Public Relations meeting on January 8th at 5:30 pm. Subcommittees "H&I, PI, Phone Lines ,Web-servants and Multi Media are being invited to rediscover the vision and hope of our Colorado Regional community in NA. We will put together a request for a PR Budget for 2024.

We will need the Area Zoom account for this night between 5:30 to 7:00 PM.

Respectfully,

Christopher F. Colorado Region Public Relations.

PI Chair

Not much to report. PI is brainstorming within the PR umbrella looking how best to inform the public who & where we are and how to find us.

ILS,

Russ E. PI Chair

HI Chair

The Regional H&I subcommittee would like to thank the CRCNA XXXVII committee for a great convention. Feedback from the fellowship about the involvement of H&I and DOC was positive. Still working on going through the guidelines and preparing them for the April 2024 general assembly. Terry C had the new volunteer and re-certification training at CRCNA. I do not have the numbers on how many addicts attended and recertified. I need to submit reimbursement from H&I budget for supplies. 22.85 for coffee at Fremont Correctional Facility and 44.51 for copies of the readings for meetings. Terry C will be placing a substantial literature order following the approval of the budget at the regional assembly. Our next subcommittee meeting will be on Monday, December. 18, 2023 at 5pm. Zoom link on the regional website.

In loving service,

JR G. Colorado Regional H&I Chair

FLYERS

At the last World Service Conference of NA, four Issue Discussion Topics (IDT's) were decided to be worked on before the next WSC in 2026. That seems like a long way off, but much work needs to be done. To that end, we'll have a workshop to discuss the issue of gender neutral and inclusive language in NA lit. Attached are the outline of the workshop, a feedback form to send to the World Board and the power point slides that will be used. Feel free to look them over prior if you can. Get involved in the future of NA literature! We'll meet in person at 453 W. Swallow in Ft Collins on Thursday, Dec 14th from 6 to 8 p.m. and on zoom at
