Why Register?

The money collected from registration is used to pay for hotel and convention facilities, associated services, equipment rental, registration packets, printing of programs, brochures, and other related expenses.

Administrative expenses include rent for committee meetings, bank charges and general expenses prior to the convention.

We believe that once participants understand that this is the fee from registration that makes this event possible, and the planning and implementation of present and future conventions, the reason for registration becomes clear.

Registration includes workshops, dances, hospitality rooms and convention activities.

Newcomer Policy

If you are new to our fellowship and cannot afford the registration fee, CRCNA invites you to come regardless! See the registration table at the convention more information.

Our self-made prisons no longer serve us. We're free to explore and discover what we are good at. We are free to participate, create, care and share, surprise ourselves, take risks, be vulnerable, and stand on our own two feet. We find our beliefs and begin to act on them. We make decisions based on our values. We walk though fear and wake up to miracles that surround us. We are free to be who we are and live as we choose.
