

CRCNA XXXV August 17, 2021 Minutes

Meeting Opened 6:00 pm Via zoom

Guests: Steve K (CNAC), Eric C (Regional Chair)

Roll call.

Agenda: Discuss CRCNA XXXV committee concerns about CRCNA XXXV fund raiser on August 21, 2021.

Topic: With the recent surge in Delta virus cases is it prudent to maintain current event program?

After discussion about the upcoming event this weekend it was decided to reduce the activity to be more social distancing acceptable and hopefully safer for all who choose to attend.

Following is an updated event synopsis. I will attach the new event flyer:

- The event will be moved from indoors to outdoors in the parking lot at the same venue.
- Since one of our speakers can't attend, we will have 3 speakers instead of 4.
- We have replaced the potluck with individually wrapped items-snacks, apples, oranges, veggies, chips, etc.
- Committee members will bring snacks and drinks. Attendees are welcome to bring individually wrapped snacks to share or their own munchies.
- With these adjustments, our time is reduced from 3:00-10:00 pm to 3:00-7:00 pm.
