

Colorado Regional Convention of Narcotics Anonymous
SPEAKER RELEASE AGREEMENT

Speakers reflect their experience of recovery in NA and are members who base their recovery on powerlessness over addiction, identify themselves as addicts, attend NA meetings to sustain their recovery, and live by the 12 Steps and Traditions of Narcotics Anonymous. These qualifications ensure that NA members will receive a clear message of recovery at our convention. The best speakers for conventions are those who address recovery as if their lives depend on it as well as the lives of their listeners.

Thank you for being an instrumental and contributory part of CRCNA
Your Service to this year's convention is appreciated and highly valued.
