WEB SERVANT/ RESOURCE REPORT

Due to some personal issues I have yet to complete the searchable meeting database. I hope to have it completed for testing by Dec 1st and have the regional schedule automatically generated from the database by Jan 1st . The last update to the regional schedule was over a month ago and I will be doing the update this afternoon.

I sent the books of to Limon the first week in November, so the check may not have cleared the bank as of the last statement.

Family member requests are down, the last two months have seen a lot of interest in "specific substance" addiction and information about it. My general reply is:

"We do not care what you used...only what you want to do about your problem and how we can help. Many of our members have used _____(specific substance) and can offer suggestions on how to live your life free of _____ and all other mind or mood altering substances. Our suggestion is that you try not to use _____ today, attend one of our meetings and stay afterwards to talk to our members, one on one about your specific issues. Attached you find a meeting schedule with meetings that are close to your home."

If a request for a treatment facility or detox center is made, I suggest the yellow pages or speaking to their family physician for a referral or suggestion. I also add that most of our membership worldwide got clean and stayed clean without the use of professional help, and suggest meeting attendance once again. I am open to any suggestions as to what content I should include in addressing e-mails of this type.

CRSC Outreach - Guidelines submitted.

SERENITY UNLIMITED

Unable to contact Andrea, spoke to two members of the Serenity Unlimited Area Service Committee at CRCNA, and one more via e-mail. Apparently the SU Area is once again having some organization problems, they did not ask for any assistance at this time.

SOUTHERN

I was contacted Kent Mc by e-mail requesting information on where this meeting was today. I was also contacted by an addict from Trinidad requesting information on what the RSC and Regional H&I Chair entailed. I replied to both addicts and hope to see one or both of them at RSC today.

MOUNTAINS WEST

I spoke with current Area chair at CRCNA and requested him to give me a call after the dust settled to speak about his area issues. I still have yet to hear back from him.

OFF THE WALL

Karen and Chris will not be attending today. I have a printed copy of their report.

In Loving Service,

Don T

SUBJECT: Regional Meeting Locator Report

Mile High Area - 11/14/04 Meeting of the COLORADO REGIONAL SERVICE COMMITTEE

Hopefully, this venue is meeting our needs. Enjoy the food..

Southern Area - 1/9/05 Meeting of the COLORADO REGIONAL SERVICE COMMITTEE

See attached flyer for info. I will need a check to "Holiday Inn" in the amount of \$114.06 which pays for our meeting room and one gallon of coffee. As this hotel has a catering business, we are unable to bring in any kind of food or munchies. Coffee, water and some hard candy will be available. Also note the hotel has a restaurant which is open for breakfast only on Sundays from 7-11am if you need something prior to the CRSC... This is at your own expense.

Boulder Area - 3/13/05 Meeting of the COLORADO REGIONAL SERVICE COMMITTEE

Could I please see Rob & Don at the break today. Even tho I truly love the "usual" meeting place when we go to Boulder - perhaps it is time for us to hold a CRSC in Brighton or Longmont???...

Off The Wall Area - 4/16/05 Meeting of the COLORADO REGIONAL SERVICE COMMITTEE - REGIONAL ASSEMBLY

I am looking into holding this assembly in Estes Park on this 3rd Saturday if OTW wants to consider hosting something on Saturday nite?? or for lunch?? or whatever....

Mile High Area - 5/15/05 Meeting of the COLORADO REGIONAL SERVICE COMMITTEE

Heads up, I will be looking for meeting space in Aurora or Parker.

Let me know if you all know of space or are going to hold some function...

Thanks for letting me be the CRSC RML (Regional Meeting Locator) as it has been fun and addict-experience-intensive. I am enjoying myself!!

Submitted lovin' service still,

Linda L.

CRSC - 11/14/04 - Boulder Area RCM Report - Rob L

Boulder Area is doing well, meeting attendance has been strong, service committees are doing their thing, and we have filled a few of our no longer vacant Area level service positions. We will have a CRCNA Liaison for the next year, and Angie has come on board as an RCM for Boulder. The only Area position left open is Activities Chair. That being said we do have a few activities coming up. A few members are starting a running group that will meet on Saturday mornings and is open to all levels of fitness, and we will be having Marathon Meetings and Fellowship on New Years Eve, starting at 9pm and going until 7am. The PSA project we have been working on finally began to air in early October, and our phone line has experienced a 70% increase in volume of calls this past month.

Submitted in loving service, Rob
