

For The Newcomer

"NA is a nonprofit fellowship of men and women for whom drugs had become a major problem. We are recovering addicts who meet regularly to help each other stay clean. The only requirement for membership is the desire to stop using."

"You don't have to be clean when you get here, but after your first meeting we suggest that you keep coming back and come clean. You don't have to wait for an overdose or jail sentence to get help from NA, nor is addiction a hopeless condition from which there is no recovery. It is possible to overcome the desire to use drugs with the help of the Twelve Step program of Narcotics Anonymous and the fellowship of recovering addicts..."

"...This program offers hope. All you have to bring with you is the desire to stop using and the willingness to try this new way of life." *

*Come to meetings, listen with an open mind, ask questions, get phone numbers and use them. Stay clean just for today." **

*"What is our message? The message is that an addict, any addict, can stop using drugs, lose the desire to use, and find a new way to live. Our message is hope and the promise of freedom. When all is said and done, our primary purpose can only be to carry the message to the addict who still suffers because that is all we have to give." **
