Women’s Retreat of Colorado Narcotics Anonymous
(WRCNA)
Guidelines

Approved 21 September 2019
THE WOMEN’S RETREAT OF COLORADO NARCOTICS ANONYMOUS

This annual event shall be known as the Women’s Retreat of Colorado Narcotics Anonymous (hereafter known as WRCNA). The service body (administrative committee members and subcommittee chairs) functions financially and reports to the Colorado Regional Service Committee of Narcotics Anonymous (hereafter known as CRSCNA) and is responsible and accountable to the Colorado Fellowship of Narcotics Anonymous and has legal, financial, and insurance responsibility to the Colorado Narcotics Anonymous Convention, Inc. (CNAC) through its Board.

WRCNA is open to female addicts only. Attendance is limited by the location and is at the discretion of CRSCNA each year. The purpose of WRCNA is to sponsor a retreat held by members of Colorado NA to bring female addicts in our fellowship together in a celebration of recovery from the disease of addiction. Reasons for holding WRCNA include helping female addicts around the region to overcome isolation, to gain new information about recovery and service, to raise money, and, most importantly, to further our primary purpose. WRCNA is open to NA activities/events only.

All purchasing – for WRCNA use or for resale – of equipment, supplies, services, or other work products shall, whenever practical, utilize a process which employs written bid specifications, and which requires at least three bids and results in a written contract. Seed money for WRCNA is $6,000. Four signatures are required to be on the WRCNA checking account. Two of the four signatures must appear on every check written.

WRCNA monthly business meetings are to be held on a day and at a time and place to be voted upon at the October committee meeting. Should that day fall on a holiday, it will be rescheduled. Elections for subcommittee positions for the following year will be held in October at the committee meeting. The September committee meeting will be a wrap-up meeting, used to discuss what we learned and to finalize all financial issues. See Appendix A – WRCNA Calendar for a complete listing of milestones and delivery dates throughout the year.

General requirements of the WRCNA administrative committee members and the subcommittee chairs are an active commitment to service, a working knowledge of the 12 Steps of Narcotics Anonymous, the 12 Traditions of NA and the 12 Concepts of Service of Narcotics Anonymous; the ability to exercise patience and tolerance; active participation in the NA Fellowship and must have a willingness to ask for help. CONSENSUS BASED DECISION MAKING PROCESS

In keeping with the CRSCNA and many Area policies, WRCNA business should be conducted using Consensus Based Decision Making (CBDM). Elections will be a straw-poll vote.

• Bring proposals to the WRCNA committee meeting. Formulate clear proposals in advance with as much communication and collaboration as possible to facilitate the consensus decision process.
• Facilitator (the Chair unless the proposal is brought by the Chair, in which case the Vice Chair or other Administrative Committee member) presents the proposal to WRCNA (analogous to the motion in a Robert’s Rules process).
• Maker of the proposal speaks first to the intent.
• The Facilitator will open up the floor first for clarifying questions about the proposal (not a debate on the merits but a brief session to be sure everyone understands the proposal).
• The Facilitator will ask whether anyone has reservations about the proposal. These are heard and they may be answered or the proposal may be tweaked in a manner similar to the "friendly amendment" process in Robert’s Rules.
• Once all reservations have been heard and answered in this way, the Facilitator will ask, "Do we have consensus?" Participants respond in one of four ways:

Assent

This means that the addict supports the proposal, all things considered. It may not mean that the addict is in agreement with every aspect, that the addict has heard the discussion and has had a chance to participate in the process of finalizing the proposal, and is prepared to support the final proposal. Assent is signified by remaining silent.
Assent with Reservations

This option is not materially different from the Assent option but is included as a way of giving addicts a place to stand when they do not want to object more strongly, but they do want to note that they have reservations. “Assent with Reservations” is done by the addict raising their hand and simply saying when the facilitator calls on them, "Assent with Reservations.” The assumption is that the reservations have been heard already, and the addict is simply noting that they can support the proposal and continue to have these reservations.

Stand Aside

A common misconception about the Stand Aside option is that it is similar to an abstention. It is not. It is more accurate to say it is similar to a "no" vote. It is a statement that the addict does not support the proposal, but the addict’s objection is not of the nature or the severity to warrant a block. Should the number of decision-making members standing aside reach 10% this will indicate a proposal too weak to adopt. Discussion should continue to determine if consensus can be reached. A proposal can also be delegated to the Maker of the proposal or an Ad Hoc Committee for reworking.

Block

This option is also commonly misunderstood given that a proposal can be defeated by a sufficient number of Stand Asides, the Block should be an extremely rare step taken only when a participant honestly believes that one of the Traditions or Concepts is directly violated by this proposal, or some very fundamental moral position of the participant is violated. An addict who blocks must be able to articulate which Tradition or Concept or Spiritual principle fundamental to NA is violated by the proposal.

Voting members consist of the Administrative Committee (excluding the Chair or leader except in case of a tie), Subcommittee Chairs, and any other member who attends at least two committee meetings consecutively. If a member misses two consecutive meetings voting privileges are lost until such time that the member attends two meetings consecutively; voting privileges will be restored at the second consecutive meeting attended.

- The Administrative Committee and Subcommittee Chairs are committed to attending the retreat. The Administrative, Subcommittee Chairs, and Subcommittee members should plan to arrive early in order to help set-up for registration and to work together to clean up on Sunday.
- Day packages only for trusted servants who are unable to purchase full packages, or in case of low registration, at discretion of committee and retreat center.
- A $6,000.00 prudent reserve should be maintained for deposit on the next year’s retreat and for necessary expenses. Any amount over that should be disbursed as directed by the CRSCNA at the September General Assembly and WRCNA meetings.
- Scholarship packages, as funds allow, are to be selected “from the hat” at the July business meeting before the retreat. Previous recipients will be considered in the last draw only. Clean time and life circumstances should be considered when awarding scholarships to avoid “no shows”.
- Speakers may not hand out non-NA material at any time as part of their speaking commitments.
- All attendees should be reminded to respect the Retreat Center rules of conduct.
- No refunds. Registrations may be transferred by contacting Registration.
- If an Administrative Committee member or Subcommittee Chair is absent for 2 consecutive meetings without notice or 3 meetings within the cycle the group should consider refilling that position.
- Relapse would mean automatic resignation from any Administrative Committee or Subcommittee Chair position.
- The theme and logo should be selected at the December WRCNA meeting.
