CAR/CAT Interim Timeline November 2024 – April 19, 2025 (see attached)

CAR/CAT Brief Descriptions:

“CAR” stands for the Conference Agenda Report. The CAR is a document that NA World Services (NAWS) publishes every two years before the World Service Conference (WSC). The purpose of the CAR is to inform NA members about key issues, motions, and proposals that will be discussed and voted on at the upcoming conference.

The CAR typically includes:

- **Policy Changes:** Proposals for amending NA policies or guidelines.
- **New Literature Proposals:** Suggestions for new NA literature or changes to existing publications.
- **Service Structure Recommendations:** Ideas for improving how NA services are organized or delivered.
- **Reports and Discussions:** Overviews of important issues and the direction NA World Services is considering.

Groups and members are encouraged to review the CAR, discuss it, and provide feedback to their regional delegates, who represent them at the WSC. This democratic approach helps ensure that members have a voice in the direction and decisions of the fellowship.

“CAT” stands for the Conference Approval Track. The CAT is a set of materials published by NA World Services (NAWS) in preparation for the World Service Conference (WSC), typically a few months after the Conference Agenda Report (CAR) is released.

The CAT focuses on:

- **Budget Proposals:** Detailed financial plans and budget allocations for NA World Services.
- **Project Plans:** Proposed plans for projects that NAWS intends to work on over the upcoming conference cycle.
- **Policy or Procedure Updates:** Suggestions for changes to policies, service manuals, or guidelines that impact NA service structures.
- **Operational Issues:** Administrative topics or ongoing work that may need input or approval from conference participants.

While the CAR addresses broader issues that are often discussed at group and regional levels, the CAT tends to focus more on organizational and administrative matters within NA’s service structure.

 - Regional Delegate Alternate Report 11/10/24

 - The other three issue discussion topics will be addressed at a presentation at CRCNA at 5:15 on Friday.
 - Myself and the RD are available to help the fellowship facilitate these IDTs as requested.
 - I will be attending the December RMZF meeting in Boise Idaho to learn about the interim CAR/CAT and meet some of the RDs and RDAs that I will be working with over the next 5 years.

- **CNAC Board Chair – Mike H. present**
 - **CNACChair Report- 11/10/24**
 - **CNAC and Taxes Thank you everyone who has helped get both our federal and state tax situation correct and on track for the future. Much work has been done over the past year to resolve and clarify many issues in this area. Special thanks to the CNAC admin team, the current and recent CRSCNA admin teams, and the admin teams for the recent conventions, women's retreats, and campouts, and all the other CNAC members who have contributed. Everything is now up to date and we have better processes going forward. We plan to add the following or similar language to the CNAC bylaws.**
 - **For purposes of federal tax-exempt status and Colorado sales tax, CNAC- The Colorado Narcotics Anonymous Convention Inc. includes only the Regional Service Committee and its subcommittees.**
 - **Those are:**

 - **CRCNA-Colorado Regional Convention of Narcotics Anonymous**
 - **WRCNA-Women's Retreat of Colorado Narcotics Anonymous**
 - **CRRMCO-Colorado Regional Rocky Mountain CampOut**

 - **CRCNA 38 Chair Report to Region – 11/10/2024**

- o Hello Colorado Regional Servants!
- o Wow! CRCNA is almost here. Next weekend we will celebrate another year of recovery. The planning has gone so well and I sure we
- o are going to have a great time. As with everything in life we have encountered our struggles. However everything is coming together.
- o This last week has been crazy for me and I'm not fully prepared for this meeting today. I won't bother making excuses, I'll just do my
- o best to serve today. At the assembly last month we discussed to need to pay the entire remainder of the hotel bill prior to the start of
- o CRCNA. Tomorrow will be the day that we should make this payment. Here's the good news guys. CNAC and the salesman with the
- o Marriot agreed that a good faith payment of \$10,000 would suffice. That we could make a final payment for the remainder when the
- o final bill was received. CRCNA 38 has sufficient funds available to make this payment without needing monies added from this
- o regional service body.
- o We have sold a total of 362 registrations, and 221 meals. We have also decided to purchase the remainder for the available banquet
- o and number of the breakfast tickets to sell to addicts at the convention. This means that if someone decides they didn't purchase a
- o meal and want to we have some available. If you see a newcomer that doesn't have a meal ticket you might have the opportunity to
- o buy them dinner and welcome them into our great fellowship! We are very close to our food and beverage minimum commitment and
- o I'm quite sure we will have no problem reaching it. Unfortunately I don't have exact financial numbers to share with you today but
- o Ricky our Treasurer should have them for you in his report.
- o We should have addicts here today for elections to 2025 admin committee. I believe we will get some if not all of the positions filled
- o today. We began the election process for subcommittees at our last committee meeting and most of the positions have willing
- o candidates. Our next committee meeting is happening at the hotel Thursday November 14 th at 4pm. It will be happening in the
- o hospitality suite. Information will be available at the hotel on how to find us. We will be electing subcommittee chairs at that meeting.
- o If you would like to throw your hat in the ring and participate in planning CRCNA 39 please show up.
- o The only other thing I need to report on and ask for guidance from this committee on has to do with the regional archives unit. Allen F
- o has asked for access to the archives unit to take pictures of some of the history of our region. These pictures are being requested to
- o be used at our history workshop during the convention. If I know Allen F. I'm not sure who he is by name. He will be giving these
- o images to Ron H from Albuquerque who is the speaker for the history workshop. I was making plans to meet him there last week but

- circumstances prohibited it. We have a key in a lockbox which allows us to give access without having to meet in person. I just need
 - to know if we trust Allen. Can I give him the code?
 - Thank you for the opportunity to serve
 - Dan B
 -
 - **CRCNA XXXVIII CHAIR**
- **Vice Chair – open**
- **Treasurer – Ricky M **absent****
 - **We have met our food requirements for CRCNA**
 - **We may need \$10K advance payment to hotel, we have about 30K in the bank, so about 20K at start of convention**

 - CRCNA DOC Recertification Training At CRCNA, 45 members are signed up to complete the DOC recertification training.
 - DOC doesn't have the resources to offer new member certification training. New members will have to attend the training via zoom later.
 - Sterling Correctional Facility Expansion In partnership with the DOC Coordinator, we are beginning to build a dedicated group to establish H&I services in Sterling Correctional Facility, with a target to launch by 2025. This is an exciting step forward, expanding our reach to support more individuals.
 - Technology Integration H&I Regional Collaboration
 - Collaborating with Chris F, we are brainstorming ways to incorporate technology into DOC facilities to enhance the accessibility and consistency of H&I meetings.
 - Additionally, we participated in Ohio's Regional DOC H&I meeting to share ideas and insights that could improve our local efforts.

Web servant report to CRSCNA 11/10/24

On Sept 26th got a message from Dave L about a problem with the CRCNA web site. I tried nacolorafo.org and got a message that the site had expired. I thought it was a scam or a phishing expedition. Poked around hostgator where our info is and found nothing so called them. After a little back and forth to verify who I was, which went nowhere, the operator told me that I needed to go to Domain.com as they own the domain names. Went there and tried all the emails for which I am responsible and none were valid. Finally, I tried to get a link to reset and was told to please, check d*****g@d*****t.com for a User ID recovery link. Asked Zach for help and he pointed me to Chuck. Chuck wrote Don T who said he had forgotten about the email that the domain license was set to expire. He reset it for 5 years for \$104.95. I take issue with the way that people not on CNAC or at region have the tribal knowledge that is needed for the website. I am documenting what I have discovered so hopefully that will be passed on so on 9/26/29 we don't go through this again. I wrote Don about where the \$104.95 payment came from and he never responded.

A few groups and individuals have asked me to update mtg information. It is up to the area web servants to keep their BMLT mtg info current. That info is combined for the regional meeting schedule. However,

that process needs to be confirmed. Many links are broken so those will be fixed. A zoom account was created for Mountains West by Chuck and Kathleen.

 - **We don't need the H&I zoom, whoever is using it is not us**
 - **Regional Assembly – purpose and reoccurrence MACRO**
 - **It is not common in other Regions; they are poorly attended and may have become obsolete. They are also expensive. Suggest starting an Ad Hoc to look into the effectiveness**

Sponsorship Day

Sunday, 1 December 2024

Our future seemed hopeless
until we found clean addicts
who were willing to share
with us.

Basic Text, "Who Is an Addict?"

On Sponsorship Day we acknowledge the power of sponsorship to change lives. We learn and grow just as much from sponsoring as we do from being sponsored.

To celebrate this unique relationship, many NA communities hold sponsorship-themed speaker jams, meetings, or other events. As members, we often express gratitude for the people who participate in sponsorship with us on Sponsorship Day.

Have you called your sponsor today?

How can you share your recovery with your sponsees?
