Regional PR Subcommittee Report – 09/20/2025 Guidelines and Amendments

The Regional PR Subcommittee has completed and approved its set of guidelines.

However, two amendments have been identified as necessary. The first amendment

involves changing the required period from six months to one year for new volunteers

before they are approved to complete training. The second amendment updates the title

“Behind the Walls Sponsorship Letter Writing Coordinators” to “Leader.”

Professionals Day Event

Professionals Day is scheduled for the afternoon of November 14, 2025, at CRCNA. The

event is being organized in collaboration with NAWS and the Ohio PR / H&I teams. There is

ongoing discussion about inviting representatives from 5280 High School, various political

officials, and several parole officers to attend, either in person or virtually.

Participation with the American Correctional Association

Last month, members of the subcommittee participated in an event with the American

Correctional Association in Denver. Attendees included Kathleen L, Chris F, Erica H, and

Erin B. NAWS generously donated its excess literature to PR and H&I, and Erica currently

maintains the inventory of these materials.

Community Relations and Outreach

The Mile High Area has requested that the regional PR Subcommittee focus efforts on

building and strengthening relationships with the Aurora and Denver Parole Offices, Denver

City Court, and the Denver Health Department, specifically concerning overdose

awareness initiatives.

H&I Meetings at Florence Penitentiary

Currently, H&I is no longer conducting meetings at the Florence Penitentiary. In response,

the Regional PR Subcommittee will be reaching out to the facility’s administration to

explore the possibility of restarting these meetings in the future.

CCTV H&I Meetings in prisons

Arizona is presently leading the way with a more effective method of bringing NA meetings

to large numbers of incarcerated people. They are presently streaming the Freedom of Choice and Miraculous Monday's meeting into 22 facilities. The PR Subcommittee will be working in conjunction with H&I and the Arizona region to further investigate possibility of providing these meetings via CCTV in the Colorado prison system. From Paul (Ohio region) - Broadcasting live meetings like Freedom of Choice and Miraculous Mondays addresses common barriers: lack of staff to move residents to a single location, technology being unavailable in meeting rooms, chapels, etc. (like laptops, speakers, projectors), unreliable WiFi, inmate privacy concerns, volunteer clearance issues, and institutional policies that prohibit virtual interaction by the incarcerated.

While CCTV broadcasts don't allow for live participation, they are still far better than no exposure at all. Future meeting options could include:

- Recovery discussions with people who got clean while incarcerated, sharing best practices on working a program and running in-prison NA meetings behind the walls
- Q&A sessions where residents send in questions or suggested topics
- Step-study content and more

WSLD – 9.20.25

Erica H., Erin B. and Russ E. are attending Western States Learning Day's this weekend.

In loving service,

Chris F – Regional PR Chair

Patty C – Regional PR Vice Chair

Regional H&I Report for Regional Assembly – September, 2025

- I. New suggested H&I guidelines completed – we've had multiple ad hoc meetings to complete the rewriting of H&I guidelines; the main goal was to break down the DOC coordinator position into various positions so that we could vote in a new DOC Coordinator and vote in other new positions
 - a. New DOC positions
 - i. DOC Coordinator (3-year service commitment) – Erin B. voted in
 - ii. DOC Assistant Coordinator (3-year service commitment, vacant)

- iii. DOC Application Coordinator (3-year service commitment, vacant)
 - iv. DOC Volunteer Coordinator (3-year service commitment, vacant)
 - b. Other vacant positions
 - i. Regional H&I Secretary
 - c. Other noteworthy changes
 - i. Voting members are now H&I Vice Chairperson, Secretary, DOC Coordinator, **DOC panel leaders** (new), “Writing behind the walls” panel leader, and all area H&I representatives
 - ii. Meetings will be held the first Monday of the following months: January, March, April, July, September, November
 - iii. Lots of new Panel Leaders stepped up for different DOC facilities!
- II. I've helped the Mile High area start quite a few meetings recently: Sobriety House, Red Rock Recovery, Marisol Homes; Banyan and Denver Detention Center & Denver County Jail wants to have NA in their facilities. If interested in going into DDC, please reach out to me and I will get you an application
- III. We received a letter from an addict in treatment in the Pikes Peak Area who would like to see more meetings in facilities – **PLEASE GET THE WORD OUT TO PIKES PEAK AREA TO BE OF SERVICE IN H&I.** My subcommittee and I are happy to help in any way that we can. This letter was forwarded to Banks C, the PR Chair in Pikes Peak Area
- IV. Literature Donation from NAWS
 - a. Attended the ACA (American Correctional Association) Conference with NAWS and they had so much literature delivered to the event. Unfortunately, they were unable to give much of it away (fortunate for us!) so they decided to donate it to the Colorado Region.
 - b. This has been inventoried by Erin and me.
Budget: H&I has \$4,500 left to spend for the year

Regional Assembly September 20, 2025 Regional H&I DOC Report

First of all I want to say thank you so much to every person in that video we have built a dream together over the past 18 years! The addicts behind the walls are eternally grateful for ALL you do! It has been an honor to have served as the Regional H&I DOC Coordinator for many years. Recently we revised the Regional H&I Guidelines and on September 8th we had an election. Erin B is officially the new Regional DOC coordinator and I want to welcome her. As most of you know Erin and Erica, our Regional H&I Chair are at WSLD this weekend. I am humbled to give one last Regional DOC Report.

It may seem like I have hung onto this position for much longer than I needed to. We have had several people step up only to say this is too much and 'I don't work for DOC'. Thank you Patty C for incorporating a flow chart, which enabled us to see all the job duties that were then put into new DOC positions within the H&I Guidelines.

We currently serve 10 Department of Corrections Facilities within the state of Colorado and one Federal Penitentiary. We have approximately 50 volunteers cleared and we recently submitted 30 applications to be trained at CRCNA XXXIX. If you have submitted an application the training will be Friday November 14th at 9:00a at CRCNA. That is a record to date! With our additional volunteers we will be reopening Sterling Correctional Facility, after the first of the year.

The Regional H&I Guidelines are being ratified here today and sometime in October, we will be holding elections for several positions that we have recently created to maintain our meetings behind the walls. Please be on the lookout for an email from Erica H to give more details on the next Regional H&I Meeting.

The first year we broadcasted the prison meetings live, via telephone, was during CRCNA XX! One of the most positive advancement that came out of Covid was the prison's ability to utilize Zoom. So please don't miss the Prison hook up live on Sunday November 16th. It is a very powerful experience. A special thank you to Chuck and Kathleen for their service over the years, with the technical end.

Also please remember to attend the Regional PR Professionals Day on Friday November 14th at 1:00p. Chris has done an amazing job working with Miraculous Monday's to enable the addicts behind the walls, worldwide, come together virtually for Narcotics Anonymous meetings.

I am ever so grateful, from the bottom of my heart, to all of you who help to make this movement a reality, as we carry our life saving message to the addicts behind the walls. And last but not least thank you Kathleen for being my strength in turning this over and for making the video a reality.

In Loving Service, Terry C.

Technology (e.g. Zoom Accounts)	\$ 1,000.00	\$ 1,000.00	\$ 1,000.00	\$ 1,000.00		\$ 1,000.00
Domain Fees Once every three years	\$ 450.00	\$ 450.00	\$ 450.00	\$ 450.00		\$ 450.00
WEB SUBCOMMITTEE TOTAL	\$ 1,450.00	\$ 1,450.00	\$ 1,450.00	\$ 1,450.00	\$ -	\$ 1,450.00
	Tier 1	Tier 2	Tier 3	2025 Approved Tier Budget Amount	Actual	Variance

The actual budget for the Zoom accounts is \$919.55, half paid in March and the other half in Oct. So, the technology part of the web budget could be reduced by \$80.45. However, having some wiggle room moving forward is not bad. Not sure when an increase might happen.

What is your budget? (Including which items are encumbered). \$1450

- What funds out of your budget have been spent? \$1369.55
- What funds remain in your budget? \$80.45
- Do you anticipate not using a portion of your budget? No
- Do you need additional funds? Not at present

However, PR is in need of storage as a member is using his own Google storage for their videos. I am looking into how much storage they think is required moving forward and how much that might cost.

We are beginning to discuss the need for extra web storage, particularly for PR subcommittee speaker tapes. Dave will look into the details.

CRCNA 39 Chair Report

September 18th, 2025

It has been a really busy couple of weeks for the committee. There were some inquiries about our numbers till now and we still had some contracts that were due. There were some issues which have been addressed. There was one area of concern, but the subcommittee chair took the concerns to seriously and all issues have been addressed. Unfortunately, another area of concern did not work out as well. Kathleen L., our RD, has graciously agreed to assume the F&E Chairperson position. The CRCNA committee worked together to make some hard choices and get things back on track. We do have entertainment worked out for the convention and should have contracts signed soon.

As of the 13th we had enough money in the bank to cover our deposits due before the convention (\$24K). That covers the deposit for the hotel for net year which should have been paid last week, A/V, entertainment, and merchandise.

Or registration numbers are a little low. We have not had any F&E events after the pancake breakfast which may have had an impact on pre-

registrations. As of last week we had 64% of our room block for the hotel, 120 registrations, and less than half of our banquet and breakfast tickets. Please announce CRCNA in all your meetings. Rooms and dinners will go fast the closer we get. There are only 7 weeks until the convention. The committee is working hard to have another great year.

Thank you for letting me serve,

Kevin W.

There was a question about how to volunteer to help at the convention. 25 or so people marked the volunteer box on the registration form. Those people will be contacted. Also, let them know you want to volunteer when you pick up your registration and they will direct you.

WRCNA Regional Assembly Report

9/20/25

It has been both an **honor and a privilege** to serve as Chair of the Women's Retreat Committee of Narcotics Anonymous over the past year. This experience has been deeply rewarding, and I am grateful for the opportunity to have served.

Despite difficulties and situations that could have divided us, our **Higher Power consistently showed up**, guiding us back to our primary purpose and reminding us that together we can accomplish so much more than alone. This year was so much **bigger than us**—it was truly the **work of a Higher Power** moving through each of us and blessing the retreat in ways we could not have done on our own.

This past year marked the **most successful retreat in WRCNA's 12-year history**. We were blessed with record participation, and most notably, **43 women were able to attend for the very first time**. Beyond attendance, we also achieved something remarkable: **we raised more money than ever before in WRCNA history**. This was made possible by remaining **open-minded and willing**, thinking **outside of the box**, and being

diligent in carrying the message of recovery in everything we did.

I am humbled to have witnessed the dedication, passion, and selfless service of every member of this committee. Their creativity, persistence, and love for Narcotics Anonymous turned challenges into triumphs, leaving a legacy of unity and abundance for future retreats.

As I finalize my year of service, I also want to share my **excitement for the future**. I am confident in the women being ratified into service today, and I know they will do an amazing job in carrying the message forward. It brings me joy to see the retreat continuing to grow in strong, capable hands. To help assure a **smooth transition** into next year, all committee information has been handed over, and the **emails and passwords have been turned over to the Vice Chair**.

Thank you for the trust placed in me and for the opportunity to serve. It is my hope that the foundation laid this year will continue to support and strengthen the Women's Retreat for years to come.

In loving service,
Brandi J
Chair, WRCNA

The Woman's Retreat expects to donate \$18,362.33 to Region in the next week.
