OTW report to Regional 07/20/25

Welcome from Off The Wall. Not a lot to report as we take a break during July, meeting the other 11 months on the first Sunday of the month in Loveland at 9 a.m. We held some elections last month and failed to elect a Secretary, Alternate Treasurer and H&I chair. We have a member interested in the H&I position and hopefully others for the spots.

Our Activities SC has been busy. A swinging dance is scheduled for August 8th with music from the 40's and 50's. A flyer will be posted in the chat. All info is also at otwna.org. A campout is planned for October. Capture the flag has restarted and is a fun way to do some cross pollination in meetings.

For PI we are manning tables in FtC, Greeley and Estes Park. Our PI chair has been unable to attend the monthly PR meeting due to his work schedule. All in all we are functioning very well.

- RCM 2 – Dave L

- o Grateful for this group and all that you bring. We had a great event recently, looking to improve unity within our Area and nearby

- **Pikes Peak Area**

RCM 1 – Open, Jerri Ann sitting in to pass on information to the Area

RCM 2 – Open

- **Serenity Unlimited Area**

RCM 1 – Valentina A.

The pig roast/speaker activity the men's group did was very successful. Up coming event the clean and queer group is doing tags and drags speaker meeting topic is unity and overcoming resentments July 26th at 1pm at Church of Christ . Area also just ordered activities games and storage to keep games in.

Home groups total 7 with a new women's group needing support in spreading awareness Tuesdays at 7pm at First Baptist Church.

PI and H&I we are working on building committees

CRSCNA Treasurer Report

7/20/25

Good morning All,

Opening balance as of this morning is \$17,343.83 which leaves us with \$3,356.66 of unencumbered funds before any out of budget disbursement requests. We can now start looking at donating to WSO as our budgets have been met. We did receive a donation from Sally P with no notes from which group or region the donation was made. I line itemed this as unknown donation until we figure this out.

This month I was able to get the CRCNA treasurer her debit card and pin that was finally sent. I've also been working with CRRMCO treasurer, Grant P, about banking fees. Long story short, we pay \$10 a month for bill pay that is deducted from the CRRMCO account. We use this only to pay the CNAC accountant who does not take any form of payment except checks, which we don't have. Grant also believes we are all being charged \$2 a month for paper statements, which I believe none of us use. We as a region should reimburse CRRMCO for these charges.

So I need direction -

1. Does anyone want to continue to receive paper statements or can I remove them from all accounts? **No takers, we can remove it**
2. Does anyone else use bill pay? **??**
3. Can CNAC reach out to our accountant for alternate form of payment? **CNAC will check**
4. If they can't, am I able to purchase paper checks (1 book) so we can remove this feature from our account and therefore the charges? **get a counter check for those few bill that require it**

Other than that, we really appreciate the donations from areas and groups. Meeting our budgets by this point of the year is a huge testament to the strength of our regional donations.

Thank you for letting me be of service,

Angie R.

CNAC Report to CRSCNA July 20, 2025

CNAC held its Quarterly Board Meeting on July 5, 2025.

We have begun the process of soliciting contracts from hotels for a two or three year period beginning in 2027 (CRCNA LVI). The number of hotels in the Colorado Region that can host our hotel is very small. It must have a banquet room that can hold our Saturday night event as well as reasonable room rates. If any Areas or Group has a suggestion of a property you would like us to pursue, please contact CNAC. Please just pass on the suggestion and we will contact them.

If your Group or Area is holding an event (BBQ, dance, etc.), please send any contracts to CNAC for review and signature. This is to protect an individual addict from holding themselves liable if anything goes wrong. Also, and very important, if the event involves anything that can result in an injury (rafting, paintball, horseback riding, roller or ice skating, etc.), please have all participants sign a Waiver Release Form to not hold CRSCNA responsible if they get hurt. We will be happy to provide the appropriate Waiver Form for your event.

We are currently looking for an Assistant Financial Officer for CNAC. Some financial background is required. We are also looking for a Board Member at Large. Please contact me for any information on how to apply and what these positions entail.

Our Budget has been submitted. The second quarter sales tax return has been filed.

If any of the Event (CRCNA, WRCNA, CRRMCO) Treasures have not received their bank cards, please let us know.

Our next Board Meeting is Saturday October 4th at 9:30am.

Thank you for letting CNAC serve the Colorado Region,

CRSCNA July Committee Meeting

CRCNA 39 Chair Report

July 20th, 2025

It has been a busy couple months for the committee. Hotels, merchandise, and programs are all on track for orders, contracts, and speakers. There are no new events to mention at this time, but we do have an ongoing softball league. Matt D. had to cover for me last meeting because I was on vacation without service. CNAC Board requested a couple items. I passed on some info for tapers and entertainment and Hotel & Hospitality did report that we have the atrium Friday night nailed down this year and next. We will get that amended in the contract and pass onto CNAC. We are also tracking down our PO Box key and the treasurer did get the bank card for transactions. Hotel is also working on AV with the hotel and a couple outside vendors and we hope to have that nailed down this month after a meeting on the subject. We are already less than halfway there, slow times are over. Everybody right now is doing a great job with all the work needed till now. The subcommittees are working hard to put on another great convention this year.

Thank you for letting me serve,

Kevin W.

CRSC reviewed the list of topics for marathon meetings and for workshops. The program committee will review the guidelines regarding suggested topics to make sure they are included. There will be several interactive workshops this year. Both preliminary lists were approved.

- Vice Chair – Matt D
He will stay in this position throughout the year but cannot serve as Chair next year. Rather than have someone start as VC at this stage, they decided to keep it open to the whole fellowship and elect next year's Chair as usual

CRRMCO 12 Closing Regional Report

This year's CRRMCO 12 camping event was a huge success, the turnout was great with 131 registered attendees! If there were any more attendees, I don't know if we would have had enough parking.

Our objective this year was to focus on the inclusion of surrounding areas in different parts of the state and improve our announcement of the event to these areas and meetings. I feel like we achieved this goal as we had attendees turn out from Southern Colorado, Western Slope, Steamboat, and our faithful Mile High and Pikes Peak region. Thank you to our incredible speakers Brandi (Mile High area) Migi (Western Slope) and Dan B. (Southern Colorado) who all nailed it and shared a tremendous message of experience, strength and hope!

Although our committee was small we pulled through and the campout was a hit. Thank you to Coy P. (Vice-Chair) Grant P. (Treasure) Desi (Activities) Samantha (Secretary) Teresa (Member at Large) and to all who helped make this years event happen. The expected work load was challenging at times with the normal registration, food, supplies, equipment, grills, cooking, set-up, and breakdown responsibilities but true to the NA spirit there were plenty of onsite volunteers who showed up and helped.

One of this years highlights was the number of children who showed up this year, which was such a blessing to see. Recovering addicts and their families enjoying the great outdoors was awesome. The pinata and scavenger hunt was a great success that the kids will definitely remember.

In closing the CRRMCO committee will conduct one final meeting to discuss this years pros and cons and settle on our final hand off group conscience for next years event. Our preliminary rough numbers look great as we will have enough funds to cover the much needed new grills for next year, our standard seed money and a donation back to region in excess of \$1300. Our treasurer report will have more details on that.

Thank you for letting me be of service.

I hope to to serve and supportr this event for years to come

Merch sales were done by drop ship. It was a bit light, around 30 items. Taxes were paid with the order so CNAC will not need to file.

Hello CRSCNA

Hope you're doing awesome! Since the Assembly the PR Committees - H&I, PI, DOC Team, and Website - have been working diligently framing this upcoming term and collaborating together to best serve the Colorado Region.

Here are a couple of current points:

- Miraculous Mondays is up and going strong with attendance from all over the country including prison administrators, inmates, H&I committee members, World Board members, and interested NA members.
- Our web master Dave A. has gotten us all onboard with the emails and Zoom accounts for PR!
- Our H&I Chair Erica has coordinated with the DOC Adhoc to formulate suggestions for guideline updates. These suggestions will be ready to present mid June. This has been quite the challenge for them due to the rapid changes in correctional facilities since the pandemic. They have done great and we're looking forward to the current suggestions.

Our next committee meeting is June 30th and we will be covering the following:

- Elections - H&I Vice Chair and DOC Coordinator
- Inventory Outline
- DOC suggestions for guidelines will be available for review

Everyone is welcome! Please spread the word to your Areas and Homegroups!

Moving Forward:

- We will have a draft from the suggested guideline updates available to CRSCNA in July for review and edits
- We will be asking to send the H&I Chair and DOC Coordinator to WSLD
- And we would like to have consensus on the DOC guideline suggestions and ready for vote at the Assembly

Yes! We're all pretty psyched about how great it's coming together. I would like to extend my appreciation to Erica for jumping in with her expertise and love. And, above all, we want Terry C. to know how much we love her and appreciate all her dedication to our Fellowship and the prisons. Thank you Terry for helping with guideline suggestions, your knowledge is impeccable!

Please let your Areas and Homegroups know about our upcoming committee meeting and elections!

Regional H&I Subcommittee Report for July 20 CRSCNA Meeting

Budget submitted for 2026, totaling \$6,400

Out-of-budget disbursement request to go to 2025 WSLD submitted to treasurer

We've completed the rewriting of the Regional H&I Guidelines. They just need to be sent out to and voted on by the voting members of the Regional H&I Subcommittee and then sent to Regional PR Subcommittee for approval, then ratified at the Regional Assembly.

We are in a transition with the DOC Subcommittee, new members expected to be voted in after new Regional H&I Guidelines are approved and set in stone.

Lots of changes and lots of moving parts still this year.

Current stockpile of books is being counted and handed over to Regional H&I Chair

Regional H&I email has been accessed, as it was never even opened before.

Found a request from Red Rock Recovery that they would like an H&I meeting there at their Morrison Location on Fridays at 7:30pm. I've been working with the Area H&I Chair (Sinko) to put together a panel and get that going. I will bring this to the next Area meeting.

Presented H&I to Marisol Homes in Lakewood. H&I was going in there a while ago, but they weren't happy with the message the members from NA were bringing so they want new members to come in. I went in and listened to their feedback and concerns which included the fact that they were hearing a message that people on MAT are not welcomed in NA. They are also requesting the meeting format to be a speaker meeting. It is a women's facility, so I'd love to get a panel of women together who are passionate about the program and also open-minded to MAT. I will bring this to the next Area meeting.

Banyan is another treatment facility who has reached out to me requesting an NA H&I meeting. I need to reach back out to them to get more details on when they want a meeting. The facility is in Castle Rock. I will bring this to the next Area meeting and hope that people around the area are willing to be of service!

Crowley Detention Center has requested books/supplies to start a meeting/"NA study group" so I will be getting literature and supplies from Terry.

- PI Chair – Russ

- Went to the East UT recovery rally. Cortez meeting asked about being added to our meeting list.

- The Feds and members of the Navajo Nation would like more information on NA. He will be teaming up with the Rio Grande Region

- Looking forward to WSLD

- Web Chair – Dave A.

Web Servant report to Regional 07/20/25

First off, I had an issue on Thursday night when adding a menu. Something went wrong and the home page became unorganized. I was able to get things organized and in the process moved around a few items. Everything is still there but Service Bodies and for NA Members shuffled some tabs. Other highlights – created crscnadoc@nacolorado.org for use with communication between H&I and DOC. A credit card option was added to buy Campout merch. Updated info about WSLD. Added emails to contact us page for transparency.

An issue came up with the Calendar. There is nothing in the guidelines about it but the general rule has been that it is to be used for regional events only. Something called Bishop's Castle is listed for this weekend. I did not feel comfortable removing that event. I could write the organizer and ask them to not post on the regional calendar. Frankly, I don't have a strong opinion as to what to do, so would like feedback and possible a consensus. Perhaps we send it back to the ASC's to get their input. If every event from every area is listed it will get cluttered. But, more communication and opportunity is a big plus. What say you – under new business.

Speaking of communication, I have asked three times for an updated mtg list from Mountains West without a response. I am at a loss as to how to proceed.

Lastly, Google now requires 2 step verification for all admin accounts. I added it for admin@nacolorado.org with my phone number. Hopefully, this will not cause any issues for other members.

The issue of who can post events was discussed and we agreed to leave it as is.

- **July CRSCNA Meeting items**

- o **Article 6, Section F, Steps and Schedule:** CRSCNA Administration, RD/RDA, CNAC and PR Subcommittee (combining PI, H&I, etc.) will prepare and present the Tier 1, 2, & 3 proposals for the budget.
 - Budgets were reviewed, notable changes are:
 - In general, everything has gone up. Total contracts increased +\$1831, storage increase was significant.
 - RD team is up \$4500 because everything is expensive, this is a WSC year, and we are hosting WSLD. We are saving travel expenses by switching off, only sending one RD/RDA when possible
 - CNAC is down \$140 due to less need for accountants now that taxes are fixed
 - PR budget not submitted, repeating last year
 - Web needs to pay \$400 for our three year domain name
 - PI no change
- o CRSCNA Program Chair present the CRSCNA Program and Marathon meeting topics to CRSCNA for approval. **All were approved**

- **Old Business**

None

- **New Business**
 - An addict from Boulder joined the meeting to get input regarding disruptive and predatory behavior. Fortunately (so), this region, and several Areas in it, have been working on this issue and have a great deal of experience to share. Suggestions of what others have done were given. A list of useful web links was shared, contact to an Area Ad Hoc, and the RD's expressed their willingness to give the WSO presentation to the meeting/Area if requested.
 - Budgets – how to use them, change them, report them, etc.
 - The CRSC budget is set in three spending tiers. Those are approved at the September Assembly. The tier we are in for the year is decided at the January CRSC meeting determined largely by the strength of the CRCNA donation for the year. Budgeted funds are released as needed. Any other funding request through the year needs to be submitted as a motion and approved at the CRSC meeting/Assembly
 - Open Positions
 - CRSCNA – Vice Chair, **no volunteers**
 - CRCNA – Vice Chair, **decided to wait for next cycle**
 - H&I Guideline change review? **Not yet**
 - Guideline changes _ Guidelines? **We have discovered that the 60 day notice for guideline changes is not actually in the guidelines. It was approved but never made it in. Also, there are a few other oddities. Angie was appointed to head an Ad Hoc to review guidelines for update and cleanup.**
 - Secure Facility for next Assembly – Boulder Area is working on it from 8:00 to 6:00 with a budget of \$500.00. They have a group that is close to securing a facility.
 - **Would love to have people submit videos/pictures/presentations, etc. from NA events and groups to liven up the Assembly. Kathleen is available to help.**
 - New Proposals – **An out of budget expenditure to send two members from the H&I committee to Western Service Learning Days (WSLD) was submitted and approved. The CRSC funds exceed the encumbered funds.**
- **Closing Treasurer Report**
