Good Morning,

I presented the topic of Disruptive and Predatory behavior at the October Off the Wall ASC meeting, and there was a group that reported this behavior going on at a meeting in Fort Collins.

The attached articles are a workshop and a one-page handout for the workshop with examples and solutions.

There are a ton of other resources available on the NA world website to help groups or areas present and navigate through this or any issue happening in groups.

To find resources on this or any issue related to groups/areas go to the na.org homepage and use the search bar on the top right.

Attached are a few of the available resources on the NAWS website covering Disruptive and Predatory Behavior (IDT).

If groups need more assistance, please reach out to your RCM team.

Thank You

Treasurer – Angie R. report at end of minutes

Good morning All,

Opening balance as of this morning is \$18,201.41 which leaves us with \$3,233.85 of unencumbered funds before any out of budget disbursement requests. We did receive a donation from Jordan TFH for \$26.99 with no notes from which group or area the donation was made. I line itemed this as an unknown donation until we figure this out. We also received the donation from Women's Retreat of \$2423.65.

I received notice from storage that our rent for unit 2128 (Archives) will be increased to \$136/month (instead of \$127/month). Our COI expired with storage so I've requested a new one from CNAC. We may get a small refund for October and November once I've submitted that for their review. It does appear we can lock in rates if we pre-pay a year. I will bring this up in the January meeting as it will affect next year's budget.

I've included everyone's budget for the remainder of 2025. I've also included approved budgets for 2026. Thank you for letting me be of service,

Angie R.

[RDA Report to CRSCNA November 23, 2025](#)

Now that the CAR is out I have been reviewing it and the presentation materials to prepare for workshoping the topics for our region and areas. All of these conference materials are available at na.org/conference.

I will be attending the Rocky Mountain Zonal Forum meeting in Cody WY in the Upper Rocky Mountain Region on December 12th and 13th. These meetings include a CAR review with NA World Board members on Saturday the 13th at 9am. All interested members are encouraged to attend. Zoom Meeting ID: 882 5359 2023 Passcode: 2026CAR

I also plan to attend the Plains States Zonal Forum CAR workshop on December 6th from 7am-11am. Meeting ID: 496 411 9409 Passcode: 1953

I will submit receipts for the airline tickets, hotel, meals and other expenses per our guidelines and approved budget after the trip.

One item that the RMZF has been discussing is the lack of funding for the service body and the personal financial burden that the Zonal Contact servants have been voluntarily taking on. This consists primarily of transportation, lodging, and meals for the Zonal Forum meetings. We anticipate that at some point the zone will present a plan that will include requesting regular recurring contributions from member regions

to cover these expenses. We will present that to CRSCNA when it is ready.
Thank you for asking me to serve
Mike H

The CAR has some big surveys. We are hoping to get an on line tally sheet for the Region.
Also, Disruptive and Predatory Behavior has been a big discussion topic at World for the last few years. If your group or Area are discussing it, please share your conclusions with the RD and RDA so we can represent that in our discussions at workshops.

CNAC Report to Colorado Regional Service Committee Meeting
November 23, 2025

The Colorado Narcotics Anonymous Convention Inc had its fourth Quarter 2025 Board Meeting on September 28th, 2025. We finalized all CRCNA vendor contracts at that time. We are currently in the process of negotiating with venues for upcoming Conventions beginning with CRCNA XLI in 2027. We also submitted a proposal to include CNAC in the Colorado Regional Service Committee as a voting member in the Administrative Committee. We will soon be working on renewing the liability insurance policy for the Region.

Our next Board Meeting will be January 3rd, 2026.

Thank you for letting me be of service.

Steve K

CNAC Chair

Again, please have CNAC sign a venue contract for all activities. It will keep individuals fiscally safe.

I am asking for Tier 3 for our next budget.

We need 2 Video editing software units. \$200 each.

Jason L needs support with volunteers to help edit “ Miraculous Monday’s “ speakers.

We need these available for the Tablet program. Speaking of the Tablet program. The Basic Text is available on an Audio version only. See H&I report.

We need to store our Covid Speakers as well as our Miraculous Monday’s speakers in the cloud. \$120 per year.

The city of Denver is asking for literature in the unhoused motels as well as the Denver Health clinics and Hospital.

13 clinics are in need of literature.

Denver would also like meeting lists for first responders.

Hopefully Mile High Area will step up and make this a reality.

I am planning on Representing the Mile High Area at WSLD in LA in 2026.

I have passed on Multiple invites so our other regional team members could attend.

Miraculous Monday’s is now hosting Prisons in over 5 States twice monthly. Hundreds of Addicts are hearing our message.

We as a region will make this a reality for our Brothers and sisters incarcerated in Colorado this year.

Erica and I are beginning to put together a PR & H&I day in January.

More will be revealed.

Please let Patty C know what an incredible job she has done for our fellowship.

She is stepping away from Vice Chair.

On a final note “ The Professional Days “ presentation was very successful.

Denver County Jail picked up the tablet program, see Ericka’s report.

We had Judges in attendance as well as City officials.

Over 70 people nationwide tuned in to learn about what we are doing with our PR Zoom meeting

behind the walls.

NAWS has asked me to present in January to discuss our “ Professionals Day” with H&I chairs internationally.

Web Servant report to CRSCNA 11/23/25

Updated as necessary. Helped out with two PR zoom events at CRCNA. Friday had 60 in person and 60 online A question about storage was raised at our last meeting. We have plenty. On your nacolorado.org email, go to the 9 dots in the upper right hand corner for google apps. Select Drive. You will then see either emails or flyers that are stored there or an option for dropping files. Of more importance in the lower left hand corner it will say we have used @ 15mb of the 1 TB available. So, we have plenty of storage. Also, we can use the host gator site for storage. I believe the previous web servant stored archives of minutes there. I apologize for the time problem of this mtg starting at 9:30. I was thinking that we have a GSR before every mtg. My bad.

CRCNA 39 Chair Report
November 23rd, 2025

Well, we managed to pull off another convention. Thank you everyone from Region and the CNAC board for all your support before and during the event! I really appreciate it. My final report for CRCNA 39 is due next Regional committee meeting, but this is where we are today.

Overall, it was another successful event. Registration sits around 650, but it is not clear if all cash sales are represented in that. That is down from last year, yet the ballroom was still full. We had 400+ H&I registrations from 65 facilities, which is incredible. Sales were down as reported by all vendors. So, our revenue was down slightly, and our revenue from our share from vendors was down as well. The only major upset was sales/registrations through PayPal which was not captured. It is a small percentage of sales, but it still caused us to sit more banquets and breakfasts at the last minute. Despite all that, the committee did a fantastic job of reducing costs and tightening budgets. Everyone was under budget, or significantly under budget.

I do want to take the time to say that the hotel was fantastic this year. They had everything worked out, they were very accommodating, and they did not nickle & dime us to death and gouge us because they could. Every request was addressed promptly at the convention and staff was great. I also need to give special recognition to Jen S. as H&H Chair. She has done an incredible job policing costs from the hotel and A/V, and she has taken on many other responsibilities that were not hers to ensure the Colorado Region had a successful convention. We would be in much worse shape if it were not for her selfless service.

It is also important to note that all the Committee did a fantastic job of listening to the feedback from last year's convention and doing everything possible to have a successful convention this year.

Merchandise looked fantastic, we have incredible and varied speakers from programs, and H&I did an awesome job bringing the most important people to the convention. They also do not have a big committee and get a lot of attention, but our Treasure and Vice treasure (Karen & J.R.) went above and beyond to account for and safeguard NA funds. Everyone on the committee should be proud of their contributions and thank you very much for all your hard work this year. Thank you for letting me serve, it has been an incredible experience.

Thank you for letting me serve,
Kevin W.

He also wanted to point out that Jen (H&H) was a tremendous watch dog with Hotel charges. Also both the Treasure and Vice Treasure were on the spot keeping everyone aware of their budgets.

Vice Chair – Matt D.
Treasurer – Karen B

Good morning everyone,
Thank you for making CRCNA 39 a great experience.
I have some rough numbers of how the convention went.

Current bank balance (11/23/25)	\$51,160.59	
Pending expenses		
Check # 1073		-\$700.00
Check # 1079		-\$136.75
Check # 1081		-\$150.00
Hotel final bill		-\$9,186.56
Merch final bill		-\$9,303.00
AV final bill		-\$13,573.00
Merch refund		-\$80.00
Total expenses		-\$33,129.31

Net	\$18,031.28	
Seed money	\$8,422.00	
CRCNA 40 regs (cash)	\$440.00	
Projected Profit	\$9,169.28	

As of today (11/23/2025), our current bank balance is **\$51,160.59**. Based on my records, there are **\$33,129.31** in outstanding expenses that are not yet reflected in this balance. This gives us a **tentative net profit of \$18,031.28**.

From that amount, I subtracted the original seed money in the account when I took over of **\$8,422**. I also deducted the **CRCNA 40 “Early Early Bird”** registrations cash totaling **\$440**. After these adjustments, CRCNA 39’s projected profit is **\$9,169.28**.

This is also very simplified because it doesn't take into account the \$3,625 prepayment made for CRCNA 40.

As far as budgets:

CRCNA 39's total budget was \$103,343.00

CRCNA 39's actual money spent was \$77,053.19 thus far.

It's not all complete, however, it is still going to be significantly under budget when it is completed.

Next month, we will have the final report for the region.

Thank you for letting me be of service,
Karen B.

Just to clarify expenses, such as deposits, for CRCNA 40 belong in the CRCNA 40 Budget(and seed) not the CRCNA 39 budget.

13. Old Business

- CRMCCO and WRNCA donations

WRCNA donated \$2423.65 and CRRMCO is working on it's final numbers

- **Adhoc committee for guideline changes**

The committee was given to the Vice Chair then paused because he was just elected. Everyone seemed to agree we need to review them. Bill and Eric volunteered to work on updating. Also, it was discovered the ones on the web are outdated. The last approved guidelines were at the April 2025 Assembly. Those changes were done as part of the CRCNA Guidelines updates to keep both in agreement. Dave will assist with getting the correct guidelines to the Ad-hoc and on the web.

14. New Business

- **Elections:**

- CRCNA Treasure: JR, last years Vice Treasure, was nominated, qualified and elected
- CRRMCO Vice Chair: Grant, last year's Treasure, was nominated, qualified and elected
- Boulder has requested that the RD and/or RDA give Disruptive and Predatory Behavior presentation on Feb 1st, 2:00pm at the ASC meeting
- CNAC presented a proposal to consider the CNAC representative a voting member. A CNAC rep has been asked to give a report at each CRSC meeting, and it seems they should also be allowed to vote at those meetings.
 - o The discussion was concerned with a vote being given to someone who is not elected by the region, only ratified by Region.
 - o Also, discussion about how this would look in the guidelines.
 - o It was decided to work those items out and return with a new motion to grant a vote to the CNAC Rep.

Jose Z expressed disappointment with how the Spanish meeting at CRCNA was organized, noting a lack of genuine effort to engage Spanish speakers. He pointed out the absence of Spanish readings and native speakers, and called for a comprehensive approach to reaching the Spanish community, rather than occasional token involvement.

Agreed to wait until next meeting to donate the extra funds to WSO because the Treasure was not present. It was suggested we send half now but that did not become a motion.
